Pursuant to New York General Municipal Law §103(16), the contract awarded hereby shall be made available to other New York State governmental entities and, therefore, any New York State officer, board or agency of a political subdivision or of any district therein authorized to make purchases of apparatus, materials, equipment or supplies, or to contract for services related to the installation, maintenance, or repair of apparatus, materials, equipment or supplies, may make such purchases, or may contract for such services through the use of this contract. Said entities using this contract shall be wholly responsible for the determination that the contract meets their requirements and for the issuance of said contract and shall be solely responsible for the payment of any and all debts and claims that arise thereunder.
