AND SPECIAL INSTRUCTIONS TO BIDDERS**

All bid proposals are subject to the following terms and conditions unless modified in writing at the time of bid submission. Upon acceptance of a bid by the Town the terms of the bid shall apply to all orders issued as a result of such acceptance. Each bid received shall be considered an offer to the Town and upon acceptance shall constitute a lawful contract between the bidder and the Town.

Proposals properly completed and executed on the forms provided by the Town for that purpose may be delivered in person by the bidder or his agent or may be mailed to the office of the Director of Purchasing. The Director of Purchasing or his designee must receive all bid proposals, *without exception*, at or before the time specified for the bid proposal being opened and read aloud in the Notice to Bidders.

The bidder assumes all risk of any delay, for any reason, for the delivery of their bid proposal if it is mailed utilizing the U.S. Postal service or any other mail carrier or if by personal delivery.

1. BIDDING

(a) **PRICING** - Bidders shall insert unit price and extension for each item.

(b) **DISCOUNTS** - cash discounts will not be a factor in determining awards unless otherwise indicated by the Town. Trade discounts will be a factor in determining the award.

(c) **F.O.B. DELIVERY POINT** - All prices bid must be on the basis F.O.B. delivery point, unloaded inside and assembled unless otherwise indicated in the proposal. A bid on any other basis than that indicated in the proposal may not be considered.

If bidder fails to name a substitute, he will be required to furnish the named bid standard.

(e) **QUANTITIES and MINIMUMS** - If any quantities are indicated, they are merely estimates based on experience or computation. The Town will neither be compelled to order any quantities of any item nor will it be limited by the quantity indicated for any item. The quantity to be ordered will be such as may actually be required, as determined by the ordering department and therefore; **in the best interests of the Town, no award will be made to any bidder for any item contained in this bid if the bidder imposes a minimum order quantity or minimum dollar amount as part of their response to any part of this bid.** The Town of Huntington is not responsible for estimating quantiles for any agencies other than the municipality of the Town of Huntington.

2 - SAMPLES

Samples or drawings required shall be delivered free of charge as requested. Samples shall be removed by the bidder at his expense. The Town will not be responsible for any samples which are destroyed or mutilated in examination. If samples are not removed within thirty (30) days after written notice to the Vendor, they shall be considered as abandoned and the Town shall have the right to dispose of them as its own property.

3 - AWARD WILL BE MADE BY ITEM OR CLASS

When Class bids are indicated, bidder must bid on each item in the class. A Bidder desiring to bid "no charge" on an item in a class must so indicate; otherwise bid for that class will be construed as incomplete. Items may be combined and awarded as a group if there is a saving in ultimate cost by the reduction of the number of orders issued.

4 - DELIVERY

(a) **INSPECTIONS** - Shall be made at the point of delivery unless otherwise specified. Any food, drug or other commodity which is found to be unwholesome or otherwise unfit for human consumption or use shall not be removed by the Vendor until it is examined by the Department of Health. (f) **SUPPLIES** shall be securely and properly packed for shipment, according to accepted commercial practice.

(g) **THE CONTRACTOR** shall be responsible for delivery of supplies, equipment or materials in good condition to point of destination. Materials, equipment and/or supplies delivered to and agency shall be the property and sole responsibility of the Contractor or Vendor until such time as the Town accepts the same.

(h) **BILLINGS** for deliveries must be rendered on Town Claim vouchers with appropriate invoices and billing documents attached.

5 - DELAYS, NO-DELIVERY, REJECTIONS

(a) **VENDOR'S FAULT** - If the Vendor fails to make delivery with the time specified or if the delivery is rejected, the Director of Purchasing may obtain such commodities or any part thereof from other sources in the open market or on contract. Should the new price be greater than the order price, the difference, plus the reletting cost and the liquidated damages, if any will be charged against the Vendor. Should the new price be less, the Vendor shall have no claim to the difference, but the reletting cost and the liquidated damages will become charges against the Vendor.

(b) **REJECTED MERCHANDISE** - The Town may withhold acceptance of or reject any goods, which are found, upon examination, not to meet the specified requirements. Upon written notification of rejection, goods shall be immediately removed by the Vendor.

Rejected goods left longer than thirty (30) days will be regarded as abandoned and the Town shall have the right to dispose of them as its own property. On foodstuffs and drugs, no written notice of rejection need be given; upon verbal notice to do so, the Vendor shall immediately remove and replace rejected merchandise.

6 - AWARD

(a) The Director of Purchasing reserves the right to make awards within forty-five (45) days after the date of the bid opening, during which period bids shall not be withdrawn. This period may be extended, for the benefit of the Town by mutual agreement between the bidder and the Director of Purchasing.

(b) The placing of an order by the Director of Purchasing with the bidder for material described in the Request of Bid shall constitute a legal and binding contract.

(c) Any contract created shall be deemed executory only to the extent of the monies appropriated and available for the purpose of the contract. No liability on account thereof shall be incurred by the Town beyond the amount of such monies. It is understood that neither this contract nor any representations by any public employee or officer creates any legal or moral obligation to request, appropriate or make available monies for the purpose of this contract.

7 - PERFORMANCE BONDS

If the specifications require the posting of a performance bond, then within one week after awarding of the contract a performance bond of 100% of the amount of the award, unless an alternate amount is otherwise specified, shall be posted as security for faithful performance, with the understanding that the whole or any part thereof may be used by the Town of Huntington to supply any deficiency that may arise from any default on the part of the bidder. Such Bond must meet all the requirements of the Bid Specifications and the Town Attorney.

8 - GUARANTEES BY BIDDER

Bidder hereby guarantees:

(a) To save the Town, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or non-copyrighted composition secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee and to defend any action brought against the Town in the name of the Town and under the direction of the Town Attorney at the sole cost of the Bidder or in the sole option of the Director of Purchasing to pay the cost of such defense to the Town.

the Claims Made format are not acceptable. The limits of liability insurance shall be **\$2,000,000.00** for any one person and **\$2,000,000.00** for any one occurrence for bodily injury. Automobile Liability insurance with the same limits shall be maintained by the Contractor on all automotive equipment used in connection with the contract.

Certificates of Insurance reflecting the above coverage shall be provided to the Town prior to commencement of any work by the Contractor. These certificates shall be in the name of the Town and shall further name the Town of Huntington as Additional Insured.

The Contractor/Vendor shall be solely responsible for providing the Town of Huntington with thirty (30) days prior written notice of any cancellation, non-renewal or material change of action with regard to the required insurance coverage. Failure to notify the Town of a change in policy coverage is valid grounds for the Town to void the agreement.

The Contractor/Vendor is required to present the Town of Huntington with an updated insurance certificate as part of its invoice backup for payment processing. Failure to do so will result in non-payment and the Town may choose to void the agreement.

(h) That all deliveries will not be inferior to the accepted bid sample.
