90 & 100+ Party

Entertainment by DJ Bob

If you turn 90 this year, do we have a party for you!
We will celebrate your milestone birthday on
October 26. Our invitation list will also be extended to
include anyone 100 years of age or older
(Centenarian). Good food, music and wishes are all
part of the day's festivities. We look forward to
honoring you as you have now reached
the "Nonagenarian" classification
(which means the ripe young age of 90 years!)

By invitation ONLY!

Please call Suzanne Venezia at 351-3253 by September 30.
