

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

With the limited resources available under the Community Development Block Grant Program, The Town's strategy identifies six areas for addressing the Town's goals and objectives.

1. Improve the condition of existing housing for owner-occupied households for low and moderate income families this is accomplished through our home rehabilitation program.
2. Increase the supply of affordable owner-occupied housing for low and moderate income families using the Town of Huntington affordable housing code this created 27 units at the Club in Melville. Town of Huntington Trust Affordable Trust Funds are also being used by the Huntington Community Development Agency to build 14 units of new affordable housing.
3. Increase the supply of affordable, renter-occupied housing for low and moderate income families with the Town's affordable housing code, 43 units at Avalon in Huntington Station
4. Facilitate the location of housing for the homeless and households with special needs the Huntington Community Development Agency provides two shelters.
5. Expand employment opportunities for low and moderate income families the Huntington Community Development Agency provides assistance in the Huntington Opportunity Resource Center and Business Incubator.
6. Increase public facilities to low and moderate income families, the Town, continues to provide street and sidewalk improvements, Manorfield resource center and the Senior Center.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual

outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

As identified in the tables above Community Development Block Grant Funds and Town of Huntington funds have worked to address the priorities and objectives identified in the Town's Consolidated and Action Plans. All CDBG goals for 2015 have been reached.

The Town has provided vast support for these programs using general funds due to the attrition of CDBG funding, in the future some of the goals that are not funded through CDBG will be attenuated.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG
White	5,470
Black or African American	889
Asian	159
American Indian or American Native	18
Native Hawaiian or Other Pacific Islander	3
Total	6,539
Hispanic	4,063
Not Hispanic	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The persons listed above were assisted with CDBG, Town of Huntington and not for profits funds. These organizations and funds are part of our insitutional structure that provides services to low and moderate income individuals/families and are included the Town's Consolidated and Action Plans.

The above chart includes John J. Flanagan Senior Center, the center is administered by the Town of Huntington. This center provided assistance to 1,374 individuals in fiscal year 2015 and over 200 meals a day and provided an additional 60 meals to homebound persons in the Town's wheels on meals program.

The Manor Field Family Center, which is run by the Family Service League, provided programs and services to a total of 4,830 unduplicated individuals in program year 2015. This center was constructed by Huntington Community Development Agency, is a home to a wide array of distinct, yet independent programs. The spectrum of services spans from early intervention to working with adults. Services provided during the reporting period include: parent education and support; crisis intervention and crisis counseling; referrals for food, clothing and other necessities; advocacy; family case management; youth services; a preschool for three and four year olds; work and vocational counseling; computer training; relocation services; enrichment programs and community programming.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG			1,229,149

Table 3 – Resources Made Available

Narrative

The Town of Huntington utilized CDBG funds for programs that provide assistance to low and moderate income families. A majority of the funds go to the towns townwide rehabilitation program that provides funds to assist low and moderate income families make needed repairs to their home so they can stay in their homes. The Town also allocates local funds for many other programs that support the community development initiatives.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description

Table 4 – Identify the geographic distribution and location of investments

Narrative

The Town has allocated funds to assist in the rehabilitation of Huntington Station a low and moderate income area that was never completely transformed during urban renewal efforts. Our CDBG program is designed to help low/moderate income people throughout the Town of Huntington.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The Community Block Grant Program does not have any leveraged requirements.

Town of Huntington funds and not-for-profits are leveraged to provide additional services to low and moderate income individuals/families throughout the Town of Huntington. The Town's senior center, sidewalk improvements and park improvements are all examples of increasing public facilities for this group. The Manor Field family center which is run by the Family Service League, provided programs and services to a total of 4,830 unduplicated individuals in program year 2015. The Town's Senior center provided 1,374 seniors with services and over 200 meals a day.

The Town working with Suffolk County are providing a multitude of of services to low and moderate income individuals out of the Agency's Huntington Opportunity Resource Center located in Huntington Station.

The Town of Huntington participates with Long Island Coalition for the Homeless in development of a continuum care strategy.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	8	45
Number of Non-Homeless households to be provided affordable housing units	10	38
Number of Special-Needs households to be provided affordable housing units	0	0
Total	18	83

Table 5- Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	43
Number of households supported through Rehab of Existing Units	10	20
Number of households supported through Acquisition of Existing Units	0	0
Total	10	63

Table 6 - Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

During fiscal year 2015 the Town's first year of the 5 year Consolidated Plan we have met or exceeded performance of our goals. The rehabilitation program completed working with 20 families in program year 2015, and will continue assisting low-moderate income families in 2016. The Town of Huntington affordable housing ordinance has produced 43 units of rental housing for low and moderate income families, without government subsidies. With the decrease in CDBG funding, we are finding it difficult to reach all the annual goals in one fiscal year.

Discuss how these outcomes will impact future annual action plans.

Even though the HCDA does not receive HOME funds, the Town has been successful in providing new affordable units to low and moderate income families. Due to the lack of governmental funding it is uncertain how much can be accomplished in providing much needed affordable housing.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Persons Served	CDBG Actual	HOME Actual
Extremely Low-income	5	0
Low-income	8	0
Moderate-income	50	0
Total	63	0

Table 7 – Number of Persons Served

Narrative Information

In the Town of Huntington 97% of CDBG funding is allocated to low and moderate income activities. The Town of Huntington with non-CDBG funds, partnerships with not-for profits and Suffolk County continue to provide services that enables self sufficiency in low and moderate income families.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The Town of Huntington does not receive Emergency Shelter Grants (ESG) Funding. However the Town does use general funds to assist those individuals and families in need through grants to not-for-profits.

The Town is a participant in Long Island Coalition for the Homeless a county wide collaboration between not-for-profit homeless service providers, community leaders, advocacy groups and legislators. The Long Island coalition for the homeless purpose is to prevent duplication of effort and better serve the most vulnerable homeless individuals, families and persons at risk of homelessness. The not-for-profits provide case workers to assist the homeless through their journey to self sufficiency.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Town of Huntington through the Community Development Agency continues to address emergency shelter and transitional housing needs of the homeless by owning two (2) shelters, and financial support of programs operated by not-for-profit agencies. The Agency Shelters are run by Haven House Bridges and the Family Service League also runs an additional shelter in the Town of Huntington. The Suffolk County Department of Social Services provides assistance to the providers and services to the residents of the shelters.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The requirements of helping low income individuals and families avoid becoming homeless. Again the Town of Huntington uses general funds to assist the town meals on wheel program, the Community Development Agency home rehabilitation program to rehabilitate homes, Huntington Housing Authority section 8 vouchers and certificates when available, Huntington Hospital runs a wellness care program available to those in need with little and no cost. The Town of Huntington Youth program guides youth through Drug and Alcohol programs, Project Excel assists with tutoring, GED classes, interviewing skills workshop, planning for the future, and Sanctuary Project provides counseling, crises intervention and short term emergency housing. The Agency's Huntington Opportunity Resource Center provides assistance with the Suffolk County Department of Labor with job interviews and job skill training.

The Town also works with Suffolk County Department of Social Services and a myriad of not-for-profit

organizations to reach out and assist families and individuals with the services that will provide the assistance needed to avoid becoming homeless.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The plan to end chronic homelessness has been developed by Suffolk County as lead agency. The Suffolk County Department of Social Services directly and through not-for-profit providers provide a full range of services. These services include: counseling programs to meet the emotional /social needs of the clients including such things as basic family life management skills; psychological services; day care centers for emotionally disturbed adults; programs of recreation, social, health, counseling and vocational activities provision and transport of food; housing referrals and resolving school registration problems for homeless children. These programs are designed to help families and individuals to become self sufficient.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

In an effort to further our mission to create and maintain access to decent and affordable housing, the Huntington Housing Authority has issued Housing Choice Vouchers each month to applicants on the waiting list. In addition, the Board of Commissioners are actively seeking to acquire land to develop affordable housing within the Town of Huntington.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Huntington Housing Authority has canvassed the participants and residents for participation as a resident member, on the Board of Commissioners. In addition the authority holds special meetings to address specific management issues and routinely provide residents with written communication to encourage engagement in the operations. Moreover, the Housing Authority broadened the scope of the Family Self Sufficiency Program to include homeownership as a targeted goal and program feature.

Actions taken to provide assistance to troubled PHAs

The HHA has been rated high performer in both the Public Housing and the Housing Choice Voucher Program areas. Therefore, the agency does not require technical assistance to administer their programs.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Government regulation, while a necessary and inevitable, in the Town of Huntington, through affordable housing town policy, the Town of Huntington Planning Board has the ability to spur the creation of affordable housing units in an applicant-initiated zone change resulting in the lot yield or density. In exchange for this public benefit, per Town Code, the developer is obligated to provide affordable units and contribute to the Town of Huntington Affordable Housing Trust Fund. The increased density enables developers to produce affordable housing without the need for direct financial government subsidy. In the Town of Huntington there are no excessive, exclusionary, discriminatory or duplicative aspects of these policies, rules and regulations that constitute barriers to affordability.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

Identified was the high cost of housing/land in the Town of Huntington. Circumstances causes the high cost of housing/ land include: high land and construction cost, lack of undeveloped land, high property taxes, and high homeownership and rental cost. These concerns continue to contribute to the high cost of housing /land in the Town of Huntington.

Actions to Overcome Concerns:

Continue to work to increase the supply of units throughout the Town, by working with developers to construct affordable housing under the Town's affordable housing ordinance; Continue the Town's down payment assistance program for first time home buyers; Increase efforts to provide affordable housing units, on publicly owned land that becomes available or surplus.

Absence of available sewage plants only 9% of the Town of Huntington is connected to sewer plants resulting in low density Housing.

Actions to Overcome Concerns:

Continue to seek funding sources to increase capacity at the sewage plant in the Town of Huntington. In the southern end of town continue to encourage hook ups to the extensive sewage network serving the south shore of Long Island.

Community resistance also know as "NIMBYism". According to the fair housing guide this is where persons being served are families either children, persons with disabilities, homeless persons, or lower-

income minorities.

Actions to Overcome Concerns:

Continue to work to increase the supply of affordable units, by encouraging the use of the Town's affordable housing ordinance. Continue the Town's and the Suffolk County's downpayment assistance program for first time homebuyers; Continue working with fair housing advocates, such as the Long Island Housing Partnership and Long Island Housing Services.

Predatory lenders, home improvement scams, and fraudulent house selling schemes can target properties in minority neighborhoods, people with low income and problematic credit histories, people of color, people with limited English language proficiency, as well as elderly and disabled homeowners. Combating these practices is extremely difficult, as they often involve multiple real estate operators, mortgage brokers, appraisers, and lenders, making the gathering of evidence extremely complex. The fact that housing that is produced by Community Development Agency and not-for-profits partners have experience minimal foreclosures argues in the favor of their policies to totally avoid sub-prime and adjustable rate mortgages, and should be followed in the private lending sector.

Actions to Overcome Concern:

Continue to work with fair housing advocates; Expanded efforts to make individuals and housing organizations aware of local HUD approved housing counseling/financial education; Community Development Agency to continue to offer persons of low and moderate income the financial services to rehabilitate their homes.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Please see above, This should be lead base paint....

Lead base paint abatement is a component of the Town's rehabilitation program. All clients are asked to read the pamphlet renovate right " important lead hazard information for families, child care providers" to learn about the hazards of lead base paint. The clients are also to fill out and return paperwork stating they have been given a copy/read the dangers of lead base paint. Every home selected for rehabilitation is tested if not statutory exempt. All lead base paint is eliminated or encapsulated remedies are implemented if lead is detected. All contractors must have been trained in lead base paint procedures through the EPA to be eligible to work on towns rehabilitation program.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

All programs administered through the Huntington Community Development Agency aim to provide housing, community development and public services to benefit eligible residents, including poverty-level families, so they can increase their opportunities for self-sufficiency. The Town of Huntington works with Huntington Housing Authority, Suffolk County Department of Social Services and local not-

for-profits like Family Service League, Haven House Bridges to address the needs of poverty-level families.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The development of an Consolidated Plan, Annual Action Plan and the CAPER provides for the development of an Institutional structure. Each program administered needs support from other Town Departments, Suffolk County Departments and not-for -profits to be successful. The Town of Huntington plans for the future with many services to residents from home rehabilitation, drug and alcohol interventions, homeless shelters, public housing, meals on wheels, public transportation, protection of the environment, expanding sewer services, provide affordable housing through new development and economic development. Many of these initiatives are non-CDBG funded, however rely on the institutional structure to fulfill the CDBG goals stated in the Consolidated Plan and shown in the CAPER.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The coordination between the Town Agencies, Town of Huntington Departments, Town of Huntington Housing Authority, not for profit housing providers, not for profit service providers and Suffolk County Department of Social Services and Department of Labor are critical to the delivery of needed products and services.

The strong partnerships are providing dynamic proactive leadership that enhances the lives of low and moderate income persons/families in the Town of Huntington.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The high cost of living, prices of homes, taxes are large impediments in the Town. The Town will continue to increase supply of affordable units through-out the town by working with developers to construct affordable housing units under the towns affordable housing ordinance.

The lack of sewers is causing concerns with drinking water in the Town of Huntington, the Town will continue to seek funding to increase capacity at existing plants, and to grow the service area of the sewer systems.

The Town of Huntington will continue to work with fair housing advocates to provide assistance to outreach and educate all on fair housing issues.

The Huntington Opportunity Resource Center (HORC) will provide low and moderate persons/families to find economic opportunities assistance to help them in employment to become self sufficient.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Community Development staff monitors the performance of Consolidated Plan and activities to assure that time schedules are being met, activities are being accomplished and other performance goals are being achieved. Also the staff conducts on-site monitoring visits when applicable. The Agency also reviews every project for compliance with Federal and New York State Labor Standards.

Public Service sub-grantees submit quarterly progress reports documenting clients served, expenses, and achievement of specific goals and objectives. The Agency conducts on-site visits to review program files, and observe the operation and management of the projects. The Agency assists its sub-recipients to correct any deficiencies noted in the implementation of a project so as to ensure not only compliance but also the realization of the program goals.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Copies of the FY 2015 Consolidated Annual Performance and Evaluation Report were made available to the public and interested parties beginning May 31 for a fifteen-day period. Copies were available for public review at the Agencies website and in the public Libraries.

In addition, a "Public Notice" advertisement in the local newspapers on Thursday, June 2, 2016. A public hearing was held on June 7, 2016. Any comments received before June 26, 2016 will be reviewed and answered. No comments were received.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction’s program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The Town of Huntington had a successful year implementing the CDBG program during fiscal year 2015. Even though CDBG funds have significantly decreased during the current Consolidated Plan period, the Town and its partners have continued to provide their much-needed services to low and moderate income residents. All proposed rehabilitations activities are complete or underway.

The Town of Huntington will continue to implement the strategies outlined in the 2015-2019 Consolidated Plan.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

NOTARY PUBLIC, State of New York
No. 4983574
Qualified in Suffolk County
Commission Expires July 1, 2019

Part II: Contracts Awarded

1. Construction Contracts:

A. Total dollar amount of all contracts awarded on the project	\$ 0.00
B. Total dollar amount of contracts awarded to Section 3 businesses	\$ 0.00
C. Percentage of the total dollar amount that was awarded to Section 3 businesses	%
D. Total number of Section 3 businesses receiving contracts	

2. Non-Construction Contracts:

A. Total dollar amount of all non-construction contracts awarded on the project/activity	\$ 0.00
B. Total dollar amount of non-construction contracts awarded to Section 3 businesses	\$ 0.00
C. Percentage of the total dollar amount that was awarded to Section 3 businesses	%
D. Total number of Section 3 businesses receiving non-construction contracts	

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

- Attempted to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contacts with community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located, or similar methods.
- Participated in a HUD program or other program which promotes the training or employment of Section 3 residents.
- Participated in a HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns.
- Coordinated with Youthbuild Programs administered in the metropolitan area in which the Section 3 covered project is located.
- Other; describe below.

See Next Page.

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information and you are not required to complete this form, unless it displays a currently valid OMB control number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensure that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as a self-monitoring tool. The data is entered into a data base and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Privacy Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

Appendix to Part 135 – Responses

The Town of Huntington Community Development Agency through the Huntington Opportunity Resource Center (HORC) is providing the following services to section 3 residents.

The Huntington Opportunity Resource Center entered into a partnership with the SC Dept. of Labor, Opportunities Long Island and United Way's YouthBuild to recruit members of the Huntington Station community to enter into a 10-week pre-apprentice construction and building trades program. This program is a sedge way into the Construction and Building Trades locals through the LI Federation of Labor. In the class of 2015, Huntington had five available slots for the program. From that program, four attendees from Huntington graduated; three went into the union as apprentices and one went into private industry. In the class of 2016, Huntington had 9 Huntington residents successfully complete the program. To date, seven of the nine are working in the union.

In 2015, the HORC staff was able to distribute flyers to the residents of Whitman Village and Gateway Gardens respectfully with the help of area residents. Flyers distributed were for employment opportunities, job fairs held at the Resource Center and upcoming seminars/workshops. This year 2016, we distributed flyers, employment opportunities to each of the respective housing developments: Whitman Village and the Huntington Housing Authority through email. Some clients that live in those developments are clients of the Resource Center that live in Whitman Village, Gateway Gardens, Eagle Rock Apartments & Millennium Hills.

The Huntington Opportunity Resource Center is designed to assists area residents with job application processing on-site as well as employment searches via the internet, SC Department Labor technician and employment books. We also advertise at the Resource Center the assistance of the SC Department of Labor's One-Stop Center where job seekers can also go for assistance in the interviewing process. In May 2016, in partnership with St. Joseph's College, the Resource Center offers training for job preparation and career counseling that encompasses the use of interviewing techniques.

The Huntington Opportunity Resource Center in partnership with the SC Department of Labor, hosted two job fairs/on-site recruitments in 2015 at the Resource Center, where area residents interested in the Manufacturing and Healthcare industries could apply directly to those companies within those industries.

The Huntington Opportunity Resource Center forged a partnership with the United Way's YouthBuild program back in 2015 to address the needs of youth ages 18 to 24 years of age. This allowed the Resource Center to hold several recruitments on-site for area youth with a particular focus on residents in the targeted group that live in the housing developments governed by HUD. This program gives an opportunity to the youth for further their interests in

obtaining a TASC (formerly known as a GED) diploma and pathways to vocational training while seeking the value of community stewardship.

The Town of Huntington Town Board, The Huntington Community Development Agency and its Station Program Centers and Suffolk County government formed a partnership to assist Huntington Station area residents and all other residents within the Town of Huntington; an opportunity to gain employment through local opportunities and those both in Suffolk and Nassau counties, pathways to vocational training based on industry needs as deemed by New York State and Suffolk County government and on-site vocational training newly introduced this year. Other training opportunities were forged based on specific needs of the community and industry. The Huntington Opportunity Resource Center was able to inform residents of the opportunities afforded by the Long Island Federation of Labor, Long Island Educational Opportunity Center and others of cost free vocational training that would lead to career in the Building & Construction trades and the Allied Health fields.

The Huntington Opportunity Resource Center keeps an extensive database of clients which enables us to track current skill sets, vocational training desired and other pertinent information. If an employer asked for assistance in filling positions, we have the ability to search for that connection and pair the employer with the client.

PART I: SUMMARY OF CDBG RESOURCES		
01 UNEXPENDED CDBG FUNDS AT END OF PREVIOUS PROGRAM YEAR		463,062.11
02 ENTITLEMENT GRANT		729,255.00
03 SURPLUS URBAN RENEWAL		0.00
