

TOWN OF HUNTINGTON

LONG ISLAND, NEW YORK

Department of Parks and Recreation

Summer 2020

Dear Parent or Guardian:

Welcome to the Town of Huntington's Camp Seahawk, which will be held at Cold Spring Harbor High School. The camp program will include arts & crafts, dance, a variety of sports, reading, special events, games and the use of computers.

It should be noted that the camp medical/emergency form is due at least one month prior to the start of camp. Please remember that No Medical/Accident Insurance is available through the Town of Huntington. Late forms could result in your child's removal from the camp. You physician must complete the medical form. If your child will be accompanied by a paraprofessional ("shadow"), call the Parks and Recreation Department immediately for specific instructions. All requests regarding shadows must be made no later than May 14, 2020.

Requests to place children together must be made at the time of registration. When you register in person or online you will have to answer the question about placing children together. You will have to enter the other child's name, age and grade. Children must be the same age or grade. You can only request to be placed with one (1) other child. Failure to meet these guidelines will result in the denial of your request. Sometimes legitimate requests are denied because too many children requested to be placed in the same group. The decision of the camp director is final.

All children should arrive at 8:15 AM at the front entrance of the school. Parents must park their car in the parking lot and escort their child to the camp entrance. Every camper should wear shorts or pants and sneakers, and bring the appropriate sunscreen. Children should not wear sandals or flip-flops.

Children should bring a lunch of non-perishable foods, water bottle, and a beverage because there is no refrigerator available. Campers are to be picked up promptly at 2 PM. A child will not be dismissed to anyone other than a parent unless it is noted on the emergency form. If you are in a carpool, please send a note the first day indicating with whom you are carpooling. Please be prompt in dropping off and picking up your child. On the first day of camp, you will be given the camp phone number if you must reach the Camp Director.

This camp is required to have a permit issued by the New York State Health Department. The Suffolk County Health Department inspects the camp twice a year. Do not provide your child with aerosol cans of sunscreen or insect repellent as this is a violation and public health hazard. The inspection reports are filed with the County Health Department at 360 Yaphank Avenue, Suite 2A, Yaphank, NY 11980.

We look forward to a wonderful camp experience for you and your child. If you have any questions or comments, please do not hesitate to contact our office at 351-3089.

Sincerely,

William Musto
Deputy Director of Parks & Recreation
