The Residential Repair Program

The Residential Repair Program provides minor household repairs to seniors who reside in the Town of Huntington and are at least 60 years of age. The service is available to homeowners as well as renters whose living spaces need repairs not covered by their landlords (for example, no structural repairs). Priority is given to those seniors who are frail, low income, minority, and handicapped to help them live independently in their homes. Residents are responsible for paying for parts and supplies only. There is no charge for labor.

Minor Repairs & Services Include:

- Replacing window panes, door locks, fuses, window catches
- Minor plumbing repairs: sink drains, toilet flush mechanisms, faucet or washer replacement, toilet leaks
- Installing handrails, safety rails, grab bars
- Installing and removing window air conditioners, screens, storm windows
- Patching walls and ceilings
- Caulking windows and installing weather stripping around doors
- Minor repairs of furniture, installing shades and curtain rods, tacking down rugs
- Installing Smoke/Carbon Monoxide Detectors and changing batteries
- Electronic assistance (computer, answering machine, DVD player, etc.)
- Some minor repairs to house exteriors, including masonry

The Residential Repair Program is sponsored by the Town of Huntington with funding by Title IIIB under U.S. Government Older American Act through New York State Department of the Aging and administered through Suffolk County Office of the Aging.

Contributions

Contributions made to this program are voluntary and confidential. Any donation you wish to make will be used to expand the program and would be greatly appreciated. Services rendered are independent of any contributions.

No Tipping Permitted!
