A Message from the Supervisor & the Town Board

Supervisor Frank P. Petrone and Councilman Mark Cuthbertson, liaison to the Department of Parks and Recreation, at a pep rally celebrating the synthetic turf complex at Veterans Park in East Northport.

Fall 2016

Dear Fellow Huntington Resident:

Welcome back to the Town of Huntington's digital activities brochure!

You may remember that last spring, the Town ceased production and distribution of the printed version of our semi-annual activities brochures and instead transformed the information into an interactive on-line resource that provided timely information about upcoming programs and the ability to sign up for programs directly from the digital format.

We were thrilled with the positive response, and we hope you will continue to embrace and enjoy the digital format as you use this 2016 Parks and Recreation Interactive Fall Activities for Children and Adults Brochure.

This digital format allows you to get to any page with a click from the [Table of Contents](#). You can register directly on-line for the activity you are interested in by clicking on the orange activity button listed in the brochure. You are now able to see video or images of different activities before you decide which activity is best for you. And, as we did in the spring and summer, we will update this brochure throughout each season to reflect new programs and activity availability.

So be sure to bookmark the site www.tohparks.com to get back to this brochure. You can also get updates on programs and other information at the Parks and Recreation's new Facebook page, <https://www.facebook.com/tohparks>.

On behalf of my Town Board colleagues, I invite you to browse the brochure and make plans for you and your family to enroll in our programs.

As always, we welcome your comments and input. If you prefer to contact us by telephone, please call the Department of Parks and Recreation at 631-351-3089. This number is available from 8:30 a.m. to 4:30 p.m. Monday through Friday.

Best wishes for a healthy and enjoyable fall season.

Sincerely

Frank P. Petrone
