TOWN OF HUNTINGTON

Trash Pickup & Recycling Calendar

2015

NEW SINGLE STREAM & E-WASTE RECYCLING CHANGES –
see pages 2 & 4 for details

BASIC CURBSIDE COLLECTION SERVICE & REGULATIONS

DO:

- Place up to six garbage cans (UNDER 39 GALLONS in volume), bags, or bundles each weighing LESS THAN 50 lbs. at the curb for collection on your two weekly garbage pickup days.
  - Garbage collection begins at 6:00 a.m.
  - Place covered garbage cans curbside NO EARLIER THAN 6:00 p.m. THE EVENING BEFORE collection.
  - Town Code requires that emptied garbage cans be REMOVED FROM THE STREET NO LATER THAN 12:00 p.m. the day after pickup, and all garbage cans must be stored behind the front line of your dwelling on non-collection days.
- Place up to FOUR (4) BULK ITEMS at the curb on your SECOND GARBAGE COLLECTION DAY of the week. A bulk item is any object (other than appliances and large metal items) weighing more than 50 lbs. or larger than 2 × 2 × 4 ft.
- Call your carter to arrange for PICKUP OF APPLIANCE AND LARGE METAL ITEMS. Please do not place items at the curb until the night before your scheduled pickup collection date.
- Place RECYCLABLES at the curb for COLLECTION ON WEDNESDAYS according to this calendar.
- Place bundles or garbage cans of YARD WASTE at the curb for collection on the weeks indicated by a leaf.
  - BRANCHES must be tied in bundles no larger than 2 × 2 × 4 ft.; leaves and clippings must be bagged or placed in uncovered cans.
  - Grass is NOT collected.

DO NOT:

- Use BUNGEE CORDS (to secure can lids) or use any container larger than 39 gallons, or heavier than 50 lbs. when full. Do not fill your yard waste container to more than 12″ above the rim.
- Place MORE ITEMS at the curb than this schedule allows. It is a violation of the Town Code. This includes move-ins and move-outs. For amounts exceeding collection limits, alternative disposal must be arranged (either self-haul or hire a professional).
- Place items at curbside PRIOR TO 6:00 p.m. the evening before your scheduled collection day. It is a violation of the Town Code.
- Place at the curb large amounts of remodeling or construction debris, cement, stones, or dirt.
- For amounts exceeding your collection service limits, you must make alternate disposal arrangements (either self-haul or hire a professional).
- Place any refuse, bulk, yard waste, or recycling out for collection IN FRONT OF ANYONE ELSE'S PROPERTY.

For more info visit: **www.HuntingtonNY.gov/CurbsideRules**

BIG CHANGES IN 2015 TO CURBSIDE COLLECTION PROGRAMS

SINGLE STREAM RECYCLING

Beginning January 2015, you can combine all of your recyclables into one container for collection. You no longer need to sort your paper and cardboard from your bottles, cans and plastics! It's "**All In One**" now!

See page 4 of this calendar for more details or visit
www.HuntingtonNY.gov/SingleStream

ELECTRONIC WASTE DISPOSAL BAN

Beginning January 2015, New York State law has prohibited disposing of certain electronics as waste. These items must be recycled. See page 7 of this calendar for more details or visit
www.HuntingtonNY.gov/E-waste

A MESSAGE FROM SUPERVISOR FRANK P. PETRONE

Dear Fellow Huntington Resident:

On behalf of myself and my colleagues on the Town Board, I am pleased to present our ***2015 Trash Pickup and Recycling Calendar***. This easy-to-follow guide contains detailed information about our trash collection and recycling programs. The calendar is designed to ensure that your refuse and recycling service is efficient, user-friendly, and convenient. By following this calendar and its simple rules, you are instrumental in the program's continued success.

Thanks to your cooperation and commitment, the Town of Huntington remains a leading municipality on Long Island with regard to recycling. For example, in 2014, our residents recycled an estimated 9,040 tons of paper and cardboard; 5,090 tons of commingled glass bottles, plastics and metal cans; over 169 tons of electronic waste; and composted over 17,100 tons of yard waste. The more we recycle, the greater the benefit to the environment.

There are some very big changes coming to our recycling programs in 2015 both of which I hope will lead to increases in our rate of recycling as well as making recycling at home easier for our residents. The first change is the statewide ban on electronics disposal. Beginning this year New York State law has made it illegal to throw out certain electronics as trash. These items must be recycled. The Town began an appointment based curbside electronics recycling program in 2013 in anticipation of the new law almost two years ahead of the state mandate. In order to participate, all you need do is call the Town's Refuse Department at 631-351-3239 to schedule an appointment. If you would like additional information on this program or other electronics recycling options please visit the Town's webpage at **www.HuntingtonNY.gov/E-waste**

The second recycling program that I would like to apprise you of is our new single stream curbside recycling program. Single stream recycling refers to placing all of your household's recyclables: paper, cardboard, bottles, cans and plastics in a single container for collection. We will no longer be collecting paper on one week and commingled bottles, cans and plastic on the alternating weeks. We are calling this program "**Huntington Recycles: All In One**." Placing all of your recycling in one container should make it easier for your household to recycle and has shown to increase the amount of recycling collected. Under the old system of recycling collection the Town picked up paper recyclables twenty-six times per year and commingled bottles, cans and plastics twenty-six times per year. Under "Huntington Recycles: All in One" there will be forty-eight collections of these combined recyclables in 2015. Please consult your calendar on weeks with holidays to see if recycling collection is scheduled. For more information on this program please visit the Town's webpage at **www.HuntingtonNY.gov/SingleStream**

For additional information on Town services, departments, programs, news highlights, and meeting times, please check the Town's web site at **www.HuntingtonNY.gov**. If you happen to misplace this calendar, you can always refer to the calendar on the web site; a downloadable version of this calendar is also available.

As always, we welcome your comments and suggestions. Please contact us on the web through "**Huntington @ Your Service**." Like the sign-up for Huntington Alert, you can access Huntington @ Your Service from the Town's website homepage. If you prefer to contact us by telephone, please call our Sanitation Hotline at 631-351-3186. This number is available 8:30 a.m. to 4:30 p.m., Monday through Friday.

We wish you and your family a healthy, happy, and prosperous New Year.

Councilman Mark Cuthbertson *(right) is pictured with a local family who turned out for the second meeting of the Crab Meadow Watershed Hydrology Study over the summer of 2014. This program stems from a grant that was spearheaded by Councilman Cuthbertson through the National Fish and Wildlife Foundation / Long Island Sound Futures Fund. The Town is working with GEI Consultants, Inc., who is currently overseeing this study.*

Councilwoman Susan Berland *attends a meeting with Huntington Lighthouse Preservation Society volunteers. The Huntington Lighthouse Preservation Society is dedicated to keeping the lighthouse open to the public for educational purposes and has recently begun a program to help teach environmental awareness and local history to Huntington students.*

Supervisor Frank Petrone *with some of the recycled e-waste collected from the Town's new curbside e-waste recycling program. The program allows residents to make an appointment to have their electronic recycling collected curbside at their homes. For more information, see page 7 in this calendar.*

Richard Podlesney

Councilman Eugene Cook *enjoys a welcome bit of laughter with local resident Richard Polesney while clearing snow on Westbrook Court in Greenlawn during the February 8, 2013 snow storm . "Yes, I thought bringing my own equipment could be of assistance to our Town residents," states Gene Cook.*

Councilwoman Tracey Edwards *with team members at the 1st annual Coral Park basketball tournament*

ALL IN ONE

RECYCLE LIKE YOU'VE NEVER RECYCLED BEFORE

Now you can put your mixed paper, cardboard, bottles, cans and plastics recycling out in the same container for recycling collection. It's "All In One" recycling!

Mixed Paper: Newspaper, magazines, mail (junk & personal), school papers, clean scrap paper, Pennysavers and other circulars, cereal & other grocery boxes (remove plastic liners or windows), detergent boxes and shoe boxes.

Cardboard: Shipping and other corrugated boxes. Any boxes that cannot easily fit in your dedicated recycling container may be flattened, tied and placed along side the recycling container.

Glass: Jars and bottles (rinsed). Lids and tops are recyclable but should be removed and placed loose in the recycling container.

Metal: Tin and aluminum cans (rinsed), disposable aluminum pans and aluminum foil.

Plastic: All plastic food, beverage, soap, shampoo, conditioner, detergent, bleach, and cleaner bottles with Δ1 through Δ7 accepted (please rinse before recycling)

For more information on acceptable and prohibited recyclables go to **www.HuntingtonNY.gov/SingleStream**

Place your "**All In One**" Recycling at the curb on days indicated by this calendar. Make sure the container is marked with a recycling sticker and has holes in the bottom for drainage. Use any rigid container that is 39 gallons or less in volume and weighs 50 lbs. or less when full. If one recycling container isn't enough to hold everything just add another.

Do not place recycling out in plastic bags. They will not be collected.

EXCLUDE: Plastic Bags, Plastic Toys, Ceramic Items, Flower Pot & Plant Containers, Plastic Wrap, Styrofoam, Light Bulbs, Mirrors, Plate Glass, Durable Cookware & Tupperware, Tissues, Paper Towels, Soiled Cardboard Food Boxes (such as pizza boxes), Soiled Paper, Milk and Juice Cartons.

ELECTRONIC WASTE

Pursuant to the state law beginning January 2015 electronic waste may NOT be placed at the curb as trash. One of the methods below must be used by residents to recycle their e-waste.

The NYS Electronic Equipment Recycling and Reuse Act requires manufacturers to provide free and convenient recycling of electronic waste to household consumers in the state. Electronic equipment covered by this law includes: Computers, Monitors, Keyboards, Scanners, Facsimile Machines, Printers, Televisions, Small Scale Servers, Mice and other peripherals. Manufacturers may use a variety of collection methods to recycle electronics, so any of the following collection methods are in full compliance with the law and available to the households of Huntington:

Retail Take Back Programs: Stores that sell electronics are required by the law to take back e-waste either through a drop off program or a mail in program. For additional information go to: **www.HuntingtonNY.gov/E-wasteTakeBack**

E-waste Drop-Off Site at The Town Of Huntington Recycling Center: The Town of Huntington has a no-cost drop-off site for e-waste at the Recycling Center located at 641 New York Avenue, Huntington, New York, 11743. It is available Tuesday through Saturday from 8:00 a.m. to 4:00 p.m. In addition to all equipment covered by the law, cell phones will be accepted for electronics recycling.

Small electric appliances (e.g.: vacuum cleaners, hair dryers, curling irons, toasters, toaster ovens, mixers, slow cookers, clothes irons, et al.) are NOT acceptable for recycling under this program. For additional information go to: **www.HuntingtonNY.gov/E-wasteDropOff**

Curbside E-waste Collection (by appointment only): Call the Town's Refuse Department at 351-3239 to schedule an appointment for curbside collection of electronics covered by the law. You should place the electronic waste at the curb the before 6:00 a.m. on your scheduled appointment date. For additional information go to: **www.HuntingtonNY.gov/E-wasteCurbside**

SAFELY DISPOSE OF HOUSEHOLD HAZARDOUS WASTE AT THE TOWN'S STOP* FACILITY

*Stop Throwing Out Pollutants!

Town residents can ensure the continued health and safety of our drinking water and the environment by bringing their hazardous household wastes to the Town's **STOP** Facility. The **STOP** Facility is located at the **Town Recycling Center:**

641 New York Avenue, Huntington
(¼ mile north of Big H Shopping Center)
Hours: Tuesday – Saturday 9:00 a.m.-3:00 p.m.

When bringing hazardous waste to the **STOP** Facility:

- Bring waste in its original container if possible. Secure items for transport.
- Bring a maximum of 5 gallons of hazardous waste per person per day.
- Do not leave waste in a hot, unventilated vehicle for long periods of time.
- Do not smoke near chemical products.

If you have any further questions or concerns, call 631-427-6377 or visit:
www.HuntingtonNY.gov/STOP

ITEMS ACCEPTED AT **STOP** FACILITY

Acids	Fertilizer	Paint Thinner
Aerosol Cans	Flammable Liquids	Photo Chemicals
Ammonia	Flares	Solvents
Antifreeze	Fluorescent Lamps	Spot Removers
Bleach	Household Batteries	Pool Chemicals
Bug & Rodent Killers	Kerosene	Thermometers
Car Batteries	Lacquer	Thermostats
Chemistry Sets	Mercury	Varnish
Degreasers	Oil Based Paint	Waste Oil
Disinfectants	Oven Cleaners	Weed Killers
Drain Cleaner	Paint Stripper	Wood Preservatives

ITEMS **NOT** ACCEPTED AT **STOP** FACILITY*

Ammunition	Fireworks	Regular Garbage
Biological Waste	Infectious Waste	Smoke Detectors
Explosives	Medical Waste	Syringes
Fire Extinguishers	Radioactive Materials	Unlabeled Materials

*Call the New York State Department of Environmental Conservation (NYS DEC) at 631-444-0375 for proper disposal info

SENIOR
CITIZEN
CENTER

INVASIVE PLANT SPECIES

Invasive plants are plants that are not native to an ecosystem. When introduced either by accident or on purpose they face little natural competition for resources and often take over, forcing out the native plants and upsetting the natural balance.

Councilwoman Susan A. Berland sponsored legislation that added Chapter 156A (Bamboo) to the Code of the Town of Huntington in an effort to preserve and protect private and public property from the damaging spread of certain running bamboo grasses, protect indigenous plant materials from the invasive spread of running bamboo and maintain the general welfare of residents of the Town of Huntington.

Other invasive species include climbing vines that threaten trees. Trees are dying from encroaching vines: English ivy, oriental bittersweet, climbing euonymus, honeysuckle, porcelain berry, kudzu and others. These species choke or obscure sunlight from leaves, slowly killing the trees.

The most effective control is to cut and remove invasive vines from around the base of supporting trees, while leaving the attached vines to die.

The best time for removing vines is early fall through late winter when affected trees are easily accessible.

For more information on controlling invasive plants, see our website at:
www.HuntingtonNY.gov/invasive-plants

SAVE YOUR TREES… REMOVE INVASIVE VINES!

BATTERY DISPOSAL

The **New York State Rechargeable Battery Recycling Act** (NYS ECL § 27-1805) bans any person to dispose of rechargeable batteries as solid waste AND requires businesses who sell rechargeable batteries to collect and recycle the batteries statewide at no cost to consumers.

Retailers must accept up to ten used rechargeable batteries per day from any person regardless of whether the person purchases replacement batteries. Retailers must also accept as many batteries as a consumer purchases from the retailer.

The following rechargeable batteries are covered by this law:

Nickel-cadmium	Sealed lead (SLA)
Lithium ion	Nickel metal hydride
Any dry cell battery capable of being recharged	Battery packs containing any of the above-mentioned batteries

Non-rechargeable batteries, such as 9V, A, AA, AAA, C, and D batteries can be disposed of in your household trash.

For more information visit:
www.HuntingtonNY.gov/BatteryRecycling

FIRE EXTINGUISHERS

Fire extinguishers can NOT be put in the trash. To dispose of full or empty fire extinguishers (at no charge), please bring them to:

Ken-Mar Fire Extinguisher Company
168 Larkfield Road, E. Northport, NY 11731 • 261-3506
Elite Action Fire
194 Depot Road, Huntington Station, NY • 673-9797

BULK COLLECTION

You may place up to FOUR bulk items on your SECOND garbage collection day of the week. A BULK ITEM is any object heavier than 50 lbs. or larger than 2 × 2 × 4 feet.

INCLUDE: Sofa, mattress, carpet,* rimless tire, railroad ties,* stockade fencing,* upholstered chairs, console televisions.

*These items must be cut in four-foot lengths, rolled, bundled, and tied.

For more information visit:
www.HuntingtonNY.gov/BulkTrash

Veterans Park Skate Park

GRASS RECYCLING

1. Allow your lawn to grow at least three inches high. When mowing, cut no more than one inch off the top. Mow only when the grass is dry.
2. Leave the grass clippings in place – DO NOT BAG THEM. The clippings decompose quickly, are a natural fertilizer, keep the lawn moist, and protect against disease.
3. Water your lawn in the early morning hours (between 6:00 and 10:00 a.m.) Water a maximum of three to four hours per week, less if it rains.
4. Don't over-fertilize. Grass clippings left in place actually fertilize your lawn. Fertilizer need be applied only three times a year – around Memorial Day, Labor Day, and Thanksgiving.
5. Keep your mower blade sharp and consider investing in a mulching blade for your current lawn mower. These blades cut and recut the grass more finely and greatly aid the decomposition process. When it comes time for a new mower, consider replacing it with a mulching or recycling mower.

For more information visit:
www.HuntingtonNY.gov/GrassRecycling

LANDFILL DROP-OFF

The SMITHTOWN LANDFILL is located at:
85 Old Northport Road, Kings Park
Tuesday – Saturday
7:00 a.m. – 11:45 a.m. and 1:00 p.m. – 3:30 p.m.
(open to Huntington Residents with ID)
Telephone: 631-269-6600

ITEMS ACCEPTED:
Construction and demolition debris, scrap metal, appliances, yard waste (excluding grass, and large stumps), bamboo, waste oil, porcelain toilets, basins and sink fixtures, and recyclables. Fees may apply.

ITEMS NOT ACCEPTED:
Household trash, furniture, mattresses, box springs, tires, carpets, padding, textile items, stumps weighing over 25 lbs., hypodermic needles and hazardous materials.

NOTE: Smithtown does not follow the same holiday schedule as Huntington. It is recommended that residents telephone 631-269-6600 to ensure the landfill is open before bringing items for disposal.

Dix Hills Park Pool

TOWN RECYCLING CENTER

The TOWN RECYCLING CENTER is located:
641 New York Avenue
Huntington, New York • 631-427-6377

ITEMS ACCEPTED:

Textiles, Styrofoam, antifreeze, automotive and marine batteries, motor oil, clean paper, plastic, newspaper, cardboard, glass, and cans.

Grass clippings are accepted for a fee of $2.00/bag.

TEXTILE RECYCLING REGULATIONS:

- The Recycling Center's CLOTHING DROP BOX will accept ONLY clean, dry items. Soiled, rotted, or moldy clothes will contaminate the entire load.
- Between 50 and 90 percent of all clothing dropped off will be reused as clothing in its original form. The remaining textiles will be made into wiping rags, batting, or roofing material.
- Textiles include clothes, hats, belts, sheets, quilts, handbags, blankets, bedspreads, curtains, towels, socks, and paired shoes.
- Huntington Residents are urged to recycle old clothing and other textiles either by using the charitable drop boxes or by bringing them to the Town Recycling Center.

BARBECUE PROPANE TANK RECYCLING:

- The Town Recycling Center will accept (at no charge) up to 25 lb. propane gas tanks for safe disposal.
- For safety reasons, these tanks must **NEVER** be disposed in normal trash.
- Tanks will be reconditioned and/or recycled for scrap metal.

For more information visit:
www.HuntingtonNY.gov/RecyclingCenter

COMPACT FLUORESCENT LIGHTS DISPOSAL

Compact Fluorescent Lights (CFLs) are energy efficient bulbs that use 75% less energy than traditional incandescent bulbs and last up to ten times longer. While they are good for reducing energy people should also be aware that CFLs contain very small amounts of mercury. If these bulbs are discarded in normal trash or curbside recycling containers after they burn out, they will break and release mercury into the environment.

CFL BULBS SHOULD BE RECYCLED AT THE TOWN'S RECYCLING CENTER AFTER THEY BURN OUT

OVERSIZED TRASH CANS PROHIBITED

Oversized Garbage Cans and/or Bungee Cords are illegal and poses a danger to carters.

It is a violation of the Town Code to place at curbside garbage receptacles that are either oversized or overweight. These cans and lids secured with bungee cords have been known to cause serious injuries to our sanitation collectors. Always use the correct-sized garbage can. For our residents' benefit, the actual Town Code Regulation pertaining to this is reprinted here:

Town Code Standards for Storage of Waste Prior to its Collection:

It shall be the responsibility of the owner, tenant, or occupant of a residential property to provide receptacles of sufficient capacity to contain the solid waste ordinarily generated of that property during ninety-six (96) consecutive hours. The receptacles shall be kept closed and maintained in good and sanitary condition by periodic cleaning, and, when filled, **each receptacle shall not exceed fifty (50) pounds in total weight or thirty-nine (39) gallons in volume.**

Thank you for your cooperation

Dix Hills Golf Course

YARD WASTE COLLECTION

- In accordance with the TOWN CODE, GRASS is not included in your curbside collection program.
- YARD WASTE will be collected only on scheduled weeks. Put out yard waste the night before its scheduled pickup.
- LEAVES should be placed in bags or uncovered cans.
- BRANCHES must be bundled and tied. All bundles must weigh 50 lbs. or less. Bundles can be no larger than 2 × 2 × 4 feet. No single branch can be more than 6 inches in diameter.

INCLUDE:

Leaves, bundled branches, brush, plant trimmings and prunings, tree limbs less than six inches in diameter.

EXCLUDE:

GRASS, stumps, sod, lumber, dirt, rocks, root balls, limbs exceeding six inches in diameter. Bagged grass clippings can be brought to the TOWN RECYCLING CENTER for a fee of $2.00 per bag (see page 17). Other material may be brought to the Smithtown Landfill (see page 15).

For more information visit:
www.HuntingtonNY.gov/YardWaste

YARD WASTE SCHEDULE

(Grass is NOT included)

If you live in Area #1 through #16 and have:

- Monday – Thursday trash pickup, your yard waste day is Friday
- Tuesday – Friday trash pickup, your yard waste day is Thursday

If you live in Area #17 and have:

- Monday – Thursday trash pickup and live **west of New York Avenue**, your yard waste day is Tuesday
- Monday – Thursday trash pickup and live **east of New York Avenue**, your yard waste day is Thursday
- Tuesday – Friday trash pickup and live **west of New York Avenue**, your yard waste day is Monday
- Tuesday – Friday trash pickup and live **east of New York Avenue and north of the LIRR tracks**, your yard waste day is Wednesday
- Tuesday – Friday trash pick up and live **east of New York Avenue and south of the LIRR tracks**, your yard waste day is Friday

If you live in Area #19 and have:

- Monday – Thursday trash pickup, your yard waste day is Thursday

NOTE: Due to the excessive volume of yard waste set out between November 1st and December 31st, your yard waste collection day will vary. You **will** receive a **minimum** of one collection per week during this time, **on any day** Monday through Saturday. Please be patient during this time.

South Huntington Public Library

APPLIANCE & METAL COLLECTION

You must call your carter to schedule a pick up of appliances. Do NOT place appliance at the curb until the evening before your scheduled pick-up day.

INCLUDE:

Washer, dryer, oven, refrigerator,* lawn mower, water heater, etc.

*State law requires refrigerator doors to be removed prior to disposal.

EXCLUDE:

Computers, monitors, televisions, and all other electronic devices.*

*Electronic waste items are not considered appliances. See page 7 for proper disposal information of e-waste items.

Small metal items and appliances such as toasters, electric fry pans, range hoods, tire rims, and silverware can be dropped off at the TOWN RECYCLING CENTER.

NOTE: Porcelain or ceramic fixtures must be taken to landfill drop-off. Call 631-269-6600 for information.

For more information visit:
www.HuntingtonNY.gov/ApplianceDisposal

PAINT DISPOSAL

ONLY DRIED LATEX PAINT MAY BE THROWN OUT WITH REGULAR GARBAGE. To dry paint, leave the lid off, use kitty litter, newspaper or purchase a paint hardener at your local home improvement store.

Disposing liquid paint in your garbage can result in damage to roadways and private property, and is a violation of Town Code.

Cans of **oil based paint**, stain or varnish contain harmful additives. These items must be taken to the Town of Huntington Recycling Center's STOP Facility for safe disposal (see page 9 for more information)

For more information visit:
www.HuntingtonNY.gov/PaintDisposal

DISPOSAL OF UNUSED MEDICINES & PRESCRIPTION PHARMACEUTICALS

Medicines play an important role in treating many conditions and diseases, but when they are no longer needed it's important to dispose of them properly to avoid harm to others. If you are concerned that your old medicine may pose a danger to another person use the Medicine Take Back Program.

Medicine Take-Back Programs

The Suffolk County Police Department has a take back program called OPERATION MEDICINE CABINET. Residents can drop off expired or unwanted drugs, keeping our seniors, kids, pets, and the environment safe.

- Needles and liquid medications will not be accepted
- See page 27 for proper needle disposal procedure
- Liquid medicines should be mixed with coffee grounds and disposed in regular garbage
- Place medications in a plastic bag prior to disposal
- Drug drop-off is completely anonymous and is available at each **Suffolk County Police Precinct** 24 hours a day, seven days a week*

*The most convenient location for Huntington residents is the **Second Precinct at 1071 Park Avenue, Huntington Station**

For more information about this program, contact the **Suffolk County Police Community Outreach Bureau** at 631-852-6109

OR

Disposal in Household Trash

Consumers can also follow these simple steps to dispose of all prescription medicines in their household trash:

- Mix medicines (do NOT crush tablets or capsules) with an unpalatable substance such as kitty litter or used coffee grounds;
- Place the mixture in a container such as a sealed plastic bag; and
- Throw the container in your household trash
- **Never flush medicine down the toilet.**

For more information visit:
www.HuntingtonNY.gov/MedicineDisposal

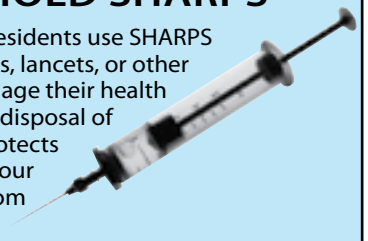
Huntington Village

PROPER DISPOSAL OF HOUSEHOLD SHARPS



Many community residents use SHARPS – hypodermic needles, lancets, or other instruments – to manage their health care at home. Proper disposal of these instruments protects family members and our sanitation workers from accidental injury.

NEVER DISPOSE OF LOOSE SHARPS IN NORMAL HOUSEHOLD TRASH

If you use household SHARPS to manage your diabetes or other medical conditions, please follow these procedures for proper disposal.

- Use a puncture-proof plastic container with a tight-fitting screw top. Plastic soda bottles and bleach/laundry detergent containers all work well.
- Do not use glass containers or coffee cans.
- Label the container clearly. Write "CONTAINS SHARPS" with a waterproof marker directly on the container, or on masking tape on the container.
- After using the syringe or lancet, immediately put it in the container. Screw on the top. Do not clip, bend or recap needles because you may injure yourself.
- Keep container away from children.
- When the container is full, screw on the top tightly. Seal with heavy duty tape.
- Place the sealed container with your regular refuse for safe disposal.

CONTAINERS WITH SHARPS INSIDE CANNOT BE RECYCLED!

For more information visit:
www.HuntingtonNY.gov/Sharps

REMODELING

Plumbing fixtures, cabinetry, hardware, lighting fixtures, tools or major appliances that are in good condition and can be reused, please contact HABITAT FOR HUMANITY RESTORE via email at:

ReStore1@optonline.net or visit their website at: **www.suffolkReStore.com** or call **631-767-1612** for information on donating these much needed items. Pick up service is available.

If you feel you are not getting the proper service from your carter, please check the following:

1. Did you place the correct material at curbside on the proper day?
2. Did you set the material out in the proper manner, i.e., is the material bagged and bundled properly in weights of less than 50 lbs. and shorter than 2 × 2 × 4 ft.?
3. Did you place the correct number of items allowed by Town Code at curbside?
4. Did you place the material at curbside before the truck passed by?

If you answered "no" to any of the above, please take steps comply with the collection regulations (see page 7) and the material will be picked up on the next appropriate collection day. If you answered yes to ALL of these questions, please call:
