EDMUND J. SMYTH
Supervisor

September 13, 2022

Dear Fellow Town Board Members:

As Supervisor and Chief Financial Officer of the Town of Huntington, I am pleased to present my first Tentative Operating and Capital Budget for the Town of Huntington for 2023. I wish to thank the Town Comptroller's Office, members of my staff, and all Town Department Directors and their Deputies for their input and guidance throughout this step in the budget process.

Pursuant to New York State Town Law Section 106, I present this Tentative Budget for your consideration. I have taken a conservative approach to expenditure allocations using previous actuals as a baseline for these costs. Particular focus was given to employee salaries, overtime and benefits. In addition, fuel, energy and other utility costs, contractual expenses and debt service payments were analyzed. I have incorporated realistic revenue budgeting and have not relied upon one shot revenues as a means of balancing the 2023 Tentative Budget. We continue to provide current levels of service despite a contractual collective bargaining salary increase for all union employees.

As in prior years, the Town must comply with the New York State Tax Cap Act. This Act limits a local government's overall growth in the property tax levy to 2.00% over the prior year's levy, or to the rate of inflation, whichever is less. The 2023 Tentative Budget falls within the State mandated tax cap for 2023. The 2023 allowable levy growth factor is 2.00% with a tax base growth factor of .22% and an available carryover which allows us a proposed increase of 2.56% over the 2022 tax levy.

Since assuming office in January 2022, I have made a deliberate focus to increase overall governmental transparency. I have also been driven to operate in a collaborative and bipartisan fashion to deliver a more comprehensive and unified government. We will continue to maintain the live streaming of events as it brings our various proceedings directly to the residents, which is a vital amenity, especially during the recent pandemic. Updating the Town website and increasing communication with residents is an ongoing effort. Just this summer we launched a monthly electronic newsletter in collaboration with every Town Elected Official and Town Department to provide critical and timely information for residents and increase government transparency. We've also increased our presence on social media and are working to improve

programming on our government access television channel. The Town of Huntington is and will remain a model for an open and participatory government.

Moody's Investors Services reaffirmed the Town's AAA bond rating for the second consecutive post-pandemic year, an impressive fiscal milestone that allowed the Town to save taxpayers \$177,808 in 2022 by refinancing \$3,446,680 in outstanding bonds. For the 23rd consecutive year, the Town has received a Certificate of Achievement from the national organization representing government finance professionals for transparency in financial reporting practices, the highest form of recognition in the area of governmental accounting and financial reporting, representing a significant accomplishment by a government and its management.

In 2023 my administration plans on maintaining the Town's strong financial position by encouraging new economic investment throughout the Town. In 2022 we introduced the first Office of Film and Television as a new revenue source designed to promote the Town as an ideal destination for on-location and in-studio production for the television, motion picture and streaming industries. The Office of Film & Television will highlight the economic advantages and other benefits of producing entertainment within the Town, including a wide diversity of location environment options, cost-savings, incentives, local services, and capabilities.

Streamlining government processes and finding innovative ways to take the burden off the taxpayer will remain a priority. We have made significant progress on modernizing the Building Department, with newly appointed department leadership initiating operational changes to eliminate redundancies and cut red tape while investing in automation software to further simplify and streamline operations. We are finding cost-savings by making improvements in-house, refurbishing equipment, vehicles, and floating docks to extend their lifespan, cutting red tape and finding creative ways to take the burden off the taxpayer, including inter-departmental sharing and collaboration, and expanding the use of shared services.

My administration continued the ongoing revitalization of Huntington Station, including the grand opening of the Manor Field Spray Park; investment in the renovation of Alfred J. Walker Memorial Park; the sale of Veterans affordable housing condos at Columbia Terrace; renovating the South Parking Lot at the Huntington LIRR Train Station and investing in video surveillance for the commuter parking garages to improve public safety. We will continue our commitment to improving the quality of life and supporting beautification efforts town-wide.

We continue to make ongoing upgrades to our roads, parks, sewers, waterfront and other infrastructure to improve traffic safety, water quality, and quality of life. We have invested another record \$5.8 million for road improvements. Our Highway Department has been paving roads that haven't been paved in decades. As we continue to commit to quality roadways, we will be looking into our own milling equipment to save money on outside contractor costs. Highway has also begun refurbishing trucks and equipment to extend their lifespan.

By implementing energy efficient and environmentally smart programs, we will work to reduce the Town's carbon footprint resulting in energy cost savings. The Town accepted the Crab Meadow Watershed Hydrology Study and Stewardship Plan, approved new shellfish reseeding partnerships, and invested in sewer infrastructure upgrades to enhance local water quality. We are also continuing a focus on recycling initiatives as part of a plan to address the solid waste disposal crisis. By taking steps like these the Town once again achieved recognition as a leader in climate action and mitigation, earning Bronze certification status as a New York State Climate Smart Community (CSC), based on 33 actions in 9 categories for a total of 212 points. Maintaining the Town's leadership role in climate-smart initiatives increases the Town's energy efficiency and decrease its carbon footprint in the Town's quest to achieve Silver certification status.

In December 2021, the Town made an historic investment in sewer infrastructure in Huntington Station and Melville in partnership with Suffolk County. This will be a game changer for economic investment along

Route 110. We appropriated \$22 million in Federal American Rescue Plan funds to the Huntington Station Sewer Hub Project which was matched by Suffolk County's \$22M in ARPA funds.

In 2022 we launched an initiative to increase ridership on the Town's HART Bus fixed route system to get more "Cheeks in the Seats". By increasing ridership, we will be promoting sustainable transportation and reduces traffic congestion. This initiative will continue in 2023 with a full community information and marketing campaign to engage riders of all ages.

The quality of life of Town residents will always be a priority for this administration. Many initiatives and improvements have been done in-house, saving taxpayer dollars. Many other improvements have been enacted with the express input of our residents including: investing in open space, shutting down rampant apartment building development, and rescinding the Glamping code for the overnight use of campgrounds. We are also in the process of doubling our inventory of pickleball courts across the Town. Previously, the Town had 1 court at Centerport Beach; 2 at Elwood Park; 2 at Gardiner Farm Park; 3 at Sweet Hollow Park; and 2 at Whitman Park. The Town recently built 3 new pickleball courts at Veterans Park, added striping for 2 at Manor Field Park; and the recently completed construction of 4 new courts at Terry Farrell Park – all with resident input.

The Town of Huntington is moving in the right direction. With the continued collaboration and cooperation between the Town and the community, each department and staff member, every agency and civic group, the Town will continue to endure.

As always, my staff has been advised to make themselves available to you for review of the various expenditures and revenue figures contained herein. Further, I would be more than happy to meet with you to discuss any questions and input you may have. I look forward to working with you toward the successful adoption of the annual Operating and Capital Budgets for the Town of Huntington for 2023.

Please stay safe and healthy.

Very truly yours,

EDMUND J. SMYTH
Supervisor

Introduction

Town of Huntington Budget Guide

Town Organization and Services

The Town of Huntington was established in 1653 is governed by Town Law, other general laws of the State of New York and various local laws and ordinances. The Town Supervisor is a member of the Town Board and serves as the Chief Executive Officer/Chief Financial Officer. The Town Board is the policy-making body of the Town.

The Town provides the following services to its residents: general and administrative, public safety, citizen and community services, transportation and parking, culture and recreation, utilities, planning an community development and other operations such as refuse disposal and recycling. The 2023 Budget provides the funding for all such services.

Budget Guide

This budget document describes how the Town will achieve its goals, objectives and meet the community's needs. The intent of this budget document is to present the Town of Huntington's budget in a comprehensive and easy to read format.

This Budget Document is organized in the following major sections:

1. Budget Message

The Budget Message, a letter from the Town Supervisor to the Town Board provides an overview of the upcoming fiscal year budget and financial plan

2. Introduction

Includes general information about the Town, its funds, its organization, elected and appointed officials, the mission, vision, goals and objectives and the budget process outline.

3. Budget Overview

This section includes an Executive Budget Summary that summarizes the budget highlights.

4. Financial Summaries

This section provides a summary of revenue, expenditures and fund balance information for the Town, information provided in both numerical and narrative formats, the Town's fund structure, budgeted positions by fund and organization and departmental summaries.

5. Fund Budgets

This section includes a summary of the fund, budgets for each fund presented in both numerical and graphical formats and a budget for each department containing Actual Expenses for fiscal year 2021, Budget for fiscal year 2022, Estimated Expenses for fiscal year 2022 and the Budget for fiscal year 2023.

6. Departmental Summaries and Budgets

This section includes information about the Town's departments operating environment, achievements and goals.

7. Supplemental Schedules

This section includes information about the Town of Huntington, debt information, tax rate schedules, financial policies and a glossary of terms used in this budget document.

8. Appendix A

This appendix includes a line item budget by fund and department to supplement the departmental budget summaries.

9. Capital Budget

This section includes capital projects of \$5,000 more with a useful life of at least five years listed in the Town's Six Year Capital Plan. Included is a description of each project and the associated cost by fiscal year.

Town of Huntington Strategic Direction

Vision

The Town of Huntington is committed to being an outstanding place to live, work, and visit.

Mission

Deliver public services with transparency, efficiently and effectively, to meet the needs of residents, businesses, institutions and visitors on whom Huntington's prosperity depends.

Foster a sustainable Huntington through the implementation of the Town's environmental and energy efficiency improvement goals.

Promote economic development, business opportunity, and community revitalization.

Enhance the long-term health, vitality and quality of life of the Huntington community.

Town Strategic Goals and Objectives

- Maintain fiscal strength with a Town tax structure that will balance the increasing demand for services with available resources.
- Improve communication and provide emergency preparedness information to Town residents through various media sources.
- Provide expanded departmental services and information using information technology.

- Implement energy efficiency programs to reduce the Town's carbon footprint and energy cost savings.
- Promote policies to provide education and energy efficiency awareness to Town residents.

- Expand commercial and residential investment in the Town by investing in infrastructure.
- Expand affordable housing programs that focus on home ownership; particularly first time home buyers.

- Invest in the Town's recreational, cultural, and historical assets.
- Promote interest and use of Huntington's cultural and recreational resources.
- Expand film & TV production in Town by creating multi media promotion effort to showcase the Town as an ideal destination for on-location and in-studio production for the TV, motion picture & streaming industries.

Town of Huntington Community Profile

Overview

The Town of Huntington, New York is one of the ten Towns located on Long Island at the western end of Suffolk County adjacent to the Nassau-Suffolk County border. It is approximately 40 miles from Manhattan and 40 miles from Riverhead, the Suffolk County seat. The history of Huntington is closely associated with the early development of the American colonies. The community was originally settled in 1653, well within the lifetime of the earliest New England colonist. In the beginning, water-borne transportation gave life to the community. The natural harbors offered ready access to the farmlands of the Long Island interior. The harbor was the setting for the early Huntington community, which became the focal point for the movement of agricultural products into the commerce of the colonies. Although agriculture was its mainstay and water-borne transportation its lifeline for two centuries, in later years the whaling industry and expanded manufacturing activity broadened the local economy and gave impetus to the expansion of the harbor communities of Cold Spring Harbor, Huntington and Northport.

Huntington enjoys five harbors bordering the north shore of the Town: Cold Spring Harbor, Lloyd Harbor, Huntington Harbor, Centerport and Northport. Within its coves and bays there are a total of nine beaches maintained by the Town. The Town has also put into operations a number of marinas for the use of residents. These facilities, along with boat ramps, municipal golf courses and park sites, provide active recreation for Town residents.

The Town provides the following services:

- Planning and Community Development: Environmental, land management, zoning, environmental open space and park fund (EOSPA), buildings review, housing services and economic development
- Citizen and Community Services: Neighborhood improvements, senior citizen services, youth services, handicapped services, women's services, employment opportunity services, veteran's and minority affairs
- Public Safety: Emergency management, code enforcement, fire prevention, animal control and special services
- Transportation and Parking: Street and drainage maintenance, roadway improvements, public transportation
- Support Services/Legislative/Administrative: Facilities, financial, fleet, human resources, technology, legal, tax collection, records management, historic preservation
- Culture and Recreation Services: Parks, beaches, recreational, youth programs
- Utilities: Water and Sewer Services to properties within the district.
- Other Operations: Refuse disposal, recycling, resource recovery and environmental remediation

Town of Huntington Community Profile

Demographics

Per U.S. Census Bureau 2021 Census:

Population	204,197
Males/Females	99,852/104,345
Age & Sex	<div>Persons under 5 years 4.8%</div> <div>Persons under 18 years 21.4%</div> <div>Persons 65 years and over 19.5%</div> <div>Female persons 51.1%</div>
Per Capita Income (2020)	\$61,103

Educational attainment, 25 years and older	<div>High School graduate 93.7%</div> <div>Bachelors Degree or higher 54.0%</div>

Population

The Town's population has experienced two major growth periods over the last 100 years and reached a peak of approximately 204,197 residents in 2021. By 1990, the Town's population decreased by 4.9% to 191,474 residents as the number of family members per household declined. By 2000, the Town population increased by approximately 2% to 195,289 residents. Based upon information from the Long Island Population Survey and the US Census Bureau, the Town's population continued to increase by 4.1% to 203,264 residents in 2010, and by .4% to 204,127 residents in 2020. Town population estimates as of July 1, 2021 are 204,197 residents.

YEAR	POPULATION	% CHANGE
2020	204,127	.4%
2010	203,264	4.1%
2000	195,289	1.9%
1990	191,474	(4.9)%
1980	201,530	1.0%
1970	199,486	58.00%
1960	126,221	-

Town of Huntington Community Profile

Employment

In 2022, unemployment rates rebounded from the devastating effects of the recent COVID-19 worldwide pandemic on 2020 unemployment rates. As a result, Huntington's unemployment rate decreased to 2.8% as of July 2022, below the Suffolk County rate of 3.4%, New York State rate of 4.8%. and the national rate of 3.5%. The Town is within commuting distance of New York City and has regularly trended significantly below the County and State unemployment rates.

Economic Outlook and Trends

Town of Huntington residents enjoy a high quality of life, reflected in high median incomes, low unemployment and crime rates, a strong public school system, and several cultural and natural recreation attractions. The Town's successes and its popularity as a suburb of New York City have also contributed to the challenges that are faced today, such as traffic congestion, high property taxes, and the need for more affordable housing—all of which need to be addressed to preserve the quality of life and to encourage future growth.

From a development perspective, the Town of Huntington is representative of a mature suburban community. Although its capacity for new large-scale residential development on vacant land is limited, there continues to be a significant number of large-scale housing projects predominately resulting from the redevelopment of underutilized properties throughout the Town. In the future, new housing construction will generally occur as in-fill development on smaller parcels within existing neighborhoods, as mixed-use residential projects in commercial districts, or as major developments on large underutilized properties. This trend has and will continue to contribute to population and tax base growth in the future.

Interest in redeveloping land with new uses is increasing in the Town. From mid-2015 through mid-2022 the Town received fifty eight (58) zone change applications, with the total applications exceeding that of the previous seven years combined. Assisted living facilities and senior housing condominium developments have been popular application types, representing one-quarter of the zone change applications in the last seven years.

Town of Huntington Community Profile

Economic Outlook and Trends - (continued)

The strength of the local housing market is evidenced by projects either currently under Planning Department review, recently approved, under construction or completed. Since 2013, the Town has approved the construction of over 1,500 housing units of various building types and densities. Several major multi-family housing projects approved recently that are under construction or completed include Highland Green, a one hundred and nineteen (119) unit affordable limited equity cooperative; the Seasons at Elwood, a two-hundred and sixty-three (263) unit retirement community; the Club at Melville with two hundred and sixty-one (261) age-restricted affordable units; Avalon Huntington Station/Country Pointe, a three hundred seventy nine (379) rental project with seventy-six (76) for-sale condos; Harborfields Estates, a forty-seven (47) lot subdivision with homes priced from \$799,000; Northridge, a 16-unit mixed-use project by the LIRR; Gateway Plaza, a 66-unit project also located within walking distance to the LIRR; Northridge Square, a 16-unit mixed use project near the completed Northridge project; the Landmark at 1090 New York Ave, a two-building, 16-unit mixed use and 9-unit historic residence project near the LIRR; and Sunrise Senior Living, an assisted-living facility with 90 units. Pricing starts at \$499,000 for condos at Avalon/Country Pointe and \$318,000 at Club at Melville for income-restricted units. With respect to single-family residential subdivisions, the Town Planning Department is currently processing over 50 subdivision applications that will ultimately result in the development of approximately 254 new tax lots. One of the larger subdivisions under construction is Tuscany Estates, a thirty (30) lot subdivision approved in 2010 located in Dix Hills. It is also important to note that there are a number of significant residential projects not included within the town wide housing unit total that have received zone changes and are in various stages of site plan review. Included within this category is the Manors at Commack with eighty-eight (88) age-restricted units and Seasons at East Northport, a recently approved one-hundred and ninety (190) (including 36 affordable) unit retirement community. Downtown Huntington Village including the surrounding area by the LIRR also has over 200 potential apartments and condos in the pipeline or under construction.

Sustainability initiatives in the Town of Huntington:

- The Town has purchased natural gas garbage trucks, clean diesel fuel buses and hybrid vehicles
- Installation of energy saving light fixtures and solar panels at Town Hall and municipal parking lots.
- Changes in the Town Code have been passed to allow and encourage solar and battery usage.

Several major multi-family housing projects either recently approved, under construction or completed include:

- Highland Green Residences, a one hundred and nineteen (119) unit limited equity cooperative.
- Seasons at Elwood, a planned two-hundred and sixty-three (263) unit retirement community.
- Club at Melville with two hundred and sixty-one (261) age-restricted units.

Town of Huntington Community Profile

Economic Outlook and Trends - (continued)

- Avalon Huntington Station/Country Pointe, a three hundred seventy nine (379) rental project with seventy-six (76) for-sale condos.
- Harborfields Estates, a forty-seven (47) lot subdivision with single-family homes.
- Seasons at East Northport, a planned one-hundred and ninety (190) (including 36 affordable) unit retirement community.
- Indian Hills Country Club, with a proposal for 76 units of cluster housing at the 100 acre site in Northport home to a golf course.
- Gateway Plaza, a 66-unit project also located within walking distance to the LIRR.
- Northridge, 16-unit mixed use project located by the LIRR.
- Northridge Square, a 16-unit mixed use project near the completed Northridge project.
- The Landmark at 1090 New York Ave, a two-building, 16-unit mixed use and 9-unit historic residence project near the LIRR.
- An additional mixed-use building with retail and 24 housing units was recently submitted for review next to the Northridge site.
- Sunrise Senior Living, an assisted-living facility with ninety (90) units.
- Oheka Castle, a 90-unit condominium project on the Oheka Castle property.
- The Manors at Commack with eighty-eight (88) age-restricted units.
- Creekside Apartments II with fourteen (14) units.
- Tuscany Estates, a thirty (30) lot subdivision located in Dix Hills
- Downtown Huntington Village with over 200 potential mixed-use apartments or condos.
- Country Pointe Elwood with 385 age-restricted units along Jericho Turnpike.
- Application received for a 36-unit senior housing development along Deer Park Avenue.

Town of Huntington Community Profile

Economic Outlook and Trends - (continued)

Commercial and industrial development, expansion and improvement remain steady throughout the Town. Over the past ten (10) years, over two (2) million square feet of Class A office space has been constructed or renovated in the Town's corporate center, the Melville Employment Center (MEC). The MEC is home to major corporations including Canon USA, Rubies Corporation, Air Techniques, Henry Schein, Honeywell Corporation, Leviton Corporation and the Capital One Bank Corporate Center. Significant projects and/or programs include:

- Geico relocating to the Huntington Quadrangle (Fall 2023).
- Canon USA completed the first phase of its North/South American Corporate Headquarters in February 2013. This 680,000 square foot office and research building is currently in operation housing over 1,800 employees. The second phase of the project will provide an additional 200,000 square feet of research and development space and 260 additional employees.
- An 81-room Hampton Inn boutique hotel recently opened in Huntington Village that will enhance its reputation as a tourism destination.
- A major hotel chain has also submitted a site plan application under review on a vacant site just south of the LIE for a brand-new, 127-room hotel with an indoor pool, and that zone change application has been approved with a site plan now under review.
- A proposal from Hartz Mountain Industries, Inc. was recently approved for the Newsday site in Melville, which will be redeveloped into two Amazon warehouse buildings with over 900,000 square feet on the 48-acre site.
- An Amazon proposal for a distribution center off Walt Whitman Road in the MEC close to the newly-expanded Walt Whitman Bridge off of the LIE was recently approved
- Estee Lauder is also proposing to open a multi-million-dollar engineering center in the Melville, next door to their current factory and research lab.
- A major hotel chain is also redeveloping a vacant site just south of the LIE into a brand-new, 127-room hotel with an outdoor pool.
- A proposed six-story 160,000 square foot corporate center on property located on the LIE South Service Road that formerly housed a one-story aging commercial building. This office site is directly to the east of the Canon site.
- Mt. Sinai Doctors Long Island recently completed a new state-of-the-art 80,000 square foot medical office complex located at 5 Cuba Hill Road in Greenlawn.

Town of Huntington Community Profile

Economic Outlook and Trends - (continued)

- A proposal is under review from Huntington Hospital for expansion to increase office space and provide for future medical use.
- Huntington Square Mall redeveloped the former Sears site in East Northport with a 54,000 square foot AMC movie theater, 39,000 square foot fitness club and 88,000 square foot retail space.
- The “Big H” shopping center located between the Huntington Station LIRR and Huntington Village completed construction to remove large retaining walls to develop the lower level basement into retail and is now constructing a much-needed supermarket to the site with additional retail space and associated landscaping and site improvements.
- Nationally recognized businesses attracted to Huntington include the first QuickChek now open in Commack, three (3) new Starbucks locations; one under construction at the LA Fitness site in Huntington Station, proposed along Jericho Turnpike and at the Greenlawn Shopping Plaza; and a new Westy’s Self-Storage facility in Huntington Station.
- The Melville Mall recently added a new 15,000 square foot retail pad site and a similar proposal is under review at the shopping plaza south of Walt Whitman Shops containing Michael’s, Bed Bath & Beyond and other retail space.
- Shopping centers are upgrading to compete with the “box” stores and outlet centers. Simon Properties completed construction of a 74,000 square foot expansion of its existing 1.2 million square foot Walt Whitman Mall on Route 110 in 2013.
- Target Corporation purchased a 150,000 square foot retail location and opened a new store in October 2013, creating 250 jobs, and Trader Joe’s in Commack recently invested in a move to a newly-renovated site nearby to increase square footage and parking availability.
- An adaptive reuse project converting a vacant church near Huntington Village to a shared office space use was recently approved.

All of these projects and programs will not only stabilize the Town’s commercial tax base but also serve to spur secondary business and growth throughout the Town.

Town of Huntington

Budget Process

Methodology

The preparation and adoption of both the Town of Huntington operating budget and capital budget is a priority setting process that occurs over several months with several milestones throughout that period of time.

Basis of Budgeting

Governmental Funds are budgeted using a modified accrual basis for budgeting. Revenues are considered to be available when collectible and expenditures are generally recorded when incurred. However, debt service is recognized when due and compensated balances are charged when paid.

Review

Early in the budget process, each department outlines functions and goals for the coming fiscal year and prepares a detailed estimate of revenue estimates and appropriation requests needed to accomplish those goals. A committee consisting of the Town Supervisor, Deputy Town Supervisor, Comptroller and the Deputy Comptroller reviews the requests. Upon completion of this review, budget estimates are compiled by the Audit & Control Department.

On or before the last day of September, the tentative budget is presented to the Town Board and filed with the Town Clerk.

Prior to the public hearing in November, the preliminary budget is reviewed and revised by to the Town Board and filed with the Town Clerk. Copies of the preliminary budget are made available to the public and are posted on the Town's website.

Adoption

A formal public hearing on the budget is held in November to allow public input. Based on a review of the budget, the Comptroller will make revisions per the Town Board request to the preliminary budget. A final budget is prepared and submitted to the Town Board for adoption. By law, the Town Board must adopt a budget for the forthcoming year on or before the twentieth day of November.

Budget Amendments and Transfers

In accordance with the Town's Budget Policy, at any time during the fiscal year the Comptroller may authorize transfers in the operating budget of up to \$5,000 from one line to another. Budget transfers of more than \$5,000 require Town Board approval. All budget amendments require Town Board approval. The Comptroller is authorized to transfer funding for all vacant positions to the general contingency account for each fund and Town Board approval by resolution is required abolish, create or change positions. The Comptroller is authorized to transfer Capital Budget appropriations from one object code to another within the same project.

Reports

The Annual Comprehensive Financial Report is issued with year-end results. The Annual Budget for the forthcoming year includes a projection of the current year's actual expenses as compared to the current year's budget. Tri-Sectional reports are issued in June and October providing updated budget projections for the current fiscal year. The Annual Comprehensive Financial Report (ACFR), is the final report for the year.

Budget Overview

Town of Huntington

Executive Budget Summary

The challenge in developing Huntington's 2023 Budget was to maintain services at a time when revenues are stagnant and fixed costs, health care commodity costs and contractual costs are increasing. The Town's economic health depends in part on municipal government providing services that create an environment that attracts and keeps businesses prospering and residents who want to continue to make Huntington their home. A summary of the Town's combined budget by functional service that outlines those priorities is provided below:

	2022 Budget	2023 Budget	\$ Change	% Change
<u>Revenues</u>				
General Fund	\$ 110,804,733	\$ 116,492,035	\$ 5,687,302	5.1%
Highway Fund	38,057,615	38,767,574	709,959	1.9%

Town of Huntington

Executive Budget Summary

The 2023 Operating Budget demonstrates the Town Board's commitment to sound financial management practices that strives to produce a structurally balanced budget in all the major funds. Conservative budgeting of mortgage tax revenue, fully funding existing labor contracts, incorporating New York State's most recent health insurance rate increase and maintaining town services and programs at current levels are challenges of the 2023 budget.

Budget Highlights

The 2023 Budget was prepared on the modified accrual basis consistent with the Town's financial statements. In summary, the key components and challenges of the 2023 Operating Budget totaling \$220 million are as follows:

Financial Priorities

- Maintain AAA bond rating.
- Maintain current level of Town Services.
- Maintain zero fiscal stress.

Major Factors Impacting the Budget

- Funding the increase for the contractual agreement for the resource recovery plant.
- Maintaining current level of services while adhering to the mandated NYS tax cap legislation.
- Expanding online remote access to residents to help increase efficiency and reduce costs.

Actions

- Replace retiring full time employees with employees at lower starting salaries.
- Mandatory employee contribution for health benefits.
- Increase tax levy by 2.56%, while not piercing the mandated NYS Tax cap legislation.

Town of Huntington

Executive Budget Summary

The Property Tax Levy for the General, Highway and Refuse District Funds

The Town has various taxing districts. However, the General Fund, Highway Fund and Refuse District Fund (“Three Major Funds”) provide the majority of revenue funding services to Town residents.

The 2023 tax levy for the Three Major Funds will increase by \$3.1 million or 2.79%.

Town of Huntington

Executive Budget Summary

Staffing Levels

Staffing and its growth or contraction represents the single biggest influence on municipal budgets. Salaries and fringe benefits costs account for more than 50% of major fund expenditures and reducing staffing levels is one of the surest ways to achieve meaningful cost reductions.

The following graph shows the historical trend of the number of full-time employees.

Resource Recovery Funds

The Town constructed a waste-to-energy resource recovery facility in conjunction with the Town of Smithtown. The facility, which has been operating at full capacity since 1989, was financed through the issuance of \$176,550,000 in Industrial Development Bonds and refinanced in 1999. The outstanding debt on the facility was fully satisfied in 2012.

The debt service payments for the facility flowed through reserve accounts held by a third party trustee, who was contractually required to maintain a debt service reserve in the amount of 10% of the issue. These reserve accounts, which were accumulating interest since 1989 have been depleted in connection with the satisfaction of the resource recovery debt. The Town has extended its service agreement with Covanta until the year 2024.

Town of Huntington

Executive Budget Summary

Capital Projects and Debt Issuance

On July 14, 2022, the Town issued \$19.6 million in public improvement serial bonds for various capital projects. In addition, the Town also issued \$5.8 million in public improvement refunding serial bonds which produced a budgetary savings of \$177,808 over the next six years.

Health Insurance Increase

The Town participates in the New York State Health Insurance Program (NYSHIP) which continues to increase the premiums for its participants at rates exceeding inflation or growth in municipal revenues. This combination of large increases in excess of the mandated NYS Tax cap places enormous pressure on the ability of municipalities to maintain balanced budgets.

NYSHIP provides municipalities with an anticipated range of rate increases for the forthcoming year. The 2023 budget reflects an increase of 6.7% in health insurance costs, which is the NYSHIP anticipated increase for 2023.

Fund Balances

The Town has adopted the Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions (GASB-54) that define the different types of fund balances that a governmental entity must use for financial reporting purposes.

Non-spendable: Includes amounts that cannot be spent because they are either in a non-spendable form or legally or contractually required to be maintained intact. This includes fund balance related to inventories, prepaid, long-term loans, notes receivable and property held for resale (unless the proceeds are restricted, committed or assigned).

Restricted: Includes amounts that can be spent only for specific purposes stipulated by constitutional provisions, enabling legislation, or external resource providers such as creditors, grantors, contributors or laws/regulations of other governments. All of the reserves of fund balance established by the Town allowed by law meet these criteria.

Committed: Includes amounts that can be used only for the specific purposes pursuant to constraints imposed by a formal action of the Town Board, the Town's highest level of decision-making authority. These constraints can only be removed by the same formal action of the Town Board.

Unassigned: Includes the residual classification of the Town's General fund and includes all spendable amounts not contained in other classifications.

The strategic use of fund balances is a standard municipal budgeting practice for stabilizing operating budgets year-to-year. Savings achieved in good economic times are set-aside in fund balances to minimize the need for tax increases during economically challenging times. The Town's Fund Balance Policy requires that all reasonable efforts be made to maintain the General Fund Balance at 10% of its operating budget.

Town of Huntington

Executive Budget Summary

Unassigned Fund Balance Variances

Comparative Analysis: FY 2021 and FY 2022

	Unassigned Fund Balance 12/31/21	Estimated 2022 Closing Fund Balance	Change in Unassigned Fund Balance	% Change
General Fund	24,326,634	24,554,808	228,174	0.9%
Highway Fund	11,289,621	12,168,140	878,519	7.8%
Consolidated Refuse Fund	4,677,702	4,799,032	121,330	2.6%
Part Town	5,564,700	5,222,707	(341,993)	-6.1%
Special Revenue Fund	-	-	-	0.0%
Fire Protection	32,999	32,999	-	0.0%
Street Lighting	3,445,256	3,453,114	7,858	0.2%
Commack Ambulance	259,151	259,151	-	0.0%
Huntington Community Ambulance	1,034,617	1,034,617	-	0.0%
Huntington Sewer	1,590,361	1,251,570	(338,791)	-21.3%
Centerport Sewer	176,044	176,044	-	0.0%
Waste Water Disposal	1,186,195	1,104,867	(81,328)	-6.9%
Dix Hills Water District	528,777	521,582	(7,195)	-1.4%
	54,112,057	54,578,631	466,574	0.9%

Part Town, Huntington Sewer, Waste Water Disposal and Dix Hills Water District are projected to have decreases in their unassigned fund balances due to appropriations being made for the 2022 budget.

Long Range Financial Plan

The Town is in good financial standing and has steadily increased fund balances through conservative budgeting practices, implementation of cost cutting methods, deferred capital projects and reallocated available resources. We will continue to employ these strategies into the future, while at the same time working towards our strategic goals. We monitor our budgets continuously to identify significant variances and make budget amendments as necessary.

The Town's long term plan is to minimize the use of fund balances and increase reserves for future use. This will be done by increasing the tax levy and revenues to offset increases in utilities, health insurance, and contractual increases. In addition, the Town will be reducing its costs by running more efficiently without reducing services.

* Salaries and contractual expenditures reflect increases due to Consumer Price Index. Property taxes reflect increases allowable under New York State Real Property Tax Cap.

Fund Summaries

General Fund

The General Fund is made up of services that are provided to all Town residents. They include: Administrative, Assessment, Tax Collection, Town Clerk, Engineering Services, General Services, Open Space, Maritime Services, Public Safety, Bus Operations, Parks and Recreation Department, Human Services, Waste Management Administration and Youth Services.

The 2023 General Fund Budget is balanced. The budget total is approximately \$116.5 million including Environmental Open Space. This is an increase of \$5.7 million or 5.1% from the 2022 Budget.

The General Fund has a few recurring sources of revenue, including the Property Tax, the Town's share of Mortgage Tax proceeds and Interest on Investment, and Fees charged by certain Town departments for services. Fees are reviewed annually based on the cost of delivery and comparison with fees charged by neighboring Towns.

Property Taxes account for \$49.8 million or 42.6% of the revenue in the General Fund. The 2023 budget for General Fund revenues also includes slight increases in various departmental fees.

The 2023 budget for General Fund expenses is \$117.0 million. The most significant pressures on the General Fund budget include increases in the cost of contractual obligations with the new agreement for the resource recovery plant. Together, these expenses account for the majority of the increase in the General Fund Budget.

Town of Huntington

Executive Budget Summary

Highway

The Highway Fund is used for the maintenance and repair of over 800 miles of streets, roads, right-of-ways and drainage systems in the unincorporated areas of Town (those not located in one of Huntington's four villages)

The 2023 Highway Budget is balanced. The budget total is approximately \$38.8 million. This is an increase of 1.9% from the 2022 Budget.

Property Taxes account for \$36.1 million or approximately 93.2% of the Highway fund revenue. Other budgeted revenue in the Highway budget is \$2.6 million, of which \$1.7 million is State Aid.

Consolidated Refuse District

The Consolidated Refuse District provides sanitation, recycling and yard-waste collection for residents that do not live in a village.

The 2023 Consolidated Refuse District Budget is balanced. The Budget total is \$28.7 million. This is an increase of \$.4 million or 1.4% from the 2022 Budget.

Property Taxes account for \$28.1 million or approximately 97.7% of the revenue in the fund. Other budgeted revenue in the Consolidated Refuse District is \$.7 million.

Part Town

The Part Town Fund is made up of services that are provided to Town residents who reside outside of the town's four incorporated villages, including Transportation and Traffic Safety, Fire Prevention Services, Zoning and Building Inspections, and Planning.

Total expenses in the Part Town Fund are \$12.5 million, an increase of 1.6% from the 2022 Budget. The increase is due to contractual obligations.

Property Taxes account for \$5.2 million or approximately 41.9% of the Part Town fund revenue. Other budgeted revenue in the Part Town Fund is \$7.3 million, of which the Building Department fees of \$4.1 million represent 32.8% of the total revenue.

Special Funds

All other Funds including the Special Revenue Funds, Fire Protection, Street Lighting, Commack Ambulance, Huntington Community Ambulance, Huntington Sewer, Centerport Sewer, Waste Water Disposal and the Dix Hills Water District are considered special funds.

The 2023 Special Funds appropriations total \$22.6 million, which reflects a \$.3 million increase from the 2022 Budget.

Property taxes for Special Funds amount to \$14.5 million, which reflects an increase of \$.2 million from the 2022 Budget. Other budgeted revenue in the Special Funds is \$7.9 million which reflects a \$.2 million increase from the 2022 Budget.

Revenue Definitions and Forecast Methodology

The purpose of providing the methods for forecasting revenues is to validate the forecast over time and to utilize the information in making future forecasts. The following assumptions and methods were used to formulate the revenues in the 2023 Budget:

Revenue Source	Definition	Forecast Methodology
Property Taxes-Advalorem	Property Tax is based on value of real property. The assessed value of each parcel less exemptions is the taxable value. Advalorem property taxes are based on the taxable value	Property taxes are calculated by multiplying the taxable value (tax roll) of all properties in the Town by the rate of taxation or rate per \$1,000 of assessed valuation.
Departmental Income	Income generated by each department's operations that are not fee or fine based	Historical trend analysis adjusted for any rate increases
Mortgage Tax Revenue	New York State imposes a tax on the privilege of recording a mortgage on real property located within the state a portion of which is provided to local governments	Historical trend analysis based on housing sale trends
Franchise Fee Revenue	5% of gross revenues derived from the operation of the cable system for the provision of cable services	Historical trend analysis
Interest and Earnings	Revenue derived from the investment of cash balances. The Town maximizes cash flow whenever possible to generate interest earnings.	Historical trend analysis adjusted for rate changes
Licenses and Permits	Building and engineering permits, animal licenses, bingo permits, parking permits, mooring permits, filming permits, GIS fees, accessory apartment permits and sign permits	Historical trend analysis
Fines and Forfeitures	Settlement of cases taken to court.	Historical trend analysis
Miscellaneous	Revenues that do not fit into any one of the other revenue categories and includes sale of property	Historical trend analysis
Federal and State Aid	Funding provided by the Federal and State government based on allocations for bus operations, youth services, energy efficiency programs, nutrition programs	Historical trend analysis adjusted for any Federal/State funding allocation modifications
Interfund Revenues	Allocation of common costs	Allocation of common costs based on the 2023 budget costs

Town of Huntington Major 2023 Revenue Sources

The Town of Huntington's primary source of revenue is the local real property tax. Charges and fees assessed by town departments is a distant second. Other sources include the mortgage tax, franchise revenue, state aid, federal aid and interest revenue. In 2023, the total budgeted revenue for all funds is \$219,575,260, which includes the use of fund and reserve balances and transfers between funds. All funds are balanced. Therefore, total revenues equal total expenses.

Funding Sources	2021 Actual	2022 Modified Budget	2022 Projected	2023 Budget	% of Revenue	% Change 2023 vs. 2022

Property Tax

The property tax is the largest and most important revenue source for the Town. As the default revenue source, it must cover all expenses that cannot be funded by other sources. Property taxes are a function of the Town's revenue needs, assessed values of properties within the Town and the equalization rate set by New York State.

The Town Assessor determines the value of each parcel of taxable real property within the town. The total value of all of the taxable properties (minus exemptions) becomes the tax base from which the revenue required by the town must be obtained. The tax rate is calculated by dividing the revenue required by the total assessed valuation of all taxable properties. Each owner is taxed based on his proportion of the total tax base.

Year Ended	Total Net Assessed Value	State Equalization Rate	Full Valuation
2022	317,063,143	0.74%	42,846,370,676
2021	320,597,772	0.74%	43,324,023,243
2020	322,829,176	0.76%	42,477,523,158
2019	323,533,437	0.80%	40,441,679,625
2018	323,515,483	0.84%	38,513,747,976
2017	324,025,888	0.85%	38,120,692,706
2016	325,208,126	0.86%	37,814,898,372
2015	325,757,112	0.89%	36,601,922,697
2014	327,205,498	0.90%	36,356,166,444
2013	328,724,473	0.90%	36,524,941,444

Town of Huntington Major 2023 Revenue Sources

Property tax revenue in 2023 is budgeted at \$134.7 million for all taxing districts and represents 61.33% of Town operating revenues. The 2022 property tax revenue was \$131.3 million and represented 61.68% of the operating revenues for all taxing districts. This increase in tax revenue is a result of raising taxes to offset the increase in contractual commitments.

The Town typically collects approximately 97% of the tax levy. It is important to note, however, that all uncollected taxes become the responsibility of Suffolk County. The Town is guaranteed 100% of the tax revenue and, therefore, is not required to budget for uncollectible tax revenue. Town taxes, in fact, comprise about 6-8% of the average resident's property tax bill.

Town of Huntington Major 2023 Revenue Sources

Three Major Funds (General Fund, Highway and Refuse District)

The 2023 property tax revenue for the three major funds comprise \$114.7 million or 52.2% of the total Town revenue. This is an increase of \$3.7 million or 3.3% as compared to the 2022 property tax revenue of \$111 million. This is a result of contractual increases.

The Tax rates for these three funds affect all Town residents. The tax rate for the General Fund and the Highway Fund is calculated based on the assessed value of the property while the Refuse District residents pay an assessment that is calculated by dividing the tax revenue needed by the number of households in the district.

The following is a historical analysis of the budgeted combined tax rates for a home that has an averaged assessed value of \$3,900 or a market value of \$527,027.

Town of Huntington Major 2023 Revenue Sources

Part Town Fund

The 2023 property tax revenue for Part Town is \$5.26 million or 2.4% of the total Town revenue. This is an increase of \$80,000 as compared to the 2022 property tax revenue of \$5.18 million. This is a result of contractual increases.

Town of Huntington Major 2023 Revenue Sources

Special Revenue Funds

The 2023 property tax revenue for the Special Revenue funds combined comprise \$14.64 million or 6.67% of the total Town revenue. There is a increase of \$300,000 as compared to the 2022 property tax revenue of \$14.34 million.

Departmental Income

The 2023 departmental income for the Town consists of various fees for recreation programs, senior programs and adult education programs and revenue generated by the Town's resource recovery plant.

Departmental revenue of \$47.5 million for 2023 accounts for 21.6% of the Town's total revenue budget, an increase of \$2.3 million or 5.09% from 2022.

Town of Huntington

Fund Structure

Major Funds

General Fund accounts for all general government activity townwide and the services traditionally provided to the Town's residents. This includes services provided by the Town Board and Town Supervisor, as well as the following administrative offices: Assessor, Audit & Control, Town Clerk, Tax Receiver, Personnel, Town Attorney, Audit & Control and Information Technology in addition to Parks and Recreation Services, General Services for buildings and grounds maintenance, Animal Control, Engineering, Public Safety, Human Services, Maritime services, Resource Recovery and Recycling, Bus Operations and the Planning Department.

Part Town Fund accounts for all government activity for services not provided to Villages within the Town. This includes fire inspection services, building department services, accessory apartment services, zoning services and code enforcement services.

Consolidated Refuse District Fund accounts for sanitation, recycling and yard-waste collection services provided by both municipal employees and private contractors.

Non-Major Funds

Highway Fund accounts for the maintenance and repair of over 800 lane miles of streets, roads, right-of-ways and all drainage systems throughout the Town that are not within Villages.

Debt Service Fund accounts for the extinguishment of refinanced debt.

Board of Trustees Fund accounts for the administration of town properties

Business Improvement Districts accounts for funding for the three business districts throughout the Town: Huntington Village, Cold Spring Harbor Village and Huntington Station Village.

Special District Funds

Fire Protection Funds accounts for the contracted funding provided by the Town Fire Protection District #1.

Street Lighting Fund accounts for the operational and administrative services providing streetlights on town, county and state roads throughout the Town and municipal commuter parking lots and garages other than those that are incorporated Villages.

Ambulance Districts accounts for the contracted funding of both the Commack Ambulance District (SM1) and the Huntington Community Ambulance (SM2) to provide emergency services to Town residents.

Town of Huntington

Fund Structure

Special District Funds (continued)

Huntington Sewer Districts accounts for the operation of sewage treatment plant that processes 2.5 million gallons of sewage per day from over 1400 parcels located within the district.

Centerport Sewer Districts accounts for the inter-municipal agreement with the Village of Northport that processes sewage at the Northport Sewage Treatment Plant for Town residents that are within the district.

Waste Water Disposal District accounts for operations of the scavenger waste facility where residential waste trucks service Town residents and process the waste into the Town's Sewage Treatment Plant.

Dix Hills Water District accounts for the public water supply providing 8,400 homes and businesses within the district high quality drinking water through the operation of 17 water supply wells at 11 sites.

Component Units

The following three entities are legally separate component units of the Town and because of the nature and significance of their relationship with the primary government, are combined in the Town's Annual Comprehensive Financial Report (ACFR). These component units are governed by legally separate boards and their annual budgets are not included in the Town's adopted budgets.

Community Development Agency- A separate public benefit corporation created by state legislation to promote the safety, health and welfare of Town residents. This entity is reported as a Special Revenue Fund in the ACFR.

Local Development Corporation- A separate public benefit corporation created by the Board to conduct activities that will relieve and reduce unemployment, promote and provide maximum employment, improve and maintain job opportunities, lessen the burden of governments and act in the public interest. This entity is reported as a Special Revenue Fund in the ACFR.

Greenlawn Water District- Special district of the Town of Huntington that provides water services to residents and business within the district. This entity is combined with the Town's Water District and reported as a Non-major Governmental Special District.

South Huntington Water District - Special district of the Town of Huntington that provides water services to residents and business within the district. This entity is combined with the Town's Water District and reported as a Non-major Governmental Special District.

Departmental Summaries and Budgets

Assessor

Lisa Leonick, Assessor

♦ Section I - Departmental Mission:

The mission of the Assessor's Office is to maintain a fair, accurate and timely valuation of all real property within the Town in an equitable manner as reflected on the Town's assessment roll. Once finalized, the annual Town Assessment Roll becomes the tax base which is utilized to apportion the annual Town Tax Warrant which may exceed \$1 billion in the 2023 calendar year. This is the money which funds the operating budgets of the Town, County, Schools, Libraries and special districts' (fire, water, ambulance, sewer, refuse, lighting, and business improvement districts). An accurate assessment roll furthers the Town's strategic goal of maintaining fiscal strength with the solid tax structure necessary to deliver quality public services.

The primary mission of the School Tax Relief (STAR) Division is to educate the public regarding STAR and ensure that all eligible Town of Huntington residents file applications in a timely manner to receive their STAR exemption as soon as legally possible.

♦ Section II - Legal Authority:

The duties and responsibilities of the Assessor's Office are governed by New York State Real Property Tax Law, the New York State Rules for Real Property Tax Administration as enacted by the NYS Department of Taxation and Finance, Office of Real Property Tax Services, and the Suffolk County Tax Act. The appointment of the Town Assessor is authorized under Section 310 of the Real Property Tax Law and Local Law No. 9-1982 of the Town Code.

STAR is part of the New York State Real Property Tax Law, Section 425.

♦ Section III - Operating Environment:

ASSESSOR'S OFFICE

Grievance Processing:

This office processes approximately 12,000 grievance complaints each year on residential and commercial property. The law requires grievances to be filed in the month of May each year, and each grievance must be entered into the Govern computer program, and individually reviewed and determined by an independent Board of Assessment Review by July 1st of each year. We have implemented electronic filing for bulk grievance filers and conducted live Grievance Day hearings.

Small Claims Assessment Review (SCAR) Proceedings:

SCAR proceedings are residential assessment appeals to the Suffolk County Supreme Court after a denial by the Board of Assessment Review. For the past several years, the SCAR caseload has varied from 4,000 to 6,000 appeals, and it is projected that the caseload for the SCAR cases filed for the upcoming 2022/23 tax year will be 6,000 or more cases as this year was completely different due to COVID 19 and a significant decrease in the Residential Assessment Ratio.

Property Tax Exemption Processing:

The Assessor's Office is responsible each year for the administration and processing of thousands of property tax exemptions allowed under State and local laws, such as Veterans, Senior Citizens with Low Income, Home Improvement, Disabled with Low Income, Agricultural Commitment, Non-Profit and Volunteer Firefighters & Ambulance Workers. The Assessor's Office is also responsible for timely removing exemptions from properties when the owner is no longer eligible for an exemption, and recapturing the money saved by ineligible Owner's through the pro rata process.

Assessor

Lisa Leonick, Assessor

Inventory of Real Property:

Establish the condition and value of all 73,936 parcels of residential, commercial, industrial and utility real property within the Town as of taxable status date (March 1st of each year).

STAR DIVISION:

The majority of the Town's residential property owners are entitled to the BASIC STAR exemption. Therefore, approximately 55,000 of the 63,450 Town of Huntington households are entitled to these school tax savings. Additionally, applicants over 65 years of age or older may be eligible for additional school tax savings through the Enhanced STAR program, several thousand of which are administered by the STAR division. Each Enhanced STAR exemption must be renewed annually with the Town's STAR Office by March 1st or through the NYS Department of Taxation and Finance.

♦ Workload Indicators:

Small Claims Assessment Reviews (SCAR) Proceedings:

The number of SCAR cases filed is expected to be increase for the 2023/24 tax year with minimal part-time staffing available to handle this workload.

♦ 2022 Achievements:

The Department's 2022 significant achievements include the following:

Small Claims Assessment Review (SCAR) Proceedings:

The SCAR defense/appraisal firm retained by the Town Board in 2013, and renewed in 2018, continued to defend by negotiation or litigation approximately 4,000 cases in the 2021/22 tax year. Additionally, the existing office staff spent countless hours preparing files for the defense firm, and tracking, calendaring, data entering, reviewing the billing and managing the 4,000 cases assigned to the SCAR defense firm.

STAR Exemption:

Enhanced STAR Exemption:

The processing of applicant's for the Enhanced STAR exemption changed dramatically in 2019, as the New York State legislature enacted significant new legislation at the end of April, 2019. The timing of the enactments created chaos within the NYS Department of Taxation and Finance, Office of Real Property Tax Services (ORPTS), the entity overseeing the assessment process statewide, as well as with all assessing units within New York State, with July 1st being the deadline for implementing the changes. After 2019, all of the applicants were required to participate in the income verification program (IVP) which authorized ORPTS to review the income eligibility of each applicant. This change required the Assessor's Office to notify approximately 10,000 property owners of this new requirement, and to review an application from approximately 2,000 additional persons who in previous years automatically received the Enhanced STAR exemption without the need to file a new or a renewal application. This new requirement placed an additional strain on the resources of the STAR department, and resulted in a flood of additional inquiries from senior citizens who are not equipped to handle such a change.

Additionally, in 2020, ORPTS instituted an annual reporting system for processing STAR applicants. Our staff is responsible for reviewing, downloading, processing the myriad of STAR changes and working with IT on global changes as well.

Assessor

Lisa Leonick, Assessor

Basic STAR Exemption Program Change:

As a result of a significant change in the STAR law on April 1, 2016, most new Basic and Enhanced STAR applications are required to be filed directly with the New York State Department of Taxation and Finance which will issue a STAR check to eligible applicants in lieu of receiving a STAR exemption. As a result of this removal, and the program change generally, this Department continues to be flooded with phone calls and office visits by potentially affected property owners. Our Department, as mentioned above, receives numerous reports from ORPTS for updating STAR status, based upon NY State review of STAR applications, our Tentative Roll, our Final Roll and all interim changes.

Grievance Complaint Processing and Review:

In an effort to reduce the number of SCAR filings by individual homeowners and SCAR companies, the Assessor's office made a concerted effort to encourage residents to file grievance complaints on their own (pro se) to avoid the time and expense of filing SCAR proceedings. As part of this effort, our office emphasized the need for the property owner to submit information relevant to the value of their homes such as an appraisal or a comparative market analysis, to persuade the Board of Assessment Review to reduce the assessment. This year, approximately 300-400 pro se grievance complaints were received, all of which are being reviewed by the Assessor's staff prior to the Board of Assessment Review making a final determination. This process will most likely result in approximately 200-300 reductions being given by the Board of Assessment Review to those homeowners who properly documented their cases. This approval should reduce the number of SCAR cases being filed after the assessment roll becomes final in September, 2022.

Senior Low Income Exemption applications (New and Renewal):

The annual filings of new and renewal Senior Low Income exemption applications has steadily increased over the past several years. This year there were approximately 200 new applications filed. Normally we receive approximately 1,350 renewal applications. However, due to Governor's Order, RENEWAL APPLICATIONS for Senior Low and Disability Low tax exemption were not required this year unless the resident believe they deserved an increase in exemption amount. NEW APPLICANTS still had to file. Since these applications are income based and not dependent upon the applicants' assets, complex tax returns, and banking and investment records, must be carefully scrutinized requiring time-consuming and tedious analysis to separate income from assets. The substantial volume of Senior Low income activity handled by this Department, along with the corresponding contacts with elderly applicants unable to grasp the complexities of the program, continues to place a significant strain on the limited staff available to handle this workload. With the aging of the population, we expect the annual workload to increase for 2023 and beyond.

General Assessment Administration:

The ownership records of the Assessor's Office were continually updated by reviewing thousands of deeds and obituary information, and removing assessment exemptions from newly acquired properties when the new owner was ineligible for the exemption. As part of this process, the Assessor's Office recaptured through the pro rata process approximately \$500,000 in taxes saved by ineligible property owners.

♦ 2023 Goals:

Assessment Rolls:

Increase the value of the assessment roll by adding new assessments, and by thoroughly scrutinizing exemption applications and vigilantly defending SCAR cases, both of which significantly erode the tax base each year.

Assessor

Lisa Leonick, Assessor

Grievance Complaints and Small Claims Assessment Review (SCAR) Proceedings:

Continue processing as efficiently as possible approximately 12,000 grievance complaints filed with our office in June, defending between 1,000 and 2,000 SCAR cases resulting from grievance denials by the Board of Assessment Review, and providing significant support to our SCAR defense firm in its handling of between 4,000 and 6,000 SCAR cases.

Exemptions:

Review and process all existing and upgraded enhanced STAR and aged property tax exemptions so they are appropriately reflected on the next assessment roll, remove exemptions from ineligible properties and recapture the taxes saved on properties having exemptions to which the owners were not entitled.

◆ Performance Measures:

SCAR Proceedings:

Residential assessment appeal cases in Supreme Court, called “Small Claims Assessment Review” cases, or “SCAR”, are expected to increase back to the past higher level due to COVID impact:

Fiscal Year	Actual 2020/21	Actual 2021/2022	Projected 2022/23
Caseload	+/-4,724	+/-4,200	±6,000

Maintain Assessment Roll

Taxable assessed values have been maintained with little or no significant increase or decrease.

Fiscal Year	Actual 2020/2021	Actual 2021/2022	Projected 2022/23
Assessed Value	\$322,830,801	\$317,168,716	\$315,623,778
Increase/Decrease		-1.7%	-.5%

STAR:

Enhanced STAR applications are tracked, processed and valued on schedule for timely tax billing.

Fiscal Year	Actual 2020/2021	Actual 2021/2022	Projected 2022/2023
Enhanced STAR Exemptions Processed	7280	8400	8400

Audit & Control

Peggy Karayianakis CPA, Comptroller/Director

♦ Departmental Mission:

The mission of the Department of Audit & Control is to safeguard and administer the Town's assets and provide comprehensive financial management information on the financial health of the Town. The Department provides the legally required audit functions in addition to monitoring and reporting on Town agencies in a timely manner. The department supports the Town's mission of maintaining fiscal strength.

♦ Legal Authority:

The Department of Audit & Control is authorized under Section 20 (3)(b) and Section 34 of New York State Town Law and Chapter 6 of the Huntington Town Code. Local Law 12-2006 was adopted in April of 2006 amending the Code of the Town of Huntington Chapter 6 to remove the Department of Data Processing.

The Town of Huntington is authorized under Section 380 of New York State Town Law to establish an administrative adjudication hearing procedure under the provisions of this section for all code and ordinance violations regarding conditions which constitute a threat or danger to public health, safety or welfare.

♦ Operating Environment:

The Department of Audit & Control manages four divisions:

Comptroller: The Department is responsible for disbursing and accounting for approximately \$220 million in operating expenses for wages, supplies and services. Making certain the accounting and collection of revenues due to the Town are accurate and timely. Other duties include compiling and issuing the Town's Comprehensive Annual Financial Report as well as preparing the town-wide annual operating budget and periodic budget projections. The Comptroller manages the financing of the Town's capital projects (multi-year construction projects or other asset acquisitions) averaging \$20 million per year. The Comptroller's Office safeguards and manages all of the Town's cash and investments to maximize interest earnings and minimize risk. All Town Board Resolutions are reviewed for fiscal impact. Approximately \$1.1 billion in taxes is collected by the Tax Receiver and disbursed to the various taxing jurisdictions by this office.

Payroll: Supervises, coordinates and accurately prepares the payroll for all Town employees ensuring compliance with applicable regulations, policies and bargaining agreements.

Purchasing: The Purchasing Division procures materials, equipment and services at the lowest cost consistent with the quality and suitability required in accordance with the Town's Purchasing Policy and all applicable laws.

Bureau of Administrative Adjudication: The Bureau of Administrative Adjudication is an administrative tribunal authorized to adjudicate violations of the Town Code addressed to the public health, safety and welfare, except for violations of Chapter 87 which sets forth the requirements for building construction.

Audit & Control

Peggy Karayianakis CPA, Comptroller/Director

♦ Workload Indicators:

The Department of Audit & Control's workload is directly related to the activity in the operating departments in addition to budget fluctuations. Budgets influence the level of activity as follows:

Accounts Payable- Process over 21,500 invoices and prepares approximately 6,000 payments per year.

Fiscal Year	Actual 2019	Actual 2020	Actual 2021	Projected 2022
Accounts Payable Payments	7499	6,264	5572	6000

Accounts Receivable- Process and records approximately 3,500 cash payments per year.

Payroll- Processes payroll for approximately 645 regular employees, 215 part-time permanent employees and 548 temporary seasonal staff in accordance with all applicable labor laws.

Purchasing- This year Purchasing is projecting to conduct over 90 sealed bids; 15 requests for proposal and 15 public works bids and administers the creation of more than 3,200 purchase orders within the parameters of the Town Operating & Capital budgets.

Fiscal Year	Actual 2019	Actual 2020	Actual 2021	Projected 2022
Total Bids/RFPS Issued	130	132	135	100

Capital Project Management- Provides and manages funding for approximately 50 Town projects per year and over 100 on a cumulative basis.

Budget preparation and management- Prepares annual budget of \$220 million to make use of taxpayer funds in a fiscally responsible manner.

Cash Management- Manage average cash balance of approximately \$160 million in 26 bank accounts with the goal of maximizing interest earnings and while minimizing investment risk.

Internal and annual Audits- Performed 3 internal audits in 2021, 29 audits of payments to outside agencies and 2 LOSAP audits of ambulance squads. The schedule for 2022 is for 4 internal audits, 29 audits of outside agencies and 2 LOSAP audits of ambulance squads.

Bureau of Administrative Adjudication - The number of cases written in 2021 were 883 with a total of 1,748 separate appearances. In 2022 the estimated number of cases written is expected to be approximately 900.

♦ 2022 Achievements:

- In July 2022, the Town was awarded an Aaa bond rating, the highest rate possible by Moody's. The Town is at the highest rate possible, an achievement difficult to accomplish clearly confirming the Town's financial strength. These ratings continue to maintain Huntington as one of the highest rated towns on Long Island.

Audit & Control

Peggy Karayianakis CPA, Comptroller/Director

- In 2022, the Town of Huntington was presented with an Award of Financial Reporting Achievement from the Government Finance Officers Association of the United States & Canada for the fiscal year ended 2020. This was the twenty third consecutive year that the Town was presented with this award. A Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the highest award in governmental financial reporting. In 2022, the Town submitted their 2021 Comprehensive Annual Financial Report to the Government Finance Officers Association of the United States & Canada to determine eligibility for this prestigious award for the twenty fourth consecutive year.
- In 2022 the Town of Huntington was presented with the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States & Canada for the fiscal year beginning January 1, 2022. This was the eleventh consecutive year that the Town was presented with the award.
- Town-wide implementation of automated timekeeping, human resources, and payroll system.
- Continued expansion of electronic payment system to all Town locations.
- Monitored the annual budget and instituted budget reductions and ensured that ongoing budget deficits reduction targets were met.
- Increase in employee enrollment in direct deposit program resulting in increase in efficiency.
- By leveraging the Town's buying power and maximizing the efficiency and expenditure of government funds, consistent with New York General Municipal Law §103(16), certain contracts awarded by the Town of Huntington were made available to other New York State governmental entities.

♦ 2023 Goals:

The Department of Audit & Control's goals includes, but are not limited to the following:

- To receive a Certificate of Achievement for Excellence in Financial Reporting for the 2021 report.
- To receive a Certificate of Achievement in Budget Excellence for the 2023 budget.
- Continue to assist departments with the expansion of electronic payments to increase efficiency and cash flow throughout the Town.
- Continue to perform audits of Town departments and outside agencies and to assist in updating relevant policies and procedures to strengthen internal controls and operations.
- Implementing all relevant GASB pronouncements by effective dates or sooner when feasible.
- Continued maximization of cash flow and rates of return.

♦ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Submit the annual financial report and budget within required time frames to receive the GFOA award.
- Monitor and track the number of audits performed each year.

Engineering Services

James J. Ahrens, P.E., Interim Director

♦ Departmental Mission:

The Department of Engineering Services is a multi-functional department providing a variety of Engineering and Building Services to Town Residents. The mission of the Department is to provide, where applicable, safe, code compliant and economical engineering designs, oversight and construction management of new construction as well as renovation/reconstruction projects within the Town, both in the public and private sector. The following four (4) divisions comprise the Department of Engineering Services: Engineering Design, Building and Housing, Fire Prevention, and the Dix Hills Water District.

♦ Legal Authority:

Chapter 25 of the Huntington Town Code establishes the Department of Engineering Services and defines the flow and duties of the various divisions. The operation of the department is also governed by numerous State and local laws/codes, including but not limited to the following:

New York State Town Law, Sections 20 & 24		
New York State Fire Prevention and Building Code		
New York State Vehicle and Traffic Law - Section 1660		
Huntington Town Code	-	Chapter 87
Huntington Town Code	-	Chapter 104
Huntington Town Code	-	Chapter 111
Huntington Town Code	-	Chapter 137
Huntington Town Code	-	Chapter 153
Huntington Town Code	-	Chapter 198

♦ Operating Environment:

Engineering Services: The Engineering Design Division is responsible for the in-house design and development of plans and specifications for renovations and new capital construction projects within the Town in addition to supervising the actual construction of the projects. The Town contracts with professional engineering consultants on occasion for more complex projects that require particular expertise. This Division performs the contract management and administration on these consultant projects. The scope of the Division's projects is diverse and vary from roadway and drainage improvements, parking lots, traffic calming, Town parks/playgrounds, marine construction, building design/renovations and construction of public works buildings.

This Division is also responsible for engineering review of Planning Board commercial site plan and subdivision applications. Engineering Services supports the capital project requirements of the Parks and Recreation Department, Maritime Services Division and General Services Division to improve the quality of life projects undertaken throughout the Town.

Building and Housing: The Building and Housing Division is responsible for the administration of the building permit process to ensure that all construction complies with the relevant provisions of Federal, State and Local Codes, including but not limited to, the Building Construction Code, Fire Prevention Code, Plumbing and Zoning Ordinances. Division personnel administer and apply the applicable codes as adopted by the State of New York. This Division is also responsible for accepting, reviewing and approving applications, issuing permits and

Engineering Services

James J. Ahrens, P.E., Interim Director

inspecting the various stages of construction. Certificates of Occupancy (CO) are issued when all documentation is received and inspections have been completed. Finally, responsibility includes maintaining files for thousands of open permits. The Division maintains a vast amount of records of the building permit histories of each property in the Town of Huntington. These records include computerized summaries, microfilm aperture cards and reels, and digital scanning. It is from these databases that thousands of duplicate CO's are issued each year.

Fire Prevention: The Bureau of Fire Prevention is responsible for enforcing fire safety codes throughout the Town. This would include, but not be limited to the following:

- The issuance of construction permits and requisite field inspections for the installation of fire protection equipment including fire sprinkler systems, fire alarm systems, fixed wet and dry chemical extinguishing systems, clean agent extinguishing systems, alternate agent extinguishing systems, and carbon monoxide detection systems.
- The issuance of operation permits and requisite field inspections for twenty-four types of activities or processes detailed within the Town Fire Code from storage of aerosol products to conducting welding or other hot work activities.
- The issuance of general fire safety inspection certificates for the performance of inspections performed within all commercial properties on an annual basis.
- The investigation of complaints pertaining to the existence of conditions or activities that fails to comply with the Fire Code of New York State and or the Town of Huntington Fire Code.
- Conduct fire investigation activities at all major fires that occur within the Town to determine cause and origin and assist the Suffolk County Police Department Arson Squad in these activities.
- The Bureau serves as the liaison between the twelve (12) fire districts within the Town and other Town departments and represents the interests of the Town at various fire association or committee meetings.

Dix Hill Water District: The Dix Hills Water District is a public water supply district, which supplies water to an area with a population of 41,000 people. The District is responsible for delivering high quality drinking water to approximately 8,400 homes and businesses in the Dix Hills section of the Town. The District maintains (17) supply wells, three (3) water storage tanks, five (5) emergency electrical generators, three (3) specialized water treatment systems, 170 miles of water main, 1,290 fire hydrants and over 2,000 system valves.

Engineering Services

James J. Ahrens, P.E., Interim Director

♦ Workload Indicators:

Engineering Services: The workload in the Engineering Services Division is predicated on the ability to perform in-house design services, manage work of outside design consultants, and monitor field construction activities, and as such, the Division is working diligently to support the current workload.

A current list of active design phase and construction phase projects would include but not be limited to the following:

DESIGN:

- | | |
|--|--|
| 1. James D. Conte Community Center, Huntington Station | 18. Columbia Street Park – Basketball & Playground |
| 2. Heckscher Museum ADA Restroom Installation | 19. Cold Spring Harbor Streetscape Improvements |
| 3. LIRR Parking Garage Repairs – (Desman) | 20. Woodbine Marina Bulkhead Replacement |
| 4. LIRR Fairground Ave Parking Lot | 21. Town Hall BMS Review/Upgrade |
| 5. Animal Shelter, Halesite | 22. Otsego Park – Pickleball Courts & Playground |
| 6. Flanagan Center/Village Green Roof Replacement – Phase 2 | 23. Broadway Greenlawn Road Streetscaping (2 Phases) |
| 7. Village Green Parking Improvements-Phase 3 | 24. West Neck Beach Entry Roadway Reconstruction |
| 8. Village Green New Electrical Service/Transformer | 25. Koster Park Playground |
| 9. Monarch Park Butterfly Garden, Commack | 26. Depot Road Playground |
| 10. Fair Meadow Park Design | 27. Chase Bank Parking Lot |
| 11. Crescent Beach Playground & Adult Fitness | 28. Madison Street Sidewalks |
| 12. Al Walker Park Playground | 29. Lakeside Drive Retaining Wall |
| 13. HART Bus Fuel Upgrade | 30. Centerport Fire Department Seawall |
| 14. Halesite Marina Park Bulkhead – Phase II | 31. Elevator Lift – Records Center Town Hall |
| 15. Old Burying Ground Fencing | 32. Elevator Lift in Town Hall – Vets Plaza |
| 16. Marine Street Retaining Wall | 33. Boxer Court Fuel Tank Replacements |
| 17. NY Ave Streetlighting Improvements – South of Pulaski Rd | 34. Rofay Drive Fuel Tank Replacements |
| | 35. Dix Hills Ice Rink Rehabilitation |

CONSTRUCTION:

1. Heckscher Museum Exterior Upgrade
2. Crab Meadow Beach Pavilion – Waterproofing of Flat Roof
3. Veterans Park Pickleball & Volleyball Renovation
4. Terry Farrell Tennis & Basketball Court Renovation
5. Town Hall Generator Installation

Building and Housing: Prior to COVID-19 restrictions, an average of 60 people a day visited the Building and Housing Division. Summer and fall traditionally have the highest volume of all indicators. During the active

Engineering Services

James J. Ahrens, P.E., Interim Director

COVID-19 pandemic, no visitors were permitted into Town Hall. Approximately 35 applications for permits were received on a daily basis during this period which were primarily dropped off in Town Hall outside mail bin. Town Hall re-opened to the public in July of last year (2021). Since this re-opening date, visitors to the Division has steadily increased and is now averaging approximately 40 persons per day.

The table below outlines the Building and Housing workload in recent years and the forecast/estimate for this year:

Year	Building Permits	Plumbing Permits	Inspections	Certificates of Occupancy	Duplicate C.O.'s	Letters-in-Lieu	Persons Served	Avg. # of Persons Served per Day	Revenue
2018	2,741	1,915	12,455	2,384	5,665	15	14,562	58	\$4,125,837
2019	2,707	1,710	11,700	2,422	6,670	22	14,379	55	\$4,248,776
2020	2,044	1,648	5,019	1,678	7,692	21	NA	NA	\$2,800,106
2021	3,200	2,140	6,812	1,872	7,320	20	NA	NA	\$3,675,000
2022 est.	3,622	3,696	7,688	2,404	7,200	30	5,566	40	\$3,797,356

Fire Prevention Bureau: The table below outlines the workload of the Fire Prevention Bureau in recent years and the forecast/estimate for this year:

Year	Fire Protection Systems	Fire Inspection Permits	Multiple Residence Inspections	Revenue
2018	311	2219	0	\$670,930
2019	341	2273	0	\$664,048
2020	310	2200	0	\$499,685
2021	338	2375	0	\$669,000
2022 est.	300	2400	0	\$650,000

Dix Hills Water District: The Dix Hills Water District operates 365 days a year, 24 hours a day. The District delivers water to approximately 8,500 customers and reads about 8,500 meters, four times a year. A Dix Hills Water District annual summary can be found below:

Year	Pumpage (Gallons)	Water Main Service/Repairs	Hydrants	Total Accounts	Revenue
2018	1,888,744,00	21	1,284	8,494	\$1,751,193
2019	1,905,217,000	13	1,287	8,494	\$2,213,947
2020	1,899,825,000	13	1,287	8,494	\$2,189,528
2021	1,976,275,000	23	1,288	8,494	\$2,342,543
2022 est.	1,875,000,000	29	1,288	8,494	\$2,000,000

Engineering Services

James J. Ahrens, P.E., Interim Director

A current list of Water District active projects would include but not be limited to the following:

1. Plant No. 3 – Upgrade to 3 wells – Bid & Construction
2. Plant No. 1 & No. 6 - SCADA Upgrades – 95% complete
3. Plant No. 5 – Design of Treatment Facility to address 1,4 Dioxane – 60% Design Complete
4. WIIA Grant for 1,4 dioxane treatment – Plant 8-1

♦ 2022 Achievements:

Engineering Services: As of July 2022, the following construction-related projects and activities have been completed. In addition, achievements below also include a number of projects previously listed above for which design is completed and are awaiting construction.

Construction Completed:

1. Flanagan Center/Village Green Frontage & Parking Improvements
2. Heckscher Park Tennis Court Renovation
3. Heckscher Park Chain link Waterfall Gate Replacement
4. LIRR South Parking Lot Reconstruction
5. Crab Meadow Beach Pavilion Repairs – Stucco Siding and Coping Stones
6. Manor Park Synthetic Turf Field Replacement
7. Manor Park Septic System Upgrade
8. Manor Field – Spray Park and Playground
9. Greenlawn Park Playground
10. John Walsh Playground
11. Kew Avenue Playground
12. Gold Star Beach Playground
13. Centerport Beach Playground
14. Erb Farm Park Water Service Upgrade
15. Survey of Cold Spring Harbor Waterfront for future park beautification

Design Completed / Awaiting Construction:

1. Monarch Park Butterfly Garden, Commack
2. Village Green New Electrical Service/Transformer
3. Village Green Parking Improvements-Phase 3
4. Town Hall BMS Review/Upgrade
5. Elevator Lift – Records Center Town Hall
6. Boxer Court Fuel Tank Replacements
7. Madison Street Sidewalks
8. Heckscher Museum ADA Restroom Installation
9. Old Burying Ground Fencing

Engineering Services

James J. Ahrens, P.E., Interim Director

Building and Housing Division: In collaboration with the Town's Information Technologies (IT) Department, the Building & Housing Division continues the automation of the building permit process, which is expected to be available prior to the end of this calendar year 2022. The key project goals have included:

- Measurable improvement to the turnaround time associated with Applications, Permitting and Certificate of Occupancy processing
- Improvement in the transparency of the permit processing, both internally for staff and externally for residents and contractors
- Improvement in the process from the applicant's perspective through implementation of on-line, paperless submittals

Town staff as well as the public will be able to track the status of permit applications from a personal computer. We also plan on installing Kiosks with computers for permit tracking outside the Building Department for use by residents and the public.

Fire Prevention Bureau: Changes during the past several years to the Town Fire Code have required the conduction of fire and life safety inspections once a year in all commercial structures rather than once every 36 months. While this change has led to an increase in workload, we have offset this by continuing to leverage technology to streamline the permit and inspection process and further our goals of transitioning to a paperless inspection system. In order to meet these challenges, we have greatly expanded our use of ArcGIS in an effort to gain greater insight using contextual tools to analyze and visualize data within the field.

Dix Hills Water District: The District has established several Preventative Maintenance (PM) Programs that address the repair and/or replacement of the mechanical and electrical equipment at each plant site. These PM Programs ensure that our facilities remain in good operating condition and are available to supply water when needed. These programs extend the useful life of each facility.

The District completed a number of key projects during the past 2 years, among them being the Fuel Tank Replacement at Plant No. 1, and the Vulnerability Assessment/Emergency Response Plan update to include Cybersecurity protocol. The upgrade to the Supervisory Control and Data Acquisition (SCADA) system for Plant Nos. 1 & 6 is 95% complete. This SCADA upgrade will allow the District to better gather, monitor, and analyze information regarding water usage, quality, and system efficiency.

♦ 2023 Goals:

The Department's 2023 goals would include, but not be limited to the following:

Engineering Division: To continue to provide engineering design, construction and overall support to various Town Departments and their Capital Projects and ensure they are performed on time, within budget, and in accordance with approved Contract Documents. The Division will continue to assist other Town Departments with engineering support to address engineering concerns that arise during construction, post-construction, and maintenance activities, as required. The Division will also continue to provide conceptual and final design services, construction cost estimates, bid evaluation services, grant application assistance, and on-site construction inspection services.

Engineering Services

James J. Ahrens, P.E., Interim Director

Building and Housing Division: The ultimate goal of the Building and Housing Division is to improve and simplify the Certificate of Occupancy (CO) process from permit application through CO issuance. The Division continues to work with the Department of Information Technology to take steps to abandon the “paper system” and transition to electronic permitting. It is anticipated that full on-line paperless submittals will be available prior to year-end. In addition, through informative communication with the professional community of the improvements being made, the time spent by applicants will be reduced.

Fire Prevention: The Bureau of Fire Prevention will continue to expand system functionality within our notice of violation generator to allow field staff to make electronic annotations within previously created documents. This endeavor will continue our increase in productivity by reducing time and manpower spent in retrieving, processing and closing out documents as well as furthering our goals of transiting to paperless inspection system.

Dix Hills Water District: The Dix Hills Water District will continue to strive to provide safe water in the quantities needed to meet the peak hour demands at a reasonable cost. We will also continue to conduct over 10,000 laboratory tests annually to verify the water is safe. This effort will include testing for new unregulated contaminants as part of the EPA’s Safe Drinking Water Act.

The District goals include:

- Plant 3 Bid and Construction
- Plant 4 Well Rehab and Building Upgrade
- WIIA Grant for PFOA Treatment – Well 7-1
- Building Improvements – Plant 7-1 [siding, roof, windows, doors & asbestos abatement]
- Grant for District-wide Smart Meter Replacement Project

Environmental Waste Management

John Clark, Director

♦ Departmental Mission:

To develop and implement programs and policies designed to protect and enhance the environment within the Town of Huntington as it relates to solid and liquid wastes and recycling. To develop policy and draft Town legislation pertaining to matters that would protect or improve the quality of the environment or natural resources of the Town by providing programs that deal with solid and liquid waste and its effective treatment or disposal. To develop and implement public education programs on proper disposal of solid and liquid waste. Explore and create new programs in recycling, waste reduction or removal and wastewater treatment programs. Implement new State and Federal mandates as they relate to Town programs and facilities. These departmental goals will further the Town's strategic goals of implementing energy efficient programs, provide education to residents and further the Town's mission of fostering a sustainable Huntington.

♦ Legal Authority:

Chapter 68 of Town Code, March 3, 1998.

♦ Operating Environment:

The **Waste Management Administrative Division** of Environmental Waste Management oversees all programs that deal with solid and liquid waste management within the Town. This includes daily interaction of management with various divisions under Environmental Waste Management, advisory committees, special interest groups, government agencies and any other groups that fall under the purview of this department. To some degree, external issues such as State and Federal mandates affect departmental programs, grant monies, funding sources and public support for projects.

The **Resource Recovery Facility** is operated in full compliance with all applicable New York State and Federal Regulations for solid waste disposal. The available waste stream is subject to seasonal and economic fluctuations, however, sufficient waste is obtained from non-town sources as needed to maintain full capacity operation.

The **Consolidated Refuse District** provides sanitation, recycling and yard-waste collection through both municipal employees and private contractors to the residents of the Town's hamlets.

Monitoring of the closed and capped **East Northport Landfill's** methane gas and groundwater are mandated as part of the Record of Decision issued by New York State and is conducted, in full compliance with this decision, on a periodic basis by outside firms managed by Department staff. The integrity of the landfill cap and the gas control system are also periodically inspected and maintained in good operating condition.

Increased awareness of the Town's recycling efforts coupled with ever expanding programs has greatly increased the volume of residential traffic at the **Ernesto Modesto Chea Recycling Center**.

The **Smithtown Cell 6 Facility** still accepts Construction & Demolition materials from residents of both Smithtown and Huntington and transfers the waste to another facility. The Town of Smithtown manages the facility but Department staff reconciles the operating expenses as per an inter-municipal agreement.

The **Huntington Sewer District** operates a State permitted facility capable of processing 2.6 million gallons per day of sewage from the over 3,400 parcels located within the district.

The **Centerport Sewer District**, through an inter-municipal agreement with the Village of Northport, processes the sewage generated within the district at the Northport Sewage Treatment Plant. The Town maintains the sewer

Environmental Waste Management

John Clark, Director

lines and pump stations used to convey the sewage to the Village and compensates the Village based on the annual flows.

The **Waste Water Disposal District** continues to receive significant quantities (approximately 15 million gallons in 2022) of scavenger waste at the Scavenger Waste Facility (SWF) where Town licensed liquid waste haulers dispose of sewage extracted from cesspools and septic systems.

♦ Workload Indicators:

The workload in the Environmental Waste Management Department is a function of the following factors:

- Daily operation and overseeing of the **Resource Recovery Facility** and monitoring capacity to maintain fuel inventory. In 2021, 346,423 tons of solid waste were processed at the facility. We estimate this level will be maintained in 2022 and 2023. The processing of this waste generated 192,694 MWh of electricity that was exported from the facility to the local electric grid.
- The **Consolidated Refuse District** consists of more than 58,000 residential parcels that receive two refuse collections per week, fifty-two dual stream recycling collections and thirty-two yardwaste collections per year. The district also contains over 600 commercial parcels in the Business Improvement Districts (BID) that receive six collections per week by municipal employees. In 2021, 110,161 tons of solid waste, 7,509 tons of yardwaste, 7,133 tons of paper recyclables, and 4,981 tons of commingled bottles, cans and plastics were collected and processed from Refuse District parcels.
- Maintenance and repair of methane control and monitoring systems and removal of control system condensation at the **East Northport Landfill** has been successfully continued. No reportable amount of methane has been documented at any of the perimeter wells indicating the systems are working properly. There has been no reportable methane detected in over 10 years. Methane monitoring is done on a quarterly basis.
- The **Ernesto Modesto Chea Recycling Center's** drop-off recycling and household hazardous materials disposal programs continue to be successful. In 2021, approximately 784 tons of discrete recyclables, 58 tons of electronic waste, 5 tons of scrapped propane tanks, 2 tons of used textiles, 12,700 gallons of waste oil, 13,580 gallons of miscellaneous household hazardous waste liquids, and 44,967 lbs. of miscellaneous household hazardous waste solids were collected and processed through the facility.
- The **Huntington Sewer District** treated an average of 1,924,000 gallons per day of sanitary sewage in 2021. The treatment plant is permitted to process 2,600,000 gallons per day and remains capable of supporting limited commercial and residential growth within the district.
- The **Centerport Sewer District** generated an average of 13,040 gallons per day of sanitary sewage in 2021.
- The **Wastewater Disposal Division** received and processed 16,782,900 gallons of scavenger waste in 2021. The facility is capable of processing more than 25,000,000 gallons annually and therefore has been designed to support continued growth.

♦ 2022 Achievements:

The Department's 2022 significant achievements include the following:

- The **Huntington Sewer District (HSD)** has the following projects that will be completed in 2022:

Environmental Waste Management

John Clark, Director

- Rehabilitation of Primary Clarifiers 1, 2 & 3. There are 5 primary clarifier tanks that use sedimentation to settle solids out of wastewater. The clarifier tanks were last rebuilt in 1987. Parts to be replaced include rails, chains, sprockets, drives, shafts, baffles and the scum troughs. Primary Clarifier #1 was rehabilitated and brought back into service on March 17, 2022. Clarifier #2 will be completed in July of 2022. Parts were ordered for primary clarifier #3 in March of 2022 with an expected delivery date of August. Completion of the rehabilitation is scheduled for October 2022. Primary clarifiers #4 and #5 will require additional capital funding and it is expected that the entire project will be completed by 2024.
- Collection system rehabilitation. The sanitary sewer at Mill Lane has been pressure grouted to reduce inflow and infiltration of groundwater and stormwater. Sewer liners will be installed in July of 2022. Manhole NY-2 on New York Avenue will be rehabilitated and sealed against inflow and infiltration by plugging, patching, grouting and coating with mortar in July of 2022. In 2021, three miles of sanitary sewers were cleaned and televised. District Engineers are preparing a report based on the televised data expected to be delivered in August of 2022. The report will prioritize the repair work required for the sewers that were examined. Bid specs will be prepared to remediate all deficiencies in the televised sewers before the end of the year.
- The HSD's retained engineers have submitted a draft Engineering Study to increase its permitted treatment capacity. Use of existing available wastewater treatment capacity has provided development opportunities for continued economic growth and housing within the HSD while limiting wastewater nitrogen discharge to Huntington Harbor and the Long Island Sound. The Engineering Study will determine the facility improvements required at the Sewage Treatment Plant to facilitate the increase in processing capacity. Fifty percent of the study is funded by a Local Government Efficiency Grant with the NYSDEC.
- The HSD continues its capital program to increase capacity at the existing tertiary wastewater treatment plant from the SPDES permit limit of 2.6 million gallons/day (mgd) to approximately 2.8 mgd. The added capacity will reduce nitrogen discharge while utilizing advanced on-site systems at the treatment plant to meet the expanding needs of the community. The Town received a Suffolk County grant award of \$94,558 for upgrades at the treatment plant in order to increase capacity. The grant will provide 50% of the funding required to furnish and install two aeration racks, a pre-equalization tank pump and one effluent pump.
- The **Wastewater Disposal Division** replaced the grit screw and conveyor that had been in service since 1987. Work was completed on February 11, 2022. The pre-equalization tank blowers for the scavenger waste facility have also exceeded their useful life. Two replacement blower units were ordered in May 2022 with a delivery date expected in December 2022. The new blower units will be put into service in Q1 and Q2 of 2023.
- The Municipal Refuse Division of the **Consolidated Refuse District** purchased and put into service two new 27-yard rear loading garbage trucks. The Municipal Refuse Fleet now consists of fifteen garbage trucks eleven of which are used on daily routes. The remaining four trucks are used for yardwaste and bid can collection and as substitute vehicles when needed.

Environmental Waste Management

John Clark, Director

♦ 2023 Goals:

The Department's 2023 goals include the following:

- **Waste Management Administration's** goal is to process constituent service requests as they relate to solid waste collection, recycling and processing. Request types vary from specialized curbside collection of televisions, appliances and oversized bulk items; to reported violations of Town Code relating to solid waste disposal; to reported service requirement violations by the private carters. Service requests are documented by type in the Q-Alert Service Request Management System.
- The **Wastewater Disposal District's** goal is to receive and process liquid waste and septage from Town licensed liquid waste haulers at the Scavenger Waste Facility. The annual operating budget for this Special District is based entirely on revenues generated by the tipping fees liquid waste haulers pay to the Town for use of the Scavenger Waste Facility.
- The **Consolidated Refuse District and Recycling Center's** goals continue to be providing services to aid and promote recycling within the community. Efforts are directed at attaining target-recycling levels outlined in the Town's Solid Waste Management Plan. Dramatic shifts in world markets for recyclable materials took place in 2018. These market shifts have affected the economic viability of Huntington's recycling program and resulted in the Town utilizing a dual stream collection format for recycling pickup in order to maximize revenues for paper recyclables and limit the processing costs for commingled bottles, cans and plastics. In 2023, the Department will continue to implement recycling collection strategies that minimize the economic impact of the depressed recycling markets for glass, metal and plastics recyclables while still preserving the Town's commitment to the environment.

♦ Performance Measures :

Service Requests processed by Dept. of EWM:

Year	Completed Requests	Top Five Request Types In Descending Order
2016	3,413	E-Waste P/U; Report Garbage Violations; Appliance P/U; Yardwaste Missed P/U; Trash Missed P/U.
2017	3,048	E-Waste P/U; Report Garbage Violations; Appliance P/U; Yardwaste Missed P/U; Trash Missed P/U.
2018	2,939	E-Waste P/U; Report Garbage Violations; Yardwaste Missed P/U; Appliance P/U; Trash Missed P/U.
2019	2,585	TV Recycling P/U; Recycling Missed P/U; Report Garbage Violations; Appliance P/U; Trash Missed P/U.
2020	2,384	Recycling Missed P/U; Trash Missed P/U; TV Recycling P/U; Report Garbage Violations; Appliance P/U.
2021	1,839	TV Recycling P/U; Appliance P/U; Trash Missed P/U; Report Garbage Violations; Recycling Missed P/U.
2022 est.	1,450	<i>Estimate based on actual data for 2021 Q1 and Q2</i>

Environmental Waste Management

John Clark, Director

Scavenger Waste Processed:

Year	Gallons/Year
2016	21,808,856
2017	22,101,050
2018	21,783,050
2019	19,618,807
2020	18,064,050
2021	16,786,000
2022 est.	15,345,265

Recycling and Yardwaste Diversion: The Town is attempting to maximize the tonnage of materials diverted from the solid waste stream each year through recycling and yardwaste diversion in an effort to accomplish the waste reduction goals defined in the Town's Solid Waste Management Plan.

The recycling program experienced a significant setback in 2018 that continued through 2021 due to changes in the international markets for recyclables in Asia. This depressed market for processed recyclables was further exacerbated by the pandemic as local processors mandated that contamination levels in recyclables be significantly reduced. This strict enforcement resulted in many homes not being collected due to the presence of non-recyclable materials. The markets for recycled paper and cardboard recovered substantially in 2021. The Town currently receives a revenue for these commodities from our contracted recycling processor. Plastic, metal and glass recycling is still an expense and will remain so for the near future.

Additionally, the amount of yardwaste diverted throughout 2021 and the spring of 2022 saw a continued decrease in the amount collected due to the implementation of a ten bag yardwaste limit per scheduled collection event.

Year	Tons/Year
2016	40,597
2017	36,174
2018	35,431
2019	21,583
2020	23,441
2021	20,322
2022 est.	21,000

General Services

William Musto, Director

◆ Departmental Mission:

The Department of General Services is a multi-functional department whose mission is to provide maintenance services for all Town owned properties, facilities, vehicles and equipment.

◆ Legal Authority:

The Department of General Services was established by Town Board Resolution on September 14, 1982 (Chapter 32 of the Town Code, Local Law Number 10-1982). On August 11, 1992 and March 9, 1993, Chapter 32 of the Town Code was amended adding the division of Parks Maintenance. On June 6, 2000, Chapter 32 of the Town Code was once again amended to include the maintenance of all Town Parks including the Dix Hills Park Facility and Crab Meadow Golf Course as part of General Services. On May 6, 2014, Chapter 32 of the Town Code was again amended to include 2 Deputy Directors and 7 Divisions.

◆ Operating Environment:

The **Building Maintenance Division** administers, supervises and implements the construction, maintenance and repair of all town buildings and structures. This work includes skilled professionals in the following trades: electrical, plumbing, carpentry, masonry, painting and general maintenance.

The **Off-Street Parking Maintenance Division** administers, supervises and implements the maintenance, repair and construction of all municipal and commuter parking fields and garages. This includes the paved surfaces, drainage structures, associated landscaping, litter & trash removal, line striping and snow & ice control. In addition this section maintains memorial areas throughout the town, organic garden areas, numerous historic cemeteries and many other town facilities.

The **Vehicle Operations and Maintenance Division** administers, supervises and implements the maintenance, repairs, purchase and leasing of all town vehicles, except Highway, HART and Waste Management. In addition they manage and control the town fuel management system and tow abandoned and derelict vehicles as directed by Public Safety.

The **Parks & Grounds Maintenance Division** manages and implements the landscaping & ground maintenance of all parcels owned or leased by the Town, including parks and other town facilities.

The **Dix Hills Park Maintenance Division** administers, supervises and implements general and technical services regarding the maintenance and operation of the Dix Hills Pool, the Ice Rinks and the other recreational facilities on the property.

The **Golf Course Maintenance Division** administers, supervises and implements the construction, maintenance and repair of the Crab Meadow and Dix Hills Golf Courses.

The **Inter-Departmental Services Division** administers, manages and implements the acquisition and distribution of office supplies & equipment, inter-office mail, regular mail and packages. In addition they run the print shop and handle custodial services at Town Hall and the Flanagan Center.

General Services

William Musto, Director

♦ Workload Indicators:

As our town-owned buildings, vehicles, parks, playgrounds and parking lots continue to age, the need for maintenance & repairs exponentially, the strain on general Services resources is ever increasing.

♦ 2023 Goals:

- Continue Fleet Modernization
- Continue Sport Court Renovations
- Rehab Municipal & Commuter Parking Lots
- HVAC Improvements at Flanagan Senior Center
- Upgrade Fuel Dispensing Facilities
- Continue Energy Efficiency Upgrades
- Upgrade Town-wide Communication Networks
- Expand Tree Maintenance & Safety in Parks & Facilities
- Improve Services while Reducing Costs

♦ Performance Measures:

The QAlert system confirms that the department has responded promptly to thousands of requests for service, the vast majority within 24-48 hours, and hundreds of priority calls immediately.

Highway Department

Andre Sorrentino, Superintendent of Highways

◆ Departmental Mission:

The Highway Department is responsible for the maintenance and repair of approximately 800 miles of streets, roads, and right-of-ways in the Town of Huntington. It is also responsible for the maintenance of all existing drainage systems, which include 480 recharge basins, overflow pools, 25,000 catch basins, 500 miles of drainage pipe, 116,000 town trees, road striping and road signs. These responsibilities are a 24-hour, seven day a week obligation.

The Superintendent of Highways has instituted his pro-active policy as the fundamental mission of the Highway Department. We will provide the residents of the Town of Huntington and the motoring public with safe and well-maintained streets and roads. It is through sound and prudent financial administration that the Highway Office has been able to deliver these services at a time when fiscal resources have proven limited.

◆ Legal Authority:

The operation of the Highway Office is mandated by New York State Highway Law, Section 140, as enacted by the Senate and the Assembly of the State of New York.

◆ Operating Environment:

There are a variety of influences at work on roads and drainage systems throughout their service life. There is the normal wear and tear associated with usage. Environmental factors such as snow, ice, rain and dramatic fluctuations in temperature take a toll on existing systems. The climate on Long Island is a prime example of a freeze-thaw cycle. This cycle is particularly damaging to roads, in that the freezing and thawing has proven to weaken sub grades and bring about a more rapid deterioration of pavement. The environmental factors, coupled with an aging system of roads, have created a scenario where the effective administration of resources is essential in order to maintain the present level of services. The nature of the work performed by the Highway Department is labor intensive. In order to effectively implement the existing pavement management, tree management and drainage management systems, it is necessary to maintain existing staffing levels. In addition to planned improvements, a major responsibility of this department is to respond to requests from residents, Town departments, Village, County, State, and Federal officials.

The Highway Department provides the following town-wide services:

Safety of Residents & Public: Examples of steps the Highway Office takes for safety purposes include:

- Installation of guide rails in accident-prone road locations.
- Road Signs – larger and more reflective keeping them visible and improving sight distance at intersections.
- Implement Road striping program.
- Reorganize Tree Division for Tree Removal, Planting and Maintenance.
- Improve Snow Plowing and Ice Control methods.
- Drainage Construction and Control.
- Pothole repair.
- Sweeping of Roads.
- Road Rehabilitation Program.

Highway Department

Andre Sorrentino, Superintendent of Highways

- Issuing Permits for Parades, Block Parties and Construction.

The Comprehensive Pavement Evaluation Program: Employees of the Highway Department consisting of the engineering staff and road supervisors are trained in the Cornell College Road Evaluation Matrix System. In conjunction with that program we also are now working with National Grid Gas Systems, PSEGLI and your local Water Authority. This allows us to coordinate repaving roads upon completion of the installation of new gas lines and water mains. This process allows us to objectively evaluate all approximately 800 miles of roads within the Town of Huntington on an annual basis. The evaluations are generally conducted in the spring, prior to the commencement of our road rehabilitation program ensuring that all residents receive fair and equitable treatment with regards to road maintenance and rehabilitation. The last few winters have brought historically low temperatures over prolonged periods which accelerate the deterioration of roadways. Proper rehabilitation increases the longevity and useful life of pavement and improves the safety and ride-ability of Town roads. The Highway Department personnel perform as much routine maintenance and rehabilitation that staffing and equipment limitations allow, while roads requiring extensive rehabilitation are paved by a contractor so that realizes savings based on economy of scale. The increasing cost of asphalt and construction prices puts a greater demand on the Town's paving budget.

Drainage Management: Drainage management involves two phases: The first phase involves maintenance and improvements to address flooding issues, and the second involves the reduction of runoff within watersheds that discharge to Huntington's surface waters. The Highway Department is currently proceeding with a catch basin cleaning project using both Town-owned and Town awarded contractor's clam shells with a mapped area schedule starting on the South end of Town, moving north. In addition to the clamshells, the Highway Department has been utilizing our Vac-Con to clear locations that the clamshells are unable to reach.

The Town of Huntington Highway Department has made storm drainage issues a top priority. Prior to 2018, due to the need for additional drainage, the Highway Department had to allocate manpower to pump flood water from numerous areas that were threatening homes. The Town of Huntington Highway Department has installed/increased over 200 drainage improvements since January 2018 and as a result, the Highway Department has considerably reduced all of the major areas that required pumping.

The Highway Department utilizes State, City and Town contracts for a camera system that allows Drainage crews to view drainage structures for pipe blockages. Additional contractors can install new drainage, and the Highway Department is employing additional equipment to clean clogged pipes and silt-filled catch basins.

The Highway Department recently purchased a camera van, made for pipe scoping clogged and damaged drainage systems. With this vehicle and equipment, the Highway Department Drainage Team is now able to locate problem areas of concern that cannot be seen otherwise, greatly decreasing the amount of time and manpower.

Tree Management: There are over 116,000 trees in our database that are on Town-right-of-ways. The Highway Department is responsible for the maintenance, removal and trimming of these trees. The work performed is done both by Town personnel and private contractors. The work involves tree removal, trimming, and replanting. The tree department has been reorganized to allow for more efficient and timely removal of dangerous trees. The Town of Huntington Highway Department performs over 500 tree evaluations per year to ensure the health and safety of our Town trees.

The Highway Department has been utilizing their certified ISA arborists to evaluate Town trees generated by constituent concerns as well as standard tree observations. Arborists will make an official determination of the

Highway Department

Andre Sorrentino, Superintendent of Highways

health of each tree, diagnosing remedies such as pruning, elevating or eventual removal upon signs of decline for the safety of the area and surrounding residents. This tree program focuses on only removing trees that become a danger, and preserving the life of all other trees with preventative maintenance.

Asphalt Repair: Pavement maintenance is crucial to preserving the longevity of our Town roadways. Due to normal wear and tear such as weather and traffic, asphalt roads will begin to deteriorate after approximately ten years after it has been paved.

The Town's contractor mills and paves Town roads. Historically, the Highway Department receives funding to pave an average of 25 miles of road or less per year. A road retains 90% of its structural integrity for the first 10 years and thereafter, deteriorates to a point of almost total despair after 20 years. Highway Superintendent Andre Sorrentino has been meeting with community leaders, civic associations and residents to discuss the need to increase funding for paving.

The Highway Department receives between 1,500 and 2,000 pothole Service Requests per year. The Highway Department has recently been implementing the most effective pothole filling techniques, resulting in longer lasting pothole patches. The Highway Department continues to fill potholes as quickly and efficiently as possible, using the Town of Huntington GIS System to organize crews in scheduling this work in focused areas with our newly purchased hot boxes. Our goal is to be able to repair potholes within 24-48 hours.

Upon resident requests and foremen observations, asphalt restorations such as roadway regrade and asphalt berm installations are necessary to alleviate drainage issues and make roadways safer.

In addition to pothole repair, asphalt berm installations and regrades, the Town of Huntington Highway Department has built an in-house paving crew for areas in need of asphalt restoration that are small enough for our equipment to handle. This is ideal on streets that we cannot pave the entirety of, but are able to alleviate major asphalt deteriorations in localized portions of the roadway.

Sign Shop: This department is responsible for street signs and pavement markings. Street signs that have been damaged or faded are replaced by the Highway Sign Shop. This is especially important in instances where STOP signs or other traffic safety signs are in need of replacement.

The Highway Department Sign Shop has successfully re-striped many roads within the Town that have faded with time and normal traffic wear and tear. Other areas such as crosswalks and stop bars have also been repainted. This work is done both in house with the Sign Shop's new line striping machine, and contracted out to awarded vendors for epoxy based work.

Vehicle Maintenance Shop: This department is responsible for the maintenance and repair of all Highway vehicles, trucks, and machinery. The Highway Department has recently secured additional funding for the Mechanic Shop to restore many of the older equipment. The Highway Mechanic Shop is continuing to consolidate and organize the increasing inventory and equipment. The Shop has a way to safely store and clean our sanders to prevent rust and erosion, lengthening the lifespan of our equipment. The Highway Department has been using a purchased inspection machine that performs all gas and diesel vehicle inspections on-site. By doing this, it reduces time that our trucks are out of service and gets them back to productivity in a much quicker manner. All of these aforementioned improvements have decreased the amount of down-time for the vehicles and cut costs that would otherwise go to outside vendors. Superintendent Sorrentino has secured additional funding for the rehabilitation and restoration of older vehicles.

Highway Department

Andre Sorrentino, Superintendent of Highways

Street Sweeping: The Highway Office has a sweeping maintenance program that encompasses approximately 800 miles of Town roads. This service enhances the aesthetic appearance of the roads and protects the effectiveness of the existing drainage system. Removing sand and debris from the roadway is an essential component of roadway maintenance. The greater volume of material on the roadways coupled with increasing age of the Town's roads, has proven to make sweeping more difficult and time-consuming than previous years due to extreme snow. The Highway has a winter weather response effort in using primarily salt to pretreat roadways as opposed to a salt/sand mixture as used in previous years. In addition to the positive effect it has for snow and ice control, the lack of use of sand on the roadways relieves a percentage of residual sand left on the streets, helping the street sweeping program complete our area maps more quickly. With the help of the Information Technology Department, the Highway Department has also created www.huntingtonny.gov/streetsweeping for residents to be able to track the street sweepers, and see the completed areas, the areas currently being swept, and where they will be next.

Leaf Bag Distribution: The Highway Department distributes leaf bags to Town residents in order to facilitate the collection of leaves every fall. Keeping the leaves off the streets and out of the drainage system ensures the safety of the Town roads and the effectiveness of the drainage systems.

♦ Workload Indicators:

Resident Requests: The Highway Department Operations Center, located at the Elwood Administrative Office, will annually receive over approximately 20,000 calls, emails, walk-ins and numerous Huntington-At-Your-Service requests. All of these procedures aid in the Highway department accurately and promptly addressing any residential concerns. Many of these calls will involve resident requests for paving, street sweeping, snow and ice control, tree and tree limb removals, asphalt berms, aprons, and permits for curb cuts, block parties, banners, parades, street signs and striping.

Many of the functions performed by the Highway Department are contingent on the weather. The demands placed upon the resources of this department are directly related to the number, intensity, and severity of seasonal storms. In addition, roads and streets are dynamic structures greatly influenced by the workloads imposed on them by the size, weight and volume of traffic, which in recent years has been increasing.

Through effective operational management, there are approximately 800 miles of roads plowed and swept, 480 recharge basins maintained, 25,000 catch basins maintained and 2,000 leaching pools and 500 miles of drainage pipe maintained.

♦ 2022 Accomplishments:

- Maintained direct contact relationships with NYSDOT, PSEG and National Grid, and all other utility companies, resulting in successful and productive joint team efforts.
- Implementation of Primary Watershed project in Eaton's Neck that directly discharge to Northport and Huntington Bay to reduce pollutant loadings conveyed in road runoff to Huntington's surface waters, thereby improving water quality, which in turn affects public health, the conditions of our beaches and shellfish harvesting

Highway Department

Andre Sorrentino, Superintendent of Highways

- Fuel System –Continued work to computerized our fuel system to accurately calculate and tally fuel inventory in an efficient and precise manner. It also allows for all Town departments and any outside municipalities that are equipped with the appropriate software to fuel at Highway.
- The Highway Department has recently received two new F550s, two leaf machines, a skid steer, stump grinder, five sand spreaders, a track skid steer and two Toro mowers. These machines are being used on a daily basis.

♦ 2023 Goals:

The 2023 goals for the Highway department include the following:

- Implement tree inventory for the first time in 5+ years.
- Create In-House paving program for the first time in 10+ years.
- Rehabilitation of equipment and trucks.
- Drainage project that include revitalization of sumps and recharge basins.
- Purchases of two 10 wheel trucks, a sweeper, paving machine and other pieces of equipment related to In-House paving, tree truck, pick-up trucks and dump trailer.
- Eaton's Neck drainage project.
- Repair salt storage buildings.
- Restore sump pump system in the Elwood facility.
- Implement and upgrade line striping and pavement marking program.
- Install unenclosed structure for equipment storage.
- Upgrade sander storage system in the Elwood facility.
- Increase amount of paved roads each year.
- Weekly salt storage facility inspections for DEC.

Human Services

Carmen Kasper, Director

♦ Departmental Mission:

The mission of the Department of Human Services is to develop, administer, manage, expand and promote programs that benefit the residents of the Town of Huntington.

♦ Legal Authority:

Local Law #9, Adopted 12/12/89 and Chapter 39 of the Town Code.

♦ Operating Environment:

Minority Affairs: Serves as a liaison to the minority communities keeping residents informed of Town services, programs, employment opportunities and events. This Division strives to improve working relationships with leaders of minority organizations and minority residents by addressing concerns of the minority communities and also by providing various programs throughout the year to improve the lives of people. The Division coordinates many programs including, but not limited to, the Back-Pack Program, Holiday Turkeys, Holiday Shopping Trip, Holiday Gift Collection, Saint John's Summer Camp, Hispanic Heritage Month and Black History Month events. The Division serves as a resource to the community providing assistance, referrals and information.

Senior Citizens: Responsible for providing Huntington's Senior Citizens age 60 and over, with diversified programs and services, enabling them to remain physically and mentally active, socially involved and as independent as possible.

- ***Nutrition Program:*** Provides nutritious meals at the Senior Center and at the Adult Day Care Center. Meals are also delivered to homebound seniors in the Town through the Home Delivered Meals Program.
- ***Adult Day Care Program:*** Provides a comprehensive program that addresses the needs of those who, in their later years, require a structured, supervised environment that promotes social interaction with peers, emotional support, intellectual and physical stimulation. Both group and individual activities are provided.
- ***Expanded In-Home Services for the Elderly Program (EISEP)/, Community Services for the Elderly (CSE) Housekeeper/Chore Program:*** Provides functionally impaired persons age sixty and over, who are not eligible to receive the same or similar services available under Title XVIII, XIX, or XX of the Federal Social Security Act or any other governmental program, with non-medical, in-home services (light house cleaning, grocery shopping, and laundry). The purpose of this service is to allow these seniors to remain safe, independent and in their own homes.
- ***CSE Caregiver Program:*** It is designed to help sustain the efforts of caregivers who normally provide the daily care and supervision of an elderly person(s). It promotes and supports the ability of individuals receiving care to remain in their homes instead of being placed in residential facilities by providing support to their caregiver(s).
- ***Residential Repair Program:*** Provides minor residential repairs and renovations to upgrade substandard, unsuitable or unsafe housing for homeowners age sixty (60) and older who are incapable of maintaining their homes on their own within the Town of Huntington. Participants are responsible for parts/supplies. There is no charge for labor.

Human Services

Carmen Kasper, Director

- ***Recreational, Educational and Health Programs:*** They include art classes, caning and rushing, book club, dance, exercise, bingo, yoga, meditation, knitting and crocheting, music instruction, choral groups, movies, bridge, mahjong, multi-media art program, pool tournaments, brain gym, discussion groups, day trips, informational presentations, and monthly blood pressure screenings among the many other services and activities offered at the Senior Citizen Nutrition Center and Senior Beach House at Centerport Beach. In addition, we offer computer, tablet and smart phone training.
- ***Senior Beach House:*** This is an additional site for Senior Citizens to congregate. In addition to the Senior Center, this site provides recreational, educational and health programs.
- ***Senior Clubs:*** There are nine (9) Clubs sponsored by the Town. The Clubs meet at various locations throughout the Town, providing more intimate recreation and socialization opportunities for our seniors.

Services for People with Disabilities: Responsible for the distribution of beach stickers for persons with disabilities who meet the criteria for eligibility, also prepares a bi-annual newsletter. The Division serves as a resource and information referral center. It works with the Superintendent of Highways to facilitate the removal of snow berms at households of individuals who are eligible for the program. Human Services is responsible for screening all applicants for snow berm removals. Services for Persons with Disabilities also coordinates blood drives, and a summer employment program. The Director of Human Services serves as the liaison to the Citizens Advisory Committee. The CAC meets once a month at the Flanagan Center's Conference room. except in August.

Veterans Affairs: Offers assistance to the veteran community in a friendly and personal manner, such as housing issues, employment, health, welfare, socialization and families in crisis. This office serves as a hub for the various veterans' organizations to share information, upcoming events, and promote public awareness for veterans. Under Veterans Affairs is the Veterans Advisory Board created in 1988 which serves as the nucleus for all veteran organizations to gain knowledge and share ideas for the betterment of the veterans' population of Huntington and Suffolk County. Veterans Affairs promotes public awareness to the civilian residents of the history and valor of the veterans. This effort has encouraged residents to attend events honoring the veterans' community. Annual events such as Memorial Day and Veterans Day Parades, specific military anniversaries are held at Town Hall Veterans Plaza. The 9/11 ceremonies are held each year in September at the site of the memorial in Heckscher Park. The Veterans Information Kiosk created through a grant from Suffolk County is located in the lobby of Town Hall with pertinent information of local veteran's war experiences, key information of each war fought by this nation and names of the killed in action from Huntington. The kiosk has travelled to local schools for students to view.

Women's Services: Facilitates the Huntington Women's Advisory Council, consisting of a membership of not-for-profit agencies and for-profit businesses that meet approximately four to five times per year, with a focus on women in the workplace, arts, education, health, fashion and family. A main goal of the Division is to form a strong, productive and communicative Council that serves as a voice in our community. It strives to share information so that residents will be aware of the various services provided by many different organizations. The Division facilitates seminars that deal with substantive women's issues. Additionally, the Division, in conjunction with the Town Board, hosts an annual Women's Networking Day and Awards Ceremony.

Huntington Human Services Institute, Inc. The Institute is instrumental in allowing the Department of Human services us to partner with outside agencies in the planning, promotion and presentation of various town-wide events to meet the needs of residents. The Institute is a vehicle which enables us to extend our in-house programs.

Human Services

Carmen Kasper, Director

♦ Workload Indicators:

The Department of Human Services is directly responsible for the coordination of many public programs within the Town of Huntington. The Department monitors contracts with various social agencies that provide vital services for the residents of Huntington. The Human Services Department works diligently to meet the needs of the community.

Human Services Department also serves as the liaison for many Task Forces and Committees to the Town Board. The Task Forces are the Huntington African American Task Force, Huntington Anti-Bias Task Force, Huntington Asian American Task Force, and Huntington Hispanic Advisory Task Force. The committees are Citizen Advisory Committee for persons with Disabilities and the Veterans Advisory Board.

The Minorities Affairs Division services the community using resources not only offered by the Town, but by the County as well as the State. Many of the programs offered are through local donations made by churches, local businesses and private citizens. This Division connects people with jobs, housing, scholarships, programs, and services throughout the year. The number of minorities that do not speak English are increasing every year in our Town; the services provided by this Division are essential.

There is a steady demand for services for senior citizens. The Nutrition Center handles the planning, ordering, stocking, preparation and cooking of meals for senior citizens. The Home Delivered Meal Program (HDM) provides nutritious meals to home bound seniors. The Expanded In-Home Services for the Elderly Program (EISEP)/CSE Housekeeper/CHORE, provides in-home visits to seniors for light housekeeping and laundry assistance. CSE funds caregiver support and respite programs. The Residential Repair Program provides minor repair assistance for senior participants. Each of these programs receives funding from Suffolk County Office of the Aging (SCOFA) with monthly vouchers, reports and annual monitoring. The Senior Division has realized a significant increase in the number of daily participants at the Senior Center, including a marked increase in the number of seniors coming to the Center for lunch. This is much due to the high cost of meals nowadays.

Veterans Affairs services over 9,000 veterans that reside in Huntington. Help and support is offered whenever needed, especially for any emergency situation, such as emergency food, housing, employment, etc.

♦ 2022 Achievements:

The 2022 accomplishments include:

The Huntington African American Advisory Task Force:

- Co-sponsoring the Anti-Bias Concert in August 2022.
- Working on creating a newsletter.

The Huntington Anti-Bias Advisory Task Force:

- Co-Sponsored the Huntington Anti-bias Concert.
- Co-sponsored the Not IN Our Town Northport Vigil.
- Co-sponsored the Not IN Our Town Northport Family Pride Picnic.
- Published 5 bi-monthly newsletters.
- Implemented the Social Justice Ambassadors Program with High School students from throughout the town.
- Held monthly meetings with guest speakers from various communities and protected classes, such the LI Chinese American Association, American Jewish Committee, County Department of Health and more.
- Attended events supporting groups, such as Hanukah with the East Northport Jewish Center where the Rabbi and families were verbally attacked.

Human Services

Carmen Kasper, Director

- Attended Suffolk County Interfaith ABTF monthly meetings.

Asian American Advisory Task Force:

- Contacted Suffolk County administration with the help of our Town liaison to put a cross walk sign on Park Ave near Noor Mosque.
- Designed Task Force logo and letterhead.
- Planning stage with Heckscher Museum: participation in the Museum's Draw Out! Event in September.
- Co-sponsoring the Anti-bias Concert in August.
- Preparing the Task Force's pamphlet.

Citizens Advisory Committee for Persons with Disabilities (CAC):

- Bathrooms in Flanagan Center were redesigned to permit easy access for wheelchairs.
- Increased days and time for disabled children at Spray Parks.
- Worked with Heckscher Museum concerning bathrooms accessible to people with disabilities.
- Worked to increase stay on walking paths through Heckscher with new dog walking policy.
- Dix Hills pool installed a pool disability lift to aid persons with disabilities enter and exit the pool.
- Increase assistance with exit and entrance to HART bus.
- Fixing of dangerous opening at Panera's parking lot.
- Calling attention to needs at Beach House bathrooms so that changes may be made.
- Crossing lights installed at 25A and Woodbury Rd. and 25A and Jackson Ave.
- Reporting cell phone and radios dead zones around Huntington with the HART bus.
- Traffic signals on 25A through the Town have had audio systems installed to aid persons with disabilities cross the road.

Hispanic Advisory Task Force:

- Created a Task Force logo for banner.
- Planning a fundraiser to collect funds for the scholarships to be given to High School Seniors going to College or to Technical Schools.
- Working on the Hispanic Heritage Month Celebration having secured a date, venue and keynote speaker. The celebration will be on Friday, October 21 in Town Board room.
- The Hispanic Task Force has initiated the process of creating a yearly fundraiser to provide scholarship funds for our Hispanic College bound senior students. This is the first time the Task Force is embarking on this type of project and look forward to a great success beginning with a 5K walkathon at a local park.
- The Task Force, in partnership with the Dolan Health Center- Social Work department, will be creating parent workshops for new, (teen) mothers.

Minority Affairs:

- Last Year's Black History Celebration was virtual this year The Minority Division looks to coordinate this effort into bringing everyone back together for an in-person event in 2023.
- Facilitated the participation of children in summer camp with outside financial support.
- Provided information and referral to residents in need of housing assistance, employment assistance, school scholarships, social service information as well as unique challenges that people may have.
- Coordinated summer employment opportunities for youth with various agencies. Hired 16 Youth Workers at \$15 per hour to place at the Camps and Summer Youth Connection. Youth Workers will be mentored on a weekly basis and visiting local businesses.

Human Services

Carmen Kasper, Director

- Coordinated meetings between many Town organizations to organize food distribution and to find ways to get funds to continue distributing the needed food.
- Minority Division and Suffolk County Department of Labor partnered in assisting residents that are struggling financially to pay for the Commercial Driver Training course.

Senior Center:

- Developed and continued a drive-by food distribution system, due to COVID-19 and parking lot construction with expanded the congregate, home-delivered and emergency meal distributions. Along with the weekly meals, an informational packet was included.
- Redeployment of Senior Division Staff to assist the Receiver of Taxes Department during COVID-19 with the processing of tax payments.
- Extensively expanded telephone reassurance program due to COVID-19 for approximately 900 registered seniors.
- Videos were created by ADC staff to reassure, inform and entertain our seniors.
- Referred numerous seniors to newly hired part-time LMSW to address social, economic, emotional, psychological and financial needs.
- The Senior Center successfully booked highly requested musicians for special events such as, 90 & 100+ Party, Halloween Party, Veterans Day Celebration, Holiday Time Music and a New Years' Eve Party.
- SCOFA Monitoring confirms that all items and documents were in legal compliance.

Adult Day Care (ADC):

- Plans are in the works to expand our small group activity room to accommodate additional participants.
- Live professional entertainment, Memories at the Movies, Long Island Museum with their engaging programs and trips to Centerport Senior Beach House have all returned to ADC.
- Outreach efforts have increased to include pre-schools, elementary schools, attorney's offices, doctor's offices, realtors, religious institutions, online community message boards, Huntington Hospital's welcome and discharge packets, civic organizations, local businesses.

Expanded In-Home Services for the Elderly Program (EISEP):

- Aides maintained proper safety procedures and guidelines by wearing protective equipment and social distanced at all times.
- Aides took every precaution by wiping down groceries items before they entered the client's home.
- Provided telephone reassurance to clients for emotional support.
- Aides delivered weekly handouts containing pertinent updates on the Senior Center.
- Aides provided hand sanitizers, test kits and masks.
- SCOFA Monitoring confirms that all items and documents were in legal compliance.

Home Delivered Meals (HDM):

- In fiscal year-over-year comparison of 2020/2021 to 2021/2022, the HDM Program has expanded the community members served by 13% (235 to 269), increased the number of community members registered by 13% (110 to 126), and increased the overall number of meals served by 18% (32,943 to 39,672).
- Distributed 1,002 Shelf Stable Meals emergency meals, provided by SCOFA, in June 2022, as compared to 948 May 2021.

Human Services

Carmen Kasper, Director

- Continued and increased collaboration with Hands on Huntington (HOH) to provide coordination of services and community resources to assist homebound seniors maintain their quality of life and independence in their home.
- Referred numerous homebound seniors to newly hired part-time LMSW to address social, economic, emotional, psychological and financial needs.
- SCOFA Monitoring confirms that all items and documents were in legal compliance.

Nutrition:

- Due to COVID-19, an increased population was served for Home Delivered Meals (HDM) and Congregate Meal programs. The packaging of food, for drive-by and home-delivered meal participants, has been possible through the coordination with outside food vendors (ZAN'S frozen meals, Project Hope produce and dairy, Island Harvest and community donations), and with our in-house kitchen staff.
- 2022 - Shelf Stable Meals 2,202 were provided to seniors, up to June, so far.
- Served 59,255 Congregate Meals from 4/1/2021 – 3/31/2022. An average 227 per day.
- Served 39,672 Home Delivered Meals from 4/1/21 – 3/31/22. Average of 152 per day.
- Delivered meals and/or care packets to seniors in need not on the HDM program, due to COVID-19.
- New and much needed Walk-in Freezer installed and funded by SCOFA.
- SCOFA Monitoring confirms that all items and documents were in legal compliance.

Residential Repair:

- Residential Repair continued uninterrupted service to the seniors of Huntington during the June 2021- May 2022. Enrolled and serviced 820 seniors of which 355 were new first-time seniors to the program. This averages out to approximately 68 seniors per month. They are averaging 10+ calls a day, with one day totaling 22 calls for assistance. Their voluntary, anonymous contribution was \$8,324.00.
- SCOFA Monitoring confirms that all items and documents were in legal compliance.

Senior Advocate and Support:

- The Senior Advocate continued to provide resources to seniors in the Town of Huntington, assisting seniors by providing, interpreting, and completing public assistance applications.
- Seniors seeking outside services were referred to agencies and/or individual professionals who specialized in the areas needed.
- Caregiver and Bereavement Support Groups, SCOFA Advocate information and registration provided.

Senior Beach House:

- Re-opened with an implemented plan for safety measures and precautions.
- Implementing the new registering membership forms and membership cards.
- Painting of all interior rooms at the Beach House and Cottage, outdoor pavilion and bathroom.
- Cottage bathrooms updated to meet ADA compliancy, i.e. handle bars.
- Pavilion rentals resumed in June.
- Senior Kayak - Boat Rack: \$25.00 fee for seniors. Approximately 70 spaces filled.
- New expanded senior kayak program at Centerport and Fleets Cove Public Beaches at \$25.00 senior rate which opened 100 spaces from wait list reducing the wait list to 101.

Senior Clubs:

- Eight (8) out of (9) clubs have resumed in-person meetings.

Human Services

Carmen Kasper, Director

Senior Citizens Social Worker:

- Through a contract with the Suffolk Y Jewish Community Center (Suffolk YJCC) the Human Services Department was able to add the services of a part time Licensed Master Social Worker (LMSW) to the Senior Center staff.
- Communicated regularly with the Suffolk County Office for the Aging (SCOFA) Senior Advocate.
- Provided telephone reassurance to seniors.

Senior Volunteers:

- Senior volunteers have resumed assisting chip room, dining room and activities.

Veterans:

- Continue to provide communication among the various veterans' organizations for awareness of veterans' activities and programs to assist their needs.
- Veterans Advisory Board supports the annual "adopt a family" project for the Christmas/Holiday season by providing donations of gift cards for the children of Veterans' families in need. Each year the VAB donates \$500.00 from designated funds earmarked for veterans causes.

Women's Services:

- April Spring Meeting: Meet and Greet.
- Presentations on: Mental Health Awareness, Undiagnosed Postpartum Depression, Positive Brain Works, Healthy Eating and Lifestyle Management During a Pandemic.
- The Women's Networking Event will be scheduled for October of 2022.

◆ 2023 Goals:

The Department's 2023 goals include the following:

- Continue the constant communication between Divisions in the Department to further improve services.
- Work with the Department, the PIO in the Town, and the new Director of Communications in the developing of an informational booklet regarding ADA.
- Evacuation Plan for the Flanagan Center in case of a shooter, working with the Director of Public Safety.
- Set up A Dress for Success type of program in Flanagan Center premises.
- Team an Outreach Coordinator with bilingual staff member for additional outreach.
- Continue providing summer employment opportunities for differently abled individuals.
- Expand information and accessibility to persons with Limited English Proficiency.
- Increase awareness on the services that the Human Services, Senior Center, Adult Day Care provide through social media networking working with Director of Communications.
- Continue efforts to increase the diversity in attendance at the Senior Center, EISEP/Chore and Beach House as well as Veterans.
- Present a grant to EOSPA for the beautification of the area across from the Senior Center.
- Increase dissemination of critical information to help individuals with disabilities.
- Continue participation and involvement in the different Town sponsored and community events.
- Minority Affairs: Identify how many minority businesses are located in the Huntington community and evaluate them after identification. All this will lead to finding ways to help them get the necessary resources to make their businesses successful.

Human Services

Carmen Kasper, Director

- In addition to minority business needs, minority outreach in the community is necessary to find common needs to be able to serve them better, find resources that will help them improve their daily lives.
- Seek out additional funding sources to enable our goals to be accomplished.
- Senior Division: Expand programming and qualified support services to meet the needs of our growing senior population. Provide programs and activities that promote socialization, independence and inclusiveness in a safe environment. As COVID-19 guidelines become less restrictive, the Senior Center intends to carefully increase in-person programs and activities that are beneficial to seniors.
- Nutrition: Home Delivered Meals (HDM) - To continue to provide 5 nutritious meals per week, as approved by the SCOFA registered dietitian, to Town of Huntington homebound aging community members up to the allotted budgeted amount as determined by SCOFA. Distribute Shelf Stable emergency meals as provided by SCOFA to homebound community members. Continue to collaborate and refer to various resources to provide the necessary social services to the Home Delivered Meals client base.
- Continue outreach to members and caregivers via: videos, zoom, telephone calls, emails, birthday/sympathy cards, care packages and resource information.
- Expanding In-Home Services for the Elderly Program (EISEP): Opening up new clients from the wait list. Resume in-person initial and 6th month assessments. Hire an additional part time EISEP worker.
- The Senior Social Worker will expand in-person Bereavement and Caregiver Support Groups at the Senior Center.
- Secure a Veterans Commemoration location for plaques, statues and garden in the Flanagan Center.
- Senior Beach House: Resume and expand Programs and Activities, Art Classes in the Cottage, picnics and barbeques, provide umbrellas for picnic tables, establish time limits on porch use when in high demand.
- Further expand Senior Kayak Program to additional public beaches at the \$25.00 senior rate. Coordinate with Maritime Department regarding Kayaks' location/placement.
- Coordinate senior beach house improvement projects with various organizations such as Boy Scouts (Eagle Scout Award) and Girl Scouts (Silver Award).
- Senior Volunteers: Develop updated volunteer list and schedule as needed. Continue providing opportunities for hiring of new volunteers, and coordinate volunteers for future Women's Division "Dress for Success" type program. Continue collaborating volunteers with Suffolk Retired Senior Volunteer Program (RSVP).
- Continue to help individual veterans and their families in crisis, provide appropriate American Flag Disposal service to residents, and conduct park and street dedications.
- Search for grants to provide improvements for Veterans Plaza.
- Provide handicapped lift through DASNY Grant \$58,000 for handicapped access to Veterans Plaza.
- Provide burial assistance, housing assistance, employment help, and families in crisis assistance.
- Encourage Veterans awareness to the civilian community to respect and honor veterans.
- Under Veterans Affairs, continue to memorialize the Huntington 9/11 victims and Huntington First Responders at the 9/11 Memorial in Heckscher Park specifically for their families, public is welcome to attend.

◆ Performance Measures:

The performance measures that will be used to measure progression toward departmental goals are as follows:

- African Advisory Task Force: To establish newsletter to open up communication with community.
- Anti-Bias Task Force increased enrollment and outreach.
- Asian Advisory Task Force: Involve and inform the Asian American community in Huntington.
- Citizens Advisory Committee for Persons with Disabilities: Increased attendance, outreach, and improved services.

Human Services

Carmen Kasper, Director

- Hispanic Advisory Task Force increased membership and participation in organized community events as well as educational programs. Establish a substantial student scholarship fund.
- Monitor and track new programming and services offered to seniors, minorities, veterans, women and people with disabilities and distribution of Calling All Seniors, ADC Newsletter, ACCESS, and HABTF newsletter.
- Senior Division: To increase membership and awareness to the Town of Huntington Senior Community, the Senior Center advertises programs and activities in the monthly Calling All Seniors newsletters, and through the centers' email distribution list. The Notify Me Email Distribution List consists of 2,719 senior members and projects to increase to 3,000 by year end. Flyers are posted on Town of Huntington's and Seniors Centers' social media and webpages. Division will work together with new TOH Media department to promote Senior Division programs. Through the Senior Centers' Telephone Reassurance Program, Town of Huntington seniors are verbally made aware of programs and activities currently being offered. Senior Citizen Aide conducts outreach throughout the community, with a focus on Adult Day Care promotion and awareness with a goal to produce 5 ADC assessments a month.
- Rebuild volunteer support program and increase number of volunteer instructors for senior programs.
- Expand further develop Senior Veterans Tribute area in Sun room at Flanagan Center and designate with a name.
- Adult Day Care: Number of assessments performed – monthly. Number of people enrolled as compared to number of assessments – monthly. Number of people enrolled and attending program- monthly. Number of people discharged and reasons why – monthly. Income generated monthly, number of networking opportunities attended. Number of contacts made. Type of follow-up with contacts. Outreach/marketing efforts assessed for types of locations/organizations contacted – monthly. Number contacted. Results of contact, marketing giveaways.
- Senior Clubs - Increase membership by 20% in each club.
- Residential Repair: Increase client service efficiency with improved appointment scheduling. Increase the number of clients served via outreach and marketing. Hire/add two craftspeople to the team in order to keep up with demand/need of services.
- The Senior Advocate and Support, Senior Social Worker - The Senior Center advertises senior advocacy and support on the Town of Huntington's and Senior Centers' social media and webpages and Calling All Seniors newsletter. Caregiver and Bereavement support groups emphasis, due to post COVID needs.
- All Senior Division Department items and documents will be following SCOFA regulations and requirements.
- Minority Affairs: Monitor and track outreach efforts and minority enrollment.
- Veterans: Monitor and track the welfare of Town of Huntington Veterans through strong communication with all veterans' organizations within the town.
- Evaluate veterans' needs through the Veterans Affairs Division and the Veterans Advisory Board which has open communication with each Veterans Post.
- Women's Advisory Council: will increase membership to pre COVID-19 Pandemic numbers. In house meetings with at least 50% in person participation.

Information Technology

Dave Genaway, Director of Information Technology

◆ Departmental Mission :

The mission of the Department of Information Technology (IT) is to provide and maintain the technical foundation that enables the Town to deliver and expand its many services to Huntington's residents and businesses in a timely, intuitive, and cost-effective manner. The Town recognizes that, done properly, investment in technology systems and hardware delivers exponentially greater savings, efficiencies, and service levels to our residents. To deliver those benefits, the IT Department must strive to excel at the following:

- Maintain the technical infrastructure and systems at the highest performance, highest security, and the lowest cost supporting the Town's mission and strategic goals.
- Develop and implement a technology vision that enables each area of the Town to improve on its mission; supporting the Town's strategic goals within the constraints of available resources.

◆ Legal Authority:

Local Law No.12-2006 established the Department of Information Technology as enacted by Town Board Resolution #2006-289 on April 25, 2006.

◆ Operating Environment :

The IT Department exists within an operating environment that is both challenging and dynamic. The basic operations are broken down into the following areas:

- **Technical Team:**
 - Hardware maintenance – Maintenance of and capacity planning for computers, servers, storage, and other hardware components.
 - Network support – Administration, monitoring, cybersecurity, and capacity planning for Town's expanding facility networks, wide area network, Wi-Fi network, CCTV, and wireless device capabilities.
 - User Training – Using enterprise software and systems, educate the town users on how to avoid cyber threats and phishing attacks.
 - Technical Support - Provide technical support for all Town operations as needed. This includes the support of hardware, software, enterprise applications, cybersecurity policies, and other devices that integrate data, data protection and backup, and equipment.
- **Solution Team:**
 - Maintain current software solutions and collaborate with Town departments in delivering new solutions, as the Town's needs change and expand.
 - Web-based applications - Develop and maintain web-based solutions that leverage the internet to better serve the Town's mission.
 - Applications and operations support.
 - Geographic Information Systems configuration, training and support, geospatial research, special projects and web/mobile application deployment.
- **Document Management:**
 - Digitized town-wide documents.
 - Administrator for Laserfiche.
 - Administrative/Support.
 - Document workflow resulting in integrations between Laserfiche and other third-party software.

Information Technology

Dave Genaway, Director of Information Technology

- **Broadcasting/Media:**

- Provide all Audio-visual production services for Town.
- Television and broadcasting administrative and support.
- Video Conferencing (Zoom) administrative and support.
- Media special projects including public service announcements and interviews with key public officials.

♦ **Workload Indicators:**

The workload for the IT Department is as follows and requires the staff to continually develop new skills and build upon their existing knowledge base. Furthermore, it must maintain awareness of emerging technology trends, how technology is being applied elsewhere to address the challenges of municipal government, and an awareness of the challenges and opportunities of each of the Town departments. Furthermore, it must now allocate increasing resources to stay attuned and responsive to the growing quantity and complexity of cyber threats to the Town's interests. Our mission is to develop a strategic IT vision that provides enterprise solutions that is transparent with highly functional operations to deliver results, improve processes for the Town's 200,000 plus residents. Specific indicators include:

- The IT department performs the conceptual development, planning, technical analysis, design, procurement, implementation, operation, and support of the Town's technology infrastructure and services.
- Develop and maintain a highly effective, reliable secure, and innovative information system to enable the Town's functions. Almost 100% of critical Town functions are reliant on the products and hardware that IT provides.
- Delivered information and services to over 1,000 full-time and permanent part-time employees. The summer employee load increases to over 1,500.
- Manage, administer, and support a secure wide-area network (WAN) with over 2,000 connections at over 20 locations. Support helpdesk for over 1,000 employees.
- Facilitate the storage, security, integrity and backup of electronic data while ensuring appropriate systems and hardware control.
- Maintain business continuum by support employees' to the Town's network on/off-site.
- Maintain business continuum by permanent employees' to the Town's network while working remotely during a pandemic or for other authorized reasons.
- Promote and facilitate the effective integration of technology and systems. Also, consolidate aging systems or hardware that are reaching end-of-life.
- Provide leadership and effective strategic and tactical planning in the use of technology.

♦ **2022 Achievements:**

The IT Department's significant 2022 achievements include the following:

- Partnered with Town departments to implement information systems and functions that support major Town initiatives. Examples include, but are not limited to:
 - Enhanced VPN capability allowing remote access for all town employees
 - Continued build-out of Town wide enterprise IP telephone system.
 - Developed solution for conducting, recording, and distributing remote Town Meetings.

Information Technology

Dave Genaway, Director of Information Technology

- Continued progress in improving the Town's IT infrastructure and cybersecurity capabilities - adding password and email security layers.
- Acquired the services of proven cybersecurity firms to analyze and fill any security gaps and to implement multi-factor authentication (MFA)—an industry standard.
- Continued build-out of Municipality enterprise-wide system to support various department operations (i.e. Tribunal, Public Safety, Code Enforcement, and Planning).
- Procured and implemented a universal permit tracking system for Building and Housing, the Town Clerk, Planning, and Maritime Services (OpenGov).
- New Parks & Rec interface and payment gateway for in-house POS and online payments.
- Continued support of the Time and Attendance system to include Payroll processing services—a critical requirement for sound Town management and fiscal health.
- Vehicle mobile work systems to allow town inspectors to work remotely in the field.
- Digitization of historic paper-based aperture cards in Laserfiche, thereby making it accessible by public and field-based Town employees. Comprehensive re-organization of the back-end folder structure in Laserfiche that enables integrations with GIS and all Permit-tracking systems (Municipality and OpenGov).
- Upgrade/replacement of Towns' end of life Workstations
- Continue build-out of MDM software to support the Town's mobile devices and applications (phones, iPads, laptops).
- Upgrade the Visitor Management System—now allows the use of passport documentation.
- Continued steady progress in digitizing the Town's active paper-based and microfilm information to adhere to NY State's LG-1 schedule.
- Produced Audio/Video content for Town Departments and Elected Officials.
- Expanded Wi-Fi access including town vehicles
- Replacement of end-of-life desktop computers with longer-life, more energy-efficient systems.
- Created a minimum of 6 additional GIS web and mobile applications.

◆ 2023 Goals:

The Department's 2023 goals will be fluid to respond to the Town's goals, but include the following:

- Continue advances towards protecting the Town's information and infrastructure from Cyber-attacks.
- Expand password management policies
- Expand and implement multiple internal and external user technology policies.
- Expand and implement EDR – Endpoint Detection and Response.
- Expand and implement continuous network and system monitoring for cyber attacks.
- Continue to develop/upgrade our Disaster Recovery site, expansion of servers and storage, and fail over for Enterprise IP Phone System.
- Harden and upgrade all aspects of the Town's current data center including but not limited to: Cybersecurity monitoring equipment, data storage and backup, virtual machine servers, air conditioning units, system health devices (temperature and humidity), and fire suppression safety.
- Initiate new contracts/agreements for off-site data backup outside of the northeast climate zone.
- Partner with Building & Housing Department to build-out our new OpenGov system to simplify workflow and permitting processes.

Information Technology

Dave Genaway, Director of Information Technology

- Continue implementation of a sufficiently robust phone/telecommunication infrastructure. Establish relationships with multiple carriers to ensure redundancy.
- Continue the support of the Town's Land Management system and processes (Govern).
- Support in partnership with the Public Safety department, the installation, and expansion of a Townwide video monitoring and security system for key Town locations.
- Update obsolete equipment essential in the recording and distribution of video content. Granicus server upgrade, Leightronix server upgrade, TB Room audio system upgrade, Video storage upgrade.
- Expand the functionality of the Town's existing Granicus system to include an agenda management workflow for all boards: Town Board, Planning Board, Zoning Board of Appeals, Board of Assessment Review, EOSPA, etc.
- Continue the digitization of the Town's paper-based information and manual processes, including improved and expanded workflow of business processes and resident and employee access to Town documents online.
- Enable increased training of both functional and technical skills for all appropriate Town employees.
- Enable increased training of internal IT staff to achieve industry-standard cybersecurity certification.
- Expansion and implementation of any required practice to maintain/acquire cybersecurity insurance.
- Continue providing more e-Services and e-Commerce to Town residents and businesses, including making significant advances in leveraging online functions versus coming to Town Hall.
- Continue the roll-out of free Wi-Fi access to the Town's designated public locations.
- Continue to closely partner with Town departments on their technology-enabled initiatives.
- Enhanced support of IT systems and services for the employees, residents, businesses, and Town vendors who use them.
- Continue to reduce the Town's carbon-footprint from energy use, e-waste and paper reliance
- Upgrade the Town to current versions of Windows and Office tools.

◆ Performance Measures:

The Base Performance metrics to measure progression towards departmental goals are as follows:

- Achieve a one-year IT capacity demand buffer in storage, processing, and bandwidth.
- Continued reduction in computer-related electrical power, e-waste, and paper use.
 1. Electric – Energy-efficient PC replacement and new Datacenter design and servers.
 2. E-Waste – reduce the number of personal printers.
 3. Paper – accelerated use of Document management and electronic documents.
- Replace the oldest 35% desktop computers – plan for Windows 10 and next-generation Office.
- 99.5% aggregate availability of Town's major systems.
- IT Support calls to remain flat and/or be reduced in "year over year".
- Show 2 years or better ROI from every Technology investment to improve functionality.
- Achieve a 10% increase in revenue from the sale of the Town's professional GIS system.
- Achieve a 50% reduction in the number of residents needing to visit Town Hall for permits or fee payments.
- The aggressive pipeline of strategic technology initiatives being delivered, in progress, and being planned, proportionate to the IT resources available.

Maritime Services

Fred Uvena, Interim Director

♦ Departmental Mission:

The mission of the Department of Maritime Services is to operate, maintain and manage all of the Town's waterfront facilities such as beaches, beach pavilions, waterfront parks, picnic areas, boardwalks, docks, wharfs, bulkheads, piers, boat ramps, small boat/kayak racks and marinas and provide for new construction or restoration of the same. This includes providing law enforcement in bays and harbors to regulate private water craft (PWC) activities, the placement and maintenance of navigation markers, the issuance of mooring permits, assignment of marina slips, and providing launch service. It also includes managing marine resource programs and environmental matters pertaining to the estuary including shellfish harvesting, ecosystem management, aquaculture, wetlands preservation and protection, and marine water quality. Effectively managing the Town's waterfront facilities supports the Town's strategic goal of investing in the Town's recreational assets and promotes and stimulates the use of Huntington's natural resources. The department of Maritime services greatly impacts the generating revenue of the Town through the beautification and maintenance of many facilities.

♦ Legal Authority:

Town of Huntington Town Code: Chapter 120, Harbors and Waterways (Marine Division), Chapter 43 and 52 A-5, Chapter 166 (Shellfish Management).

♦ Operating Environment:

The Department of Maritime Services was created in 1998 to consolidate all marine related services under one Department for efficiency of service. Department professionals interact directly with various governmental agencies, boating & recreational organizations, business and industry stakeholders, and Town residents who have an interest in our waterfront.

The Department of Maritime Services has the responsibility of protecting, restoring, and enhancing the Town's marine and coastal environment, to monitor waterfront development activities, and to develop programs and legislation to meet those ends. The Department of Maritime Services is actively involved in securing grants for various activities including marine resource management (finfish, shellfish, aquaculture, benthic habitat), marine research (crustacean and shellfish biology, benthic profiling, resource stock assessment programs) freshwater finfish habitat, wetlands restoration, educational programs, storm water management, water quality (pollution control), and waterfront construction, The Department currently manages several active grant projects.

The Department of Maritime Services encompasses the following three Divisions:

Maritime Conservation: This division includes professional Environmental Staff located in Room 300 in Town Hall and provides administration, supervision, and compliance oversight of all environmental, fisheries management, wetlands preservation, water quality protection, and all other technical & professional responsibilities related to the waterfront. The Division of Marine Conservation directly interfaces with the Town's Boating Advisory Council, the Commercial Fishing Advisory Council, the Conservation Board, and outside agencies including the Greater Huntington Council of Yacht and Boating Clubs, Inc., civic and beach associations, special interest groups and County, State and Federal agencies. The Division of Marine Conservation also coordinates directly with the Department of Engineering Services and the Department of

Maritime Services

Fred Uvena, Interim Director

Planning and Environment on various issues and programs such as the Local Waterfront Revitalization Program and specific marine permit applications. The Division also works in conjunction with The Department of Parks and Recreation to implement various marine educational programs offered by the Town, and with the Highway Department on stormwater management projects. The Department operates the shellfish grow-out program (FLloating UPweller SYstem or FLUPSY), and also trains and gives guidance to the Oil Spill Response Team. Lastly, the Division is responsible for the Municipal Separate Stormwater Sewer System (MS4) program.

Beach Maintenance: This division, with offices located at Crab Meadow Beach, provides supervision and labor for the operation & maintenance (O&M) of all Town waterfront facilities, such as parks, beaches, waterfront pavilions, marinas, docks, boardwalks, piers, boat launching ramps, shore side pump-out facilities and mobile pump out vessels. Grounds maintenance for the Senior Beach House in Centerport, Fuchs Estate, Kirshbaum property, Suffolk County Water Authority watershed property and also assist Suffolk County and PSEG on the adjacent property of Fuch's and Crab Meadow Golf Course. These properties are also handled through the beach maintenance division. Additionally, playground repair and pesticide application plus much more is accomplished through the beach staff.

Harbors & Waterways: This division, with offices in the Harbormaster's Building located at 53 North New York Avenue in Halesite, provides enforcement of Town Codes and Ordinances, as well as enforcement of State or local laws pertaining to on-the-water or near-water activities within the greater Huntington – Northport Bay complex, as well as in portions of Long Island Sound and Cold Spring Harbor. Harbormasters and Bay Constables have attained credentialed law enforcement training and proficiency enabling them to teach navigation and boat handling courses to Peace Officers on a statewide basis. Boater safety courses are also offered by Division personnel to area residents 10 years of age and older. The Division is responsible for over-seeing tanker and barge off-loading as well as responding to marine and upland oil spills. The Harbors & Waterways Division is also charged with the installation of 109 buoys to regulate speed and mark navigable channels to keep our waterways safe. Bay Constables are trained in law enforcement, first aid and marine firefighting. The Division assigns boat slips and manages three Town Marinas. The Division also administers the Town of Huntington Gold Star Launch Program that the Town assumed control of in 2008. In 2011, the Division began enforcing parking and recreation codes at the Town's nine beaches and three boat ramp facilities.

The marine environment is one of the harshest occupational environments for equipment and one of the most occupationally dangerous areas to work. The Town of Huntington's geographic shoreline area and responsibility includes approximately 64 linear miles from Cold Spring Harbor to Fort Salonga. This includes jurisdictional responsibility for approximately 7,000 acres of marine surface waters.

PESHA and OSHA regulations require that department personnel remain current at all times with training and equipment safety necessary to perform their responsibilities. Professional personnel routinely attend seminars, workshops, and forums to remain up to date on environmental issues, laws, scientific data, publications and research efforts.

Maritime Services

Fred Uvena, Interim Director

♦ Workload Indicators:

The Department of Maritime Services is responsible for the maintenance of over 270 acres of upland areas encompassing 9 beaches, 16 water related parks and 5 boat ramps, 225 boat slips and 60 winter storage spots at milldam marina. The physical plant consists of 29 structures, 10 parking lots, 3 picnic areas (with pavilions), 1 boardwalk, approximately 1000 dingy/kayak type boat racks, 106 launch service customers and 1200 yearly issued mooring permits. Additionally, the Department of Maritime Services is responsible for both shore & mobile pump out facilities/vessels.

The Town of Huntington has the largest number of commercial shellfish harvesters in the five western towns of Suffolk County, and is second only to East Hampton County wide. To take advantage of State sponsored shellfish programs that benefit both commercial & recreational shellfish harvesters, the Department of Maritime Services has assisted the NYS DEC by providing equipment and manpower for the purpose of collecting water samples to determine water quality (bacteriological levels). The Department also assists Suffolk County Health Services with hydrographic sampling programs designed to measure water quality variables in the greater Huntington – Northport Bay complex. In addition, Maritime Services works in concert with the Marine Sciences Research Center, SUNY-Stonybrook with hydrographic and hydrology programs in the bay complex and Cornell University Cooperative Extension (CCE) of Suffolk County with economically important living marine resource initiatives that benefit the marine ecosystem and area residents.

The rise of accidents and emergency situations, shellfish enforcement requirements, and new and ever changing State and Town requirements (codes and local laws) has increased the demand on law enforcement provided by the Department.

Additional workloads for the Department include environmental review and technical expertise for construction or restoration projects; providing SEQRA review for applicable projects and activities; LWRP review for the Huntington Harbor LWRA and the greater Huntington – Northport Bay complex; expanding marine resource management programs including the development of numerous grant applications to fund projects designed to benefit the shellfish, lobster and finfish industries; development of grant applications and management of projects designed to restore waterfront resources (water dependent/related uses), wetlands, ecosystems; and developing infrastructure projects designed to mitigate impacts resulting from stormwater runoff to marine receiving waters and marine educational programs and projects.

♦ 2022 Maritime Department Achievements:

The Department of Maritime Services Major Achievements for 2022:

- Re-evaluated the MS4 program with the Town Attorney's office and sought to have wholesale changes to correct program administration. MS4 program outsourced to H2M and Planning Department
- Applied and received EOSPA funding to re-side both Gazebos at Halesite Park.
- Annual replenishment of sand on TOH beaches after winter erosion.
- Continue to work towards a viable dredging project for the south part of Northport Harbor through state grants.
- Implemented "in-service" training for Peace Officers through the Division of Criminal Justice Service (DCJS).

Maritime Services

Fred Uvena, Interim Director

- Installed new playground apparatus at Centerport Beach and Gold Star Beach through EOSPA funding.
- Added protection barrier for safety at Gold Star playground.
- Steps repaired at Crescent beach.
- Cleared out 1000 feet of shoulder along street side at Asharoken beach due to overgrown vegetation and excess amounts of sand.
- Replaced bathroom doors and first aid doors at Crab Meadow Beach.
- Purchased 10 body armor vests for Bay Constables on patrol.
- Working towards replacing the bulkhead at Halesite Park.
- Started social media outreach to expand communication regarding waterside.
- Implemented a no refund policy for the Launch program.
- Applying for tourism grant for new visitor's center at Halesite Marina.
- Built (3) 8x20 foot floats with gangways for transient boaters at the Halesite Marina.
- Built launch house at Gold Star Battalion beach.
- Changed kayak permit application and payment process to on-line only.

♦ 2023 Maritime Department Goals:

The Department of Maritime Services has the following goals for 2023:

- Procure new pay loader for the Beach Maintenance department.
- Purchase additional 10 body armor vests for Bay Constables on patrol.
- Apply for funding through EOSPA to replace the railing alongside East Shore Road at Halesite Park.
- Take over Powels Marina in Cold Spring Harbor after lease expires and make it a Town run facility.
- Implement winter dry storage on Creek Road, which could store about 200 boats @ \$30 per foot (Nov 1 – April 1).
- Implement summer dry storage on Creek road for boats on trailers @ \$20 per foot (May 15- Oct 15).
- Install Parking Meters at Woodbine Parking Lot.
- Milldam Marina handicap assessable to be installed in house.
- Maintenance Mechanic 3 to a Foreman 1 in beaches division.
- Bay Constable to Senior Bay Constable (i.e. night supervisor).
- Increase space at Mill Dam Marina for larger vessels and build single finger slips (1 finger slip per 2 boats).
- Eliminate Row Out Program.
- Change over mooring program to electronic applications only via the new Town's permitting system.
- Procure 2 Waterways Mechanic II positions– one for Beaches and one for Harbormaster.
- Upgrade Maintenance Mechanic III to Foreman I.

Maritime Services

Fred Uvena, Interim Director

◆ Performance Measures :

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Enforce the laws and track and monitor the number of summonses issued. As of June 30, 2022, there were 2 Navigation Law Court Summonses issued, 2 illicit discharge summonses and 51 Parking Summonses.

	2020	2021	2022 (estimated)
Summonses issued	347	253	395

Parks & Recreation

Cable T. Jamison, Director

♦ Departmental Mission:

The Town of Huntington Department of Parks and Recreation strives to enhance the quality of life and meet the ever-changing recreational needs of children and adults of all abilities by providing state-of-the-art facilities, online-services and cultural programs in a safe well-maintained environment.

♦ Legal Authority:

Chapters 52-1 to 52-8 and Chapters 159-1 to 159-25 of the Town of Huntington Code.

♦ Operating Environment:

The Department of Parks and Recreation administers, manages and supervises the planning of programs and projects for and on behalf of the residents of the Town of Huntington, the coordination of recreational facilities, and the development of activities on its own initiative or in cooperation with other municipalities and private citizens, associations and organizations; acts as liaison with public and private agencies and individuals to plan and promote literary, dramatic, graphic, performing and cultural arts for the residents of the Town of Huntington via demonstrations, performances and exhibits; plans special events and projects as needed, in concert with public and private agencies and individuals and monitors contractual relationships of the town with such agencies and individuals.

The Department of Parks and Recreation administers a diverse and comprehensive offering of year-round recreational programs and activities for children, teenagers and adults as follows:

Recreation Administration Division: The Department's Recreation Administration oversees the five major divisions of Parks and Recreation, including but not limited to overall operations and collection of revenues for all Department programs and facilities. The Department administers and processes applications for Athletic Permits; Facility/Field Assignments; Special Events & Equipment Applications; and Picnic Applications. The Department compiles and disseminates Department news and the latest programs while providing access via the Department's website link at huntingtonny.gov listing recreation programs for Summer, Fall, Winter-Spring seasons, including access to online registration and ability to purchase recreation cards for more than one hundred various parks and recreation programs. The Department also oversees the administrative operation of the Dix Hills Golf Course (9-hole) and Crab Meadow Golf Course (18-hole) as well as providing the ability to purchase golf cards on line.

Dix Hills Park Division: The Department oversees the operation of the Dix Hills Park complex, inclusive of a seasonal outdoor pool, picnic area, two indoor ice-skating facilities, Dix Hills Adventure Camp and Ice Hockey Camp.

Beaches Division: The Department of Parks and Recreation handles operations and staffing of the Town's eight beaches and 2 Spray Parks, the Sgt. Paul Tuozzolo Memorial Spray Park & the Manor Park Spray Park. Operations and staffing include lifeguarding, swim instruction, and beach gate attending. The Department orders and then disseminates both daily and seasonal beach stickers to the respective beaches.

Cultural Affairs Division: Director Greg Wagner. The Department encompasses the management of the Town's Cultural Affairs programs, including fiscal support of the Huntington Arts Council, the Huntington Summer Arts Festival and the Heckscher Museum of Art, and other non-profit cultural agencies, as well as administration of

Parks & Recreation

Cable T. Jamison, Director

the Town's Public Art Initiative and various special projects and events. Management of several Town-owned historic properties is conducted through liaison with the Town-affiliated Huntington Cultural Affairs Institute, Inc.

Playground Camps and Recreational Programs Division: Throughout the year, the Department offers more than one hundred programs and activities for children and adults. These include day and evening leisure activities such as dance instruction and creative arts workshops. A list of other activities offered are tennis lessons, horseback riding, athletic workshops, nature study, soccer, swim lessons, skateboard lessons, volleyball, pickleball and fitness programs.

During the summer months, the Department operates four (4) Playground Camps/Pre-School Half-Day Programs at various schools and pre-school (ages 3-4) programs. The department provides eight (8) Full-Day camps for children: Adventure Camp, Hockey Camp, Camp Seahawk, Camp Gold Star, Camp Soundview (ages 5-14); Camp Bright Star (a day camp for children with disabilities ages 6 and older); Project P.L.A.Y. & St. John's Summer Camp (ages 4-12).

♦ Workload Indicators:

The workload in the Parks and Recreation Department is a function of the following:

RECREATION ADMINISTRATION DIVISION:

- **Daily operations of the Department of Parks and Recreation:**
Oversee daily Department operations; Serve constituent walk-ins to the Town Hall Office; Update and process online recreation programs & activities registrations via the Department's website link at huntingtonny.gov such as: Aquatic Programs; Athletic Programs; Camps & Programs; Creative Arts; Cultural & Fitness Programs; Developmentally Disabled Programs; Dix Hills Ice Rink Programs; Skate Parks; Special Events; Tennis/Pickleball Programs; Nature Study Programs; Coindre Hall Programs; Coordinate with support from Suffolk County, the operation of Coindre Hall.
- **Athletic Permit Application Processing:**
The Department processes (197) athletic permits, collects fees and works in conjunction with the Town Attorney's Office to ensure proper insurance held by organizations seeking permits. The Department is responsible for assigning and scheduling athletic fields and lighted sports facilities (80) sports/school organizations and youth/adult sports organizations.
- **Special Events & Equipment Application Processing:**
Major special event permits, bringing in \$15,805.00 in fees (2021); permits for equipment processed \$3,200.00 in fees; Issue signage permits for special events bringing in \$410.00; Process Sports Tournaments bringing in \$41,350.00; Process field applications, collect fees, insurance documents, and equipment needs for the applicant.
- **Picnic Application Processing:**
Issue (40) Picnic Permits (2021). 3 were cancelled and 4 were refunded.
- **Coindre Hall:** The Town of Huntington has an agreement with Suffolk County Parks for the use of the Coindre Hall gym and classrooms. The gym is used for fitness classes, after-school sports for children, Gold Star Camp, and year-round adult sports leagues.

Parks & Recreation

Cable T. Jamison, Director

DIX HILLS PARK DIVISION:

- **Dix Hills Ice Rink** – Operate and staff the two (2) year-round ice rinks; Oversee Summer Hockey Camp, Year-round rec leagues for both children and adults; Provide individual and group skating lessons; Monitor free-skate; Manage skate equipment rentals.
- **Dix Hills Pool** – Hire and oversee seasonal staff such as lifeguards and cashiers.
- **Dix Hills Adventure Camp** – Process applications; Collect health forms; Collect fees; Register campers; Hire and train counselors and staff; Develop summer programming and activities.
- **Dix Hills Golf Course** – The Department of Parks and Recreation works in conjunction with the contracted vendor(s) regarding the daily operations of Dix Hills Golf Course.

BEACHES DIVISION:

- Beaches provide Certified Lifeguards
- Beaches Division sells and collects permit fees, processing more than (33,000) vehicle & (1,400) boat ramp beach stickers during the summer months
- Beaches (8): Crab Meadow; Asharoken; Hobart; Centerport; Fleets Cove; Crescent; Gold Star Battalion; Quentin Sammis/West Neck;
- Fishing Beach Only: Geissler's
- The Sgt. Paul Tuozzolo Memorial Spray Park & The Manor Park Spray Park

CULTURAL AFFAIRS DIVISION:

- Coordinate the Huntington Summer Arts Festival (through Arts Council) with approximately 42 nights of performances & related "Meet the Artist" community educational programs serving more than 50,000 residents & visitors.
- Administer more than \$1 million in annual cultural affairs grant contracts with non-profit community agencies.
- Plan and implement Public Art Initiative projects in appropriate public spaces within the Town to enhance community character & livability, and celebrate Huntington's history, culture, & diversity.
- Facilitate management and preservation of various Town-owned historic properties.

PLAYGROUNDS CAMPS & RECREATIONAL PROGRAMS:

- The Department operates more than 100 programs and activities for constituents year-round.
- Hire 400 to 600 summer staff for all recreational programs.
- Continue to expand the Summer Camps via promotion and stakeholder interaction.
- Staff and manage (5) full-day Camps; (3) half-day Playground camps/Pre-school program.
- Partner with the private sector in efforts to enhance recreational opportunities for the Town. These include horseback riding lessons, basketball, soccer, lacrosse and baseball camps, and kayak lessons.
- Collaborate with the Purchasing Department and the Comptroller's Office in order to foster the RFP process for selecting new vendors.
- Coordinate with the United States Tennis Association (USTA), to provide tennis instruction to approximately (750) residents annually, include pre-school children.
- Community Education/Recreation program(s) children/adults.

Parks & Recreation

Cable T. Jamison, Director

◆ 2022 Recreation Department Accomplishments:

The Department's 2022 Accomplishments:

- Secured funding for Al Walker Park renovations
- Opened Manor Spray Park & Playground
- Updated John Walsh Park Playground
- Adding pickleball courts at Terry Farrell & Veteran's Park
- Resurfaced tennis courts at Heckscher Park
- Cameras installed at the beaches and Manor Fields
- Painted handball court at Manor Field
- Drive-in movies
- Pickleball Tournament
- Skate with a Cop
- Bowl with a Cop
- Student Athlete Awards
- Added Gold Star Plus (After care)

◆ 2023 Department & Division Goals:

The Recreation Department is pursuing the following goals in 2023:

Recreation Administration

- Add pickleball courts throughout the Town of Huntington.
- Renovate Otsego Park playground and others.
- Create more activities and programs for the Town of Huntington residents.
- Take over Harry Chapin Stage in Heckscher Park.

Dix Hills Park Division

- Renovate the old ice rink.
- Add a spray park.
- Renovate the pool.

Beaches Division

- Improve the beach houses and lifeguard stations that are starting to show their age.
- Add more Mobi mats.

Cultural Affairs Division

- Coordinate the Huntington Summer Arts Festival (through Arts Council) with approximately 42 nights of performances & related "Meet the Artist" community educational programs serving more than 50,000 residents & visitors.
- Plan and implement Public Art Initiative projects in appropriate public spaces within the Town to enhance community character & livability, and celebrate Huntington's history, culture, & diversity.

Parks & Recreation

Cable T. Jamison, Director

Playground Camps & Recreational Programs Division:

- All of our summer camp operations should have an Assistant Director who is capable of conducting the entire camp operation so they can be approved by the Suffolk County Department of Health Services if the Director of the camp is unable to return the following summer.
- Create a new exciting camp to replace Playground Camp.

◆ Performance measures:

The performance measures that will be used to measure progress towards departmental goals are as follows:

- Monitor and track attendance at all Town Camps

Camps/Programs	2019	2020	2021	2022 Estimated
Playground & Pre-School ½ day Program	646	573	790	1000
Full Day Camps				
Adventure & Hockey Camps	1384	755	1060	1450

* (6)wks.: Camp Gold Star; Camp Soundview; Camp Bright Star; Project P.L.A.Y. & St. John's Camp;

- Monitor & Track attendance for Athletic Workshops & Tennis Instruction
- Winter/Spring/Summer/Fall 2022

Workshops	2019	2020	2021	2022 Estimated
Athletic & Beach Swim	299	450	545	575
Tennis Instruction	565	45	501	600

Planning & Environment

Anthony J. Aloisio, Director

♦ Departmental Mission:

The mission of the Department of Planning and Environment is to ensure safe, healthy, and productive, as well as aesthetically and culturally pleasing surroundings for all residents of Huntington; to attain the widest range of beneficial uses of the environment without degradation, risk to health, safety or other undesirable consequences; to preserve important historic, cultural and natural aspects of our heritage and maintain an environment that supports equity, diversity and variety of individual choice. In addition, the Department seeks to serve the public by processing land-use applications in a fair and expedient manner and also seeks to provide land-based information using cutting-edge technologies. The Department constantly strives to achieve a balance between population and resource use, which will permit high standards of living and a wide sharing of life's amenities among all the residents of the Town of Huntington, not only during this generation but also for all future generations in support of the Town's strategic goal to manage development within the Town and investments in infrastructure.

♦ Legal Authority:

Town Code, Section 52-A and New York State Town Law, Section 271 (2), New York State Town Law (NYSTL), Sections 267, 276, 277 and 278. NYS Environmental Conservation Law, Article 8 part 617. General Municipal Law, Section 247.

♦ Operating Environment:

Pursuant to Town Code, the Department of Planning & Environment is organized into three divisions as follows:

- 1) Planning:** The Department is responsible for reviewing applications and creating the record for land-use decisions. Such decisions are made by the Town Board, Planning Board, Zoning Board of Appeals, the Parks Department, Highway Department, and in part, the Department of Engineering Services. Preparing planning studies and reports that analyze current and future planning issues, as well as maintenance of the town Geographic Information System are all part of the duties of various staff in the Department. In addition, the Division prepares estimates for the installation of project related infrastructure that is included in required performance bonds. The Department also oversees various Economic Development activities and provides staff support to the Economic Development Corporation.

The Planning Department is responsible for the collection, prioritization, review and final preparation of Capital Budget proposals from each Town department. These tasks are required in order for the Planning Board to meet the Article 12 mandates.

New York State Town Law (NYSTL), Sections 274a, 276, 277 and 278 dictate the review and approval processes for subdivisions and site plans. Under these statutes, with time limits to hold public hearings and to approve or deny applications, the Planning Department staff works for the Planning Board, to process applications for zone changes, subdivisions and site plans.

The Department may also assist in the preparation of any Comprehensive Plans or updates pursuant to NYSTL, Section 272a and Town Code Section 52A-5.

- 2) Environmental Review:** The Environmental Review Division is responsible for providing assistance to the various boards in the Town to comply with the requirements of the New York State Environmental

Planning & Environment

Anthony J. Aloisio, Director

Conservation Law Article 8, Part 617 SEQRA (State Environmental Quality Review Act) regulations. This law establishes a mandatory decision-making process, embedded within a primary administrative action that involves consideration of social, economic and environmental factors.

- 3) Land Management:** The Land Management Division, in a partnership with the Town Attorney's office, is responsible for maintaining all records pertaining to the acquisition of land by the Town. The Division also creates, maintains, and expands the Town's comprehensive Geographic Information System (GIS) and all matters pertaining to the Town's land inventory.

Zoning Board of Appeals: The Zoning Board of Appeals (ZBA) staff is geographically located within the Department of Planning & Environment. However, it processes its applications separate from, and parallel to, any associated Planning application. The ZBA is responsible for Town Code Section 198-68 that requires the Planning Department to provide technical input for the Zoning Board of Appeals applications for conditional permits within 30 days of receipt. The Zoning Board of Appeals gets its authority to consider variances and/or interpret the Code pursuant to NYSTL 267 et. sec.

Environmental Open Space and Park Fund Advisory (EOSPA) Committee: The Open Space Coordinator provides staff support to the Environmental Open Space and Park Improvement Committee. Chapter 21 of Town Code defines the Environmental Open Space and Park Fund program that is administered by the Open Space Coordinator working with the EOSPA Committee and Open Space Counsel. This has included oversight of three referenda that each generated funding for a ten-year period with a combined life value of \$60 million. Presently, funding is being provided by the continuing Open Space tax that is providing \$ 1.5 million per year (for 2022: \$750,000 for land acquisition, \$400,000 for park improvements, \$300,000 for neighborhood enhancements and \$50,000 for green projects). The EOSPA Committee also makes recommendations to the Town Board on allocation of Neighborhood Parks funding, derived from subdivision (park and playground) fees.

Conservation Board: The Huntington Conservation Board is a Town Board-appointed volunteer advisory organization. The Conservation Board reviews and provides comments to the Town Board, Planning Board, Board of Trustees, and Zoning Board of Appeals on applications for land use change that have the potential to affect Open Space Index-mapped property. In addition to its advisory review functions, the Conservation Board serves as a vital conduit for conveying environmental information on key topic areas (land use and review, marine and freshwater resources, parks, solid waste, and legislation) to Town leaders. The Conservation Board coordinates the Town Park Stewardship Program and routes data from Town Board-appointed volunteer park monitors/inspectors.

Huntington Greenway Trails Committee: The Huntington Greenway Trails Citizens Advisory Committee meets with and assists Land Management staff in mapping trails (courses, distances, features, difficulty), marking trails, defining trail uses/designations, leading hikes, monitoring trails for maintenance purposes, preparing trail guides and creating a trails plan.

Beautification Council: The Beautification Council is a Town Board-appointed volunteer advisory organization. The Beautification Council promotes various efforts and recommends actions to Town agencies and Boards that will enhance the attractiveness of the Town. Actions may include the installation of flower gardens and tree planting on municipal property and the promotion of efforts to maintain streets and other Town infrastructure.

Planning & Environment

Anthony J. Aloisio, Director

♦ Workload Indicators:

The Planning Department is responsible for:

- Process and complete applications and any mandatory SEQRA reviews for over three hundred (300) subdivision, site plans, zoning modifications, and ZBA reviews annually.
- Prepare long-term plans and support for various comprehensive planning efforts in Town, including plans for Huntington Station, the downtown Huntington Village area, and the Melville Employment Center and the Local Waterfront Revitalization Plan.
- Prepare grant applications for various state and federal programs.
- Process over five hundred (500) tree permit applications annually throughout the Town.

♦ 2022 Achievements:

The Planning Department's 2022 significant achievements include the following:

- Completed twelve (12) environmental and application reviews for submitted land use and/or zone change requests.
- Processed two-hundred (200) site plan and subdivision applications submitted to the department.
- Continue to participate in numerous activities to further the efforts of Renaissance Downtowns to revitalize Huntington Station, including specific meetings regarding a Suffolk-County sponsored sewer grant for the area.
- Collaborated with Maritime Services to complete and accept Draft Crab Meadow Watershed Hydrology Study and Stewardship Plan.
- Updated DRAFT Melville Employment Center Plan.
- Further development of a Municipal Storm Sewer System (MS4) and GIS database to support town departments with compliance of federal, state, and local clean water act reporting requirements. The Department also took over the primary responsibilities for reporting to the NYSDEC our annual MS4 progress, along with implementation of compliance programs. The Department is also the primary liaison with professional services vendors acquired to assist in our compliance efforts.
- Successful transformation/upgrade in the manner in which all Planning Department applications are deployed on GIS. This includes: Zone Changes, Subdivisions, Site Plans, Transfer of Density Flow Rights (TDFRs), and Tree Permits.
- Over 450 individual requests for address labels from the public and the Town Board resulting in additional revenue.
- Reviewed over 350 individual applications and presentations before the Planning Board and ZBA. Ensure complete Board knowledge of all aspects of each application.
- At the request of the Town Attorney's office, consulted on various changes to the Town Zoning Code modifying development standards in the commercial and residential zoning districts.
- Continued solicitation of numerous grants to support varied environmental and parks projects.
- Prepared and released Town of Huntington Environmental Open Space and Park (EOSPA) Fund and Land Conservation 20-Year Progress Report (September 1998 – October 2018)
- Assisted Town Attorney in updating Town Code Chapter 21, Environmental Open Space and Park Funds, which was adopted by the Town Board to continue the EOSPA Program.

Planning & Environment

Anthony J. Aloisio, Director

- Presented EOSPA and Neighborhood Parks Fund allocation recommendations to the Town Board for eight (8) park improvement projects, six (6) neighborhood enhancements, and two (2) energy projects.
- Continued to work toward closing on acquisition projects approved by the Town Board to expand the Town of Huntington inventory.
- Acquired key open space properties, coordinated the improvement of new and existing parkland and neighborhoods/streetscapes, and supported green energy and efficiency projects throughout Huntington.
- Made continuing progress with Maritime Services and CMCAC to finalize Crab Meadow Watershed Hydrology Study and Stewardship Plan initiated in 2014.
- Continued efforts begun in 2015 with Town Attorney and Public Safety Department to resolve private encroachments on Town properties, including parkland.
- Continued to implement goals and strategies contained in the Horizons 2020 Comprehensive Plan.
- Drafted Systematic Parks and Recreation Kinetics (SPARK) Report – a comprehensive parks assessment providing an overview of the Town’s recreation amenities consistent with the Comprehensive Plan, which will be finalized with input from other departments.
- Drafted several sections of the Draft Local Waterfront Revitalization Plan in cooperation with the NYS Department of State.

♦ 2023 Goals:

The Planning Department’s 2022 goals include the following:

- Continue the development of a professional staff to better serve the public.
- Continue to support and innovate procedures and programs to successfully navigate the COVID-19 pandemic and support residents, businesses and local economy Through the use of innovative remote access and database technologies.
- Continue to acquire key open space properties, coordinate the improvement of new and existing parkland and neighborhoods/streetscapes, and support green energy and efficiency projects throughout Huntington.
- Continue to improve the process and increase the number of completed Development Reviews.
- Continue to support the efforts of Renaissance Downtowns to revitalize Huntington Station.
- Draft modifications to the Melville Plan with the objective of adoption of the plan by the Town Board.
- Continue activities toward completion of Draft Local Waterfront Revitalization Plan.
- Support the preparation and development of localized comprehensive plans.
- Complete the development of a Capital Projects GIS Portal for evaluating capital program goals and individual project progress.
- Support the deployment of the new common permit tracking system called Open Gov. Consolidation of two existing tracking systems, used separately by the Building Department and Planning Department, will result in better data management for the land development process. This year’s goals include the completion of the site plan, subdivision, change of zone, bonding, and TDFR processes.
- Continue effort begun in 2015 with Town Attorney and Public Safety Department to resolve private encroachments on Town properties, including parkland.
- Continue to implement goals and strategies contained in the Horizons 2020 Comprehensive Plan.

Planning & Environment

Anthony J. Aloisio, Director

◆ Performance Measures:

Below are the 2022 Performance measures for the Planning and Environment Department:

- Monitor the EOSPA and Neighborhood Parks funds to insure Town land acquisitions, property and neighborhood improvements are being completed in a timely fashion.
- Track and fund new EOSPA projects as per EOSPA Committee recommendation (chart below identifies funded projects).
- Create better and more efficient integrations between existing enterprise database tracking systems and the Laserfiche document management system.
- Track the number of development applications reviewed by Town staff and local agencies and utilize data to deploy staff resources.
- Identify and prioritize additional assets held by the Town's departments in a central GIS repository to improve and coordinate projects within the Town.

Description	2019	2020	2021	2022 (estimated)
EOSPA Open Space Acquisitions	1	3	0	2
Park Improvement Projects	7	12	7	8
Neighborhood Enhancement Projects	7	3	4	6
Green Infrastructure Projects	1	3	1	1

- Track the number of development reviews and permits processed by the department.

Public Safety

Joseph Cirigliano, Director

♦ Departmental Mission:

The mission of the Public Safety Department is to safeguard citizens and visitors to the Town of Huntington by protecting life and property, preserving the peace, enforcing Town ordinances, and preventing crime on Town-owned property. Our goal is to provide a professional level of service, delivering public services efficiently and effectively.

♦ Legal Authority:

The Department of Public Safety was created in February 1996 by the Town Board via Resolution #1996-129. Town of Huntington Town Code, Chapter 55 establishes the Department of Public Safety and defines its powers and duties.

♦ Operating Environment:

The Public Safety Department meets the duties of protecting the health, safety and welfare of the Town of Huntington residents with the following five divisions:

- Security Division
- Park Ranger Division
- Code Enforcement Division
- Animal Control Division
- Special Services Division

Security Division: Licensed Town Public Safety Agents responsible for daily patrol of 77 facilities across the Town consisting of buildings, rail stations, beaches and parks. In addition, the uniformed security force is charged with the enforcement of Town of Huntington parking regulations as outlined in the parking provisions of the Uniform Traffic Code of the Town.

Park Ranger Division: New York State Certified Peace Officers responsible for maintaining general public order and protecting town parks, beaches, rail road stations and other town related facilities.

Code Enforcement Division: Responsible for enforcing the Code of the Town of Huntington and the New York State Property Maintenance Code affecting the Town through measures that emphasize compliance. This division performs investigations based on complaints as well as proactively identifying life safety issues. The Sign Bureau and Accessory and Rental Apartment Bureau are part of the Code Enforcement Division. Most violations issued by this division are answerable at the Town's Bureau of Administrative Adjudication (BAA).

Animal Control Division: Responsible for enforcing the Code of the Town of Huntington and any state and local laws or regulations, including the Agriculture and Markets Law of the State of New York, pertaining to the control of animals. The operation of the Huntington Animal Shelter is the responsibility of this division.

Special Services Division: Responsible for other activities that fall under the Public Safety Department's purview. The Meter Maintenance Bureau performs the maintenance and repair of parking meters, posts and related signage. The Abandoned Vehicle Bureau handles the identification and removal of abandoned vehicles on Town properties and roads.

Public Safety

Joseph Cirigliano, Director

The Department consolidates, and whenever possible, integrates the efforts involved in Code Enforcement, Park Ranger, Security, Animal Control and Special Services. The nature of the work performed by the Public Safety Department is both proactive and reactive. The Department is proactive by enforcing state and local laws and regulations within the jurisdiction of the Town at problematic locations; and reactive by responding to and investigating complaints filed by the citizens of the Town.

◆ Workload Indicators:

The workload of the Public Safety department is a function of the following:

Security Division

- Issued approximately 11,991 summonses for parking violations in 2021.
- Conducts 24-hour security patrols across a 94 square mile operating area.
- Provides security details to all major Town related functions and special events.
- Monitors video surveillance for Town owned facilities and locations.

Park Ranger Division

- Provides security for Railroad Stations, Parks, Beaches and Town facilities.
- Provides security details for large Town venues and special Town events.
- Authorized to enforce Town, County and State laws at Town related facilities.
- Works collaboratively with the Suffolk County Police Department to enforce laws at Town parks and beaches.

Code Enforcement Division

- Performs approximately 7,300 annual investigations of potential code infractions and apartment rentals.
- Initiates approximately 4,500 new code enforcement investigations annually.
- Maintains Vacant Property registry.
- Issues Rental and Accessory Apartment permits (totaling approximately 4,200 combined).

Animal Control Division

- Dog intake in 2021: 183 of which 105 were returned to their owners.
- Adopted 20 dogs in 2021 and transferred 17 to 501 C (3) rescues.
- Removes approximately 1,000 deceased animals from public areas and Town roadways within the Town of Huntington.
- Advised and partnered with the newly developed Suffolk County Animal Abuse Task Force.
- Active sponsor and supporter of the Give a Dog a Dream 501-C (3) charity.

Special Operations Division

- Maintains and collects parking fees for more than 619 metered parking spaces.
- Processed approximately 1,400 abandoned vehicle complaints throughout the Town of Huntington.

Public Safety

Joseph Cirigliano, Director

♦ 2022 Achievements:

Public Safety Department achieved the following milestones in 2022:

- Security Division continues to take on new and varied responsibilities for safeguarding Town properties and facilities.
- The Parking Enforcement Team continues to ramp-up its vehicle immobilization program, generating significant collections from the pool of delinquent parking ticket recipients.
- The Barnacle immobilization device was introduced in the Town, enhancing both the safety of personnel and flexibility for the immobilized motorist.
- Park Ranger Divisional scale continues to increase, with a continuing focus on safety and training.
- Code Enforcement Division is now fully mobile-capable, with inspectors able to complete research in the field and issue both Notices to Comply and Notices of Violation from their vehicles. The Code Enforcement task force continues to increase the division's proactive enforcement of the Town's building and zoning codes.
- Special Operations Division continues to support growth in utilization of the Passport parking App.
- Animal Control continues to successfully rehabilitate dogs for adoption. Animal Control is eager to reestablish their successful Transfer program, pulling dogs at risk of euthanasia from local shelters and including them in the Town of Huntington's immersive socialization program.

♦ 2023 Goals:

Public Safety Department is pursuing the following goals in 2023:

- The Department of Public Safety will continue to streamline operations and improve efficiency while maintaining a focus on the safety of both employees and residents.
- We currently anticipate working with a video/technology vendor to complete a major project at the Huntington LIRR station, which will also result in a significant upgrade to our video monitoring capabilities at Town Hall.
- The Park Ranger program will be further expanded, with a continued focus on officer safety and training.
- Code Enforcement will continue to operate on a mobile platform, working closely with the Bureau of Administrative Adjudication to enforce certain portions of the Town's codes.
- Public Safety continuously examines the Town's parking meter and enforcement systems for opportunities to improve the Town's parking experience.

Public Safety

Joseph Cirigliano, Director

◆ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Monitor the number of code violations in the Town of Huntington.

Description	2020	2021	2022 (estimated)
Code Enforcement Notices of Violation issued (BAA)	385	695	850

- Monitor and maintain the number of animal adoptions.

Description	2020	2021	2022 (estimated)
Animal Adoptions	24	20	30

- Monitor and track the number of parking summonses issued.

Description	2020	2021	2022 (estimated)
Parking Summonses	4,729	11,991	15,600+/-

Receiver of Taxes

Jillian Guthman, Tax Receiver

◆ Departmental Mission:

The Office of Receiver of Taxes is responsible for keeping the tax warrant issued by Suffolk County until the warrant expires and is delivered to the Suffolk County Comptroller. Taxes are collected by the Town based on the warrant issued for the current tax year. The Receiver of Taxes also performs all other duties imposed by law.

◆ Legal Authority:

The Receiver of Taxes derives authority from Section 37 of Town Law, the Suffolk County Tax Act and the Real Property Tax Law.

◆ Operating Environment:

The Office of Receiver of Taxes is primarily responsible for processing tax payments received from residents, banks and businesses within the Town of Huntington. The Office faces many challenges on a day-to-day basis and operates with minimal staff to perform its work. The Tax Office experiences a high level of direct contact with the public, particularly throughout the course of the tax collection process, causing an increase in the volume of phone calls and written correspondence that must be answered and issues that must be resolved.

◆ Workload Indicators:

The Town of Huntington Tax Warrant for 2021-2022 totaled \$1,132,222,275.96 of which \$1,105,857,174.47 was collected. Approximately 36,000 tax bills were printed and mailed directly to residents, commercial property owners, and mortgage companies that do not utilize our automated payment system. Approximately another 28,000 information copies of tax bills were sent to property owners with mortgage escrow accounts, third party information copies, snowbird copies, and multi-owner copies.

The Tax Office collects for nine school districts, nine library districts, thirteen fire districts, one refuse district, three water districts, two town sewer districts and two county sewer districts. In addition, the office collects for two ambulance districts, three Business Improvement Districts, the County Tax, County Police Tax, County MTA Tax, Out of County Community College Tax, Suffolk County Community College Tax and all Town of Huntington general and special district taxes.

The Tax Office collects pro-rata taxes for exemptions removed when a property is transferred. For 2021-2022, 524 exemptions were removed, adding back \$905,978.68 in taxes. The Tax Office collects unpaid water charges for the Dix Hills, Greenlawn, and South Huntington Water Districts, as well as Suffolk County Water Authority. The 2021-2022 there were 3,685 water re-levies totaling \$727,327.52. Fourteen properties carried a Demo/Cleanup Rubbish charge in the amount of \$13,298.09 as reimbursement to the Town for unsafe properties cleaned up by the Town and billed to the property owner. For the year 2021-2022, the tax billing process included blight abatement charges in the amount of \$60,000.00. There were 327 County sewer re-levy charges totaling \$359,934.97 for the year 2021-2022.

New York State Law requires the Tax Office to notify property owners if taxes from a prior year remain unpaid said notifications were issued during 2021-2022 as reported from the County Comptroller.

Receiver of Taxes

Jillian Guthman, Tax Receiver

Approximately 40% of all tax payments are paid by mail. On average 700 tax payments are received each day in December and January with a measurable increase during the last week of the January collection cycle. Legally required and courtesy notices of unpaid taxes are issued at various times during the year.

In response to the Covid Pandemic, the office incorporated physical and procedural changes to increase the safety of our taxpayers and staff. These efforts have been modified to reflect the ever-changing nature of Covid.

In 2021-2022, 554 checks were returned unpaid (bounced), representing \$4,735,995.25 in cancelled payments. Refunds for overpayment and duplicate payments of taxes on 730 properties due to taxpayer error as well as adjustments due to Small Claim Reviews and Tax Certiorari actions in 2021-2022 totaled \$1,798,933.51. Adjustments were made to parcels due to Small Claims Reviews (SCAR) and Tax Certiorari actions, causing 1,359 adjusted bills to be created and mailed to property owners. Approximately 374 duplicate payments were issued by taxpayers attempting to pay property taxes already paid. Thorough review is undertaken before processing all cancelled payments, adjustments, refunds and prior paid returns. Additionally, the Office updates 1,500-2,000 records for new ownership as well as print and mail tax bills throughout the year.

In addition to the tax collection function, the Tax Office collects water usage bills and posts payments for the Dix Hills Water District, approximately 8,550 water bills quarterly.

♦ 2022 Achievements:

- With retirement/attrition of long-term employees reduced costs incurred by the Town by using underutilized staff from other departments during the pandemic.
- Provided unique opportunities for students of varying abilities to contribute to the Office.
- Hired seasonal employees that helped us meet the increased needs of the public during peak periods.
- Provided referral to resources to property owners experiencing financial distress.
- Continued use of bulk postage options to reduce the cost of postage incurred. We also assisted Town departments with large mailings to reduce Town postage costs incurred.
- Expanded email notification system with more participants and additional communication.
- Identified residents eligible for STAR and Enhanced STAR exemptions and provided information to secure same as well as responded to inquiries on various topics related to property.
- Continued cross training of staff to increase office efficiency.

Receiver of Taxes

Jillian Guthman, Tax Receiver

◆ 2023 Goals:

- The Receiver of Taxes desires to continue to provide exemplary service to constituents in a cost efficient and transparent manner.
- Secure sufficient staffing to meet the volume of work as well as some administrative support.
- Explore cost saving measures for our residents.

◆ Performance Measures

- Track number of outreach efforts made throughout the year.
- Monitor postage costs and stay within the budgeted amount.
- Review and update as much returned mail as possible, furthering our efforts to ensure timely receipt of payments from taxpayers, helping reduce the possibility of penalties assessed against property owners.
- Encourage taxpayers and their representatives to use our website to print duplicate tax bills. This would include realtors, tax grievance companies and others who can source data from the website.

Town Attorney

Deborah Misir, Town Attorney

◆ Departmental Mission:

The Town Attorney's primary mission is to provide legal representation for the Town, the Town Board, Board of Trustees, Zoning Board of Appeals, Planning Board, Board of Assessment Review, Special Improvement Districts and all Town Officers in their official capacities in all actions, proceedings, undertakings and activities in which the Town of Huntington or the Board of Trustees is concerned or involved, and to develop or revise the Town Code to provide quality services and to enhance economic development.

◆ Legal Authority:

Includes New York State Town Law, Section 20(2); Chapters 64 & A203 of the Huntington Town Code and all other applicable laws and rules.

◆ Operating Environment:

The Town Attorney's Office is comprised of attorneys with various specialized skill sets to handle a variety of legal issues, as follows:

- **Judgment & Claims:** Evaluate claims for settlement or litigation. Thoroughly investigate all tort claims against the Town, its agencies and officers, and provide recommendations to the Town Board regarding the handling of claims.
- **Board of Trustees:** Provide legal representation and services to the Huntington Board of Trustees. Control the management of properties leased by the Board of Trustees, and oversee the administration of Trustee lands.
- **General Legal Representation:** Represent the Town in all legal matters including tort litigation, labor issues, real estate matters and contract negotiations. Advise the Town Board and Huntington Board of Trustees in the day-to-day operation of government and other matters.
- **Legislation:** Prepare, review and recommend all Town ordinances, local laws and proposed and enacted amendments to the Town Code, and related public notices and resolutions.
- **Prosecution:** Prosecute violations of the Huntington Town Code in District Court and before the Town of Huntington Bureau of Administrative Adjudication and violations of the Traffic Code at the Traffic Violations Bureau.

◆ Workload Indicators:

- Matters handled by the Town Attorney's Office have been steadily increasing. In 2017, the Office handled 838 files; in 2018, the Office handled 996 files; in 2019, the Office handled 1,155 files; in 2020, the Office handled 1,222 files; in 2021, the Office handled 1,524 files; and this year we are on pace with 2021, with 714 files so far.
- The Town Attorney's Office handles bodily injury and property damage claims. The number of claims received has steadily increased each year since 2016. Furthermore, with the economy in flux, we expect the trend to continue upward.

Town Attorney

Deborah Misir, Town Attorney

- The Town Attorney's Office is also charged with managing the Town's overall insurance programs, identifying risk exposures, evaluating/analyzing risks, selecting the best techniques for treating identified risks via the procurement of insurance policies and self-insurance programs and regularly evaluating and monitoring these programs.
- Prepare, review and recommend Town ordinances, local laws, proposed amendments, public notices and resolutions.
- Review agendas and resolutions for legal sufficiency for all Town Board Meetings.
- Render formal legal opinions for all Town Departments and Special Improvement Districts upon request.
- Concentrate law enforcement efforts on blighted, vacant and deteriorated properties, with a view toward removing blighted conditions and repurposing substandard properties, thereby returning them as assets to their local communities.
- Work on various Town contracts, agreements and closings.
- Review Town contracts for proper execution, as well as insurance and surety bond compliance.
- Review and process applications for Special Event Permits, Chapter 91 Permits (Carnivals, Circuses, Fairs and Amusement Events), and Uses of Town Facilities.
- Review and process applications to engage in motion picture, television and still photography production on Town of Huntington and/or Town of Huntington Board of Trustees property or facilities.
- Review and process applications for a permit to operate unmanned aircraft systems within the borders of any real property owned, used or leased by the Town of Huntington.
- Serve as voting and nonvoting members on various Town boards and committees, including but not limited to: Plumbing Advisory Board, Golf Advisory Committee, Memorial Review Committee, Advisory Committee on Energy Efficiency, Renewables & Sustainability (ACEERS), Affordable Housing Advisory Board, Citizen's Advisory Committee for Persons with Disabilities, Community Benefits Agreement (CBA) Advisory Committee, Give a Dog a Dream, Inc., Youth Board, Huntington Youth Bureau Development Institute, Inc., Beautification Fund Committee, Economic Development Corp., Opioid & Addiction Task Force, Board of Directors for the Huntington Cultural Affairs Institute, Inc., Huntington Human Services Institute, Inc.
- Assist various Town departments in filing grant applications, executing grant agreements, and obtaining grant awards.
- Monitor State and Federal legislation impacting Town operations.

♦ 2022 Achievements:

- Assisted in Town response to the COVID-19 pandemic by evaluating impact of federal and state pandemic relief and sick leave laws and executive orders on the Town and its employees.
- Researched permissible uses and reporting requirements governing the Town's portion of American Rescue Plan Act funds.
- Assisted with the procuring, negotiating and finalizing of contract for online building permit software, as part of Building Department overhaul.
- Assisted with the procuring, negotiating and finalizing of contract for Section 457 Deferred Compensation Plan services, to better meet the needs of employees, such as via lower investment fund fees.

Town Attorney

Deborah Misir, Town Attorney

- Negotiated and finalized transfer of \$465,000 in NYSDEC grant funds originally awarded to Town, to the NYSDOT, for critical Halesite drainage project, relieving Town of cost and expense of undertaking project on its own.
- Drafted legislation in response to New York State's Marihuana Regulation and Taxation Act, including updating multiple sections of the Town Code and opting-out of retail and on-site consumption establishments, in order to preserve residents' and visitors' safety and quality of life.
- Attorney served on Advisory Committee for Energy Efficiency and Renewables ("ACEERS"), whose work resulted in the NYSDEC's certifying Huntington as a bronze certified Climate Smart Community in March 2022.
- Assisted various Town Departments in administering return-to-work protocols in accordance with CDC and NYSDOH emerging guidance, to maintain continuity of services while ensuring employee safety.
- Assisted and advised the Department of Engineering on residential applications to submit a memo request to the Zoning Board if the variance relief sought was 12 inches or less to be considered as a "lawful minor encroachment" in an effort to move applications more quickly through the process for residents and avoid a technical application for what would be a very minor application.
- Drafted Local Law to prohibit "glamping" within the Town.
- Obtained Supreme Court temporary restraining order against property owner engaging in unsafe and illegal construction in residential neighborhood.
- Assisted with the negotiation and finalization of agreement to transfer \$22 million in American Rescue Act Plan funds, to Suffolk County, to extend sewer service in Huntington Station, as part of partnership with the County benefitting the local economy and environment.
- Evaluated the legal posture and economic value of the Town litigation filed against LK McLean and Bellingham Marine for engineering and construction services at the Woodbine Marina; drafted amended complaint.
- Negotiated the revocation of permits and a license to install fire sprinklers that were fraudulently obtained.
- Oversaw the application and execution of the contract with Suffolk County for Department of Human Services programming.
- Defended the Town in Article 78 Bid Protests.
- Settled major federal case, *Housing Help v. TOH, et al.*, regarding the development of Matinecock Court.
- Oversee and monitor all complex litigation cases.
- Recovered \$95,130.43 in outstanding excess workers compensation reimbursements.
- Tracked membership on Town boards, committees and task forces to ensure that vacancies are filled and that each board, committee and task force has its entire complement of members.
- Filed a number of pre-answer motions to dismiss in meritless personal injury lawsuits against the Town of Huntington resulting in the expeditious resolution of such matters.
- Continued the ongoing prosecution of code violations in Third District Court, with a focus on residential properties that are non-owner occupied and deemed nuisances by reason of their being overcrowded, deteriorated, unsafe and used illegally as unpermitted apartments, with the objective of bringing these properties into compliance with the Town Code.
- Approximately 29 blighted properties currently being acted upon, with 4 additional properties entering into Restoration Agreements; 4 blighted properties have been resolved to date.
- Improved quality of life conditions by enforcing the blight and rental permitting of properties sections of the Town Code, as well as addressing "zombie houses".

Town Attorney

Deborah Misir, Town Attorney

- Engaged in various actions concerning Town property, including the negotiation and drafting of various license agreements.
- Negotiate collective bargaining agreements on behalf of the Town.
- Significantly decreased backlog of Traffic Violations matters.

♦ 2023 Goals:

The Town Attorney's Office has established certain goals that are in the process of being implemented. They include, but are not limited to:

- Continue oversight over Traffic Violations Bureau so as to reduce defaults and unpaid fines and surcharges.
- Continue to draft legislation to amend the Town Code to maintain quality of life for residents.
- Continue to concentrate efforts on blighted and vacant properties in the Town, where the need exists, and work to have the blight removed so that they are repurposed as beneficial additions to the local community.
- Conduct general review of Town Code to ensure that laws have sufficient clarity and specificity.
- Review Zoning Code to consider uses that are not currently contemplated.
- Continue revisions to Town of Huntington Policy & Procedure Manual.
- Closely monitor all matters being handled by outside counsel to ensure competent representation and value for the Town and taxpayers.

♦ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Track the number of amendments to the Town Code made each year.

	2021	As of 6-30-22
Number of Amendments (adopted)	44	8

- Track and monitor litigation, summonses, and contracts.

Litigation: Number of Negligence Claims filed (exclusive of Article 78, Declaratory Judgment Actions, etc.)	2021	As of 6-30-22
Parking Summons - Prosecuted / Processed	9942	5412
Criminal Summons – Prosecuted / Processed	18	48
Contracts – Negotiated / Drafted	566	270
Bureau of Administrative Adjudication Violations Issued	1639	814

Town Clerk

Andrew Raia, Town Clerk

◆ Departmental Mission:

The Town Clerk serves as Secretary to the Town Board and Board of Trustees and keeps a complete and accurate record of the proceedings of each meeting and public hearing. The Town Clerk acts as a licensing agent for the State and the Town and issues licenses and permits according to State laws and local laws and ordinances in the Town Code. The Town Clerk serves as Registrar of Vital Statistics for the Town of Huntington and the Incorporated Villages of Asharoken, Huntington Bay and Lloyd Harbor. The Town Clerk also serves as Commissioner of Special Elections for the Town and accepts service of Notices of Claim against the Town.

The Town Clerk is also the Records Management Officer (RMO) for the Town of Huntington and oversees the Records Management Program, which encompasses the Archives, which stores the Town's historical records and the Records Center which stores the Town's inactive records. The mission of the Records Management Program is to provide the ongoing, coordinated, administrative effort to systematically manage the Town of Huntington's records from initial creation to final disposition and storage of permanent and historical documents.

The Town Clerk's Office issues all Licenses and Permits in a timely and efficient manner pursuant to Town Code.

◆ Legal Authority:

Section 30 of Town Law of the State of New York; Town Law, Sections 65a(4) and 90; Municipal Home Rule Law, Section 27(6); Public Officers Law, Sections 31(5) and 87(3)(c); Election Law; Domestic Relations Law, newly adopted Sections 10a, 10g and 13-d; Public Health Law - Article 41, Section 4100; Alcohol Beverage Control Law, Section 64(2a); Vehicle and Traffic Law, Article 32, Sections 1203A and 1203H; General Business Law, Article 29-F(Sections 580-596); General Municipal Law, Article 14-H(Section 480,498) - Article 9(Sections 185-195n) and Section 50f; Environmental Conservation Law, Sections 11-0713; Local Government Records Law (Chapter 737, Laws of 1987); Article 57-A, Arts and Cultural Affairs Law; General Business Law Article 5, Sections 40-55. During the course of the year, the Town Board adopts various local laws or amends existing resolutions to direct the Town Clerk to issue new or additional licenses, new filing requirements, and additional regulations that affect existing licenses issued.

The Freedom of Information Law (F.O.I.L) legislation recently adopted by the State requires local governments to accept F.O.I.L. requests by e-mail.

On December 14, 2010 the Town Board adopted Local Law Number 31-2010, amending the Code of the Town of Huntington Chapter 78 (Animals), authorizing the Town Clerk to issue dog licenses and retain a record of issuance in the Town Clerk's office (previously regulated by Agriculture & Markets Law, Article 7).

On February 11, 2020, the Town Board adopted Resolution 2020-70, waiving the Town fees for the Town portion of Marriage Licenses and Marriage Certificates when either party applying for such License or Certificate is a member of the Armed Forces of the United States on Active Duty. New York State passed legislation in 2019 waiving the State portion of the fee.

On March 31, 2020 the Town Board adopted Resolution 2020-209, enacting Local Law 13-2020, amending the Code of the Town of Huntington to establish Chapter 132 (Landscaping), in order to regulate commercial landscaping activities within the Town of Huntington.

Town Clerk

Andrew Raia, Town Clerk

On December 15, 2020 the Town Board passed Resolution 2020-606 adopting Records Retention and Disposition Schedule LGS-1 for use in the retention and disposition of municipal government records. This schedule replaces Records Retention and Disposition Schedule MU-1.

In 2021 the Town Board adopted Resolution 2021-365 Collateral Loan Brokers, to be effective January 2022. The Town Clerk is authorized to license Collateral Loan Brokers in order to comply with New York State General Business Law. This required an amendment to the current contract between the Town Clerk and the New York State Division of Criminal Justice Services for fingerprint responses, which was finalized in December 2021.

The New York State Department of Health has implemented a long-range planning project that includes the consolidation of certain registration districts. In the Town of Huntington that will apply to the Veterans Hospital in Northport and the former Long Island Developmental Center facility. This will increase volume of work in office which may require additional staff. When this becomes effective the Town Clerk/Registrar will assume all the Registrar responsibilities now handled by the Veteran's Administration Center. In 2020 and 2021 the process of consolidating the registration districts of the 3 Incorporated Villages and the Village of Northport into one district was started by urging the Village boards to pass resolutions to forward to the Suffolk County legislature as per Public Health Law 4120 (2) (a).

♦ Operating Environment:

The operating environment for the Town Clerk's Office is divided into four separate operations:

Town Clerk's Office- General Operation: The Town Clerk's Office provides the general public, residents and non-residents, attorneys, accountants and other professionals with information on varied subjects including, but not limited to, local government services available, town ordinances, local laws, State and local license and permit requirements, maintenance of related records pertaining to the issuance of those licenses and permits as well as issuing and maintaining records for Resident and Non-Resident Commuter Parking permits. Not only is the function of the office to help residents that walk into Town Hall, a large portion of work is also generated through mail, e-mail, facsimile, telephone and internal Town Hall Department requests.

Records Management: New York State mandates a Records Management Program. Annually, many visitors are interested in touring the Archives, as well as the exhibits, allowing residents to become educated on the holdings of the Archives as well as motivating them to contact our office to display their private collections. In addition to our exhibits, the Archives participates in many historical events throughout the Town, in conjunction with the Town Historian and local historical organizations. Our Outreach Program is used as a model by the New York State Department of Education and the "Guide to the Archival Records and Manuscripts of the Town of Huntington" is used in the workshops given by the State Archives. The Records Center continues to store, retrieve and dispose of the Town Departments' inactive records until they meet their State mandated date of disposition. The MU-1 Records Retention and Disposition Schedule has been entered into Laserfiche as a first step towards applying Records Management Policies to electronic records. The MU-1 Schedule has been superseded by the LGS-1 Records Retention and Disposition Schedule. Space continues to be extremely limited, and graduate interns are being utilized to process the permanent records from the Records Center into the Archives. The amount of records received in the Records Center has increased dramatically over the past several years and has maxed out the free space available in the Records Center for other storage. The Town Clerk, in

Town Clerk

Andrew Raia, Town Clerk

conjunction with the Director of Information Technology has established a policy for the preservation and retention of electronic records so that paper records that have been scanned in accordance with Resolution 2019-665 can be destroyed. Town Board Resolution 2019-665 was passed unanimously by the Town Board on December 17, 2019 authorizing this policy.

On December 15, 2020 the Town Board passed Resolution 2020-606 adopting Records Retention and Disposition Schedule LGS-1 for use in the retention and disposition of municipal government records. This new schedule has replaced the current MU-1 Schedule. New records have been added and some retention periods have changed.

Our current Database Program, which tracks the location and retention of all records stored in the Records Center, was written for us in 1987 and is no longer capable of adding this new schedule. We are in the process of migrating our current information and adding the LGS-1 Schedule into Laserfiche. The Records Management Module of Laserfiche will now be used for the transmittal, tracking and disposition of all inactive records.

Secretary to the Town Board: As Secretary to the Town Board, the Town Clerk is responsible for maintaining all of the records generated relative to Town Board meetings and Town Board matters. The number of residents that speak during any Town Board meeting directly affects the number of pages contained in the Town Clerk's verbatim minutes of a Town Board meeting. The various issues that are of interest to our residents have increased the number of communications fielded by the Town Clerk's office. Additionally, the number of Local Laws passed increases the cost of the supplements of the Code of the Town of Huntington. A total of 31 searches were conducted in 2021 and 17 searches from Jan – June 2022. In 2021 the Town Clerk's office received 146 Notices of Claim and 68 Litigation documents. From Jan – June 2022 there were 62 Notices of Claim and 37 Litigation documents received.

Registrar of Vital Statistics: The workload for the Registrar of Vital Statistics depends on the number of births and deaths that occur annually, as well as daily certified transcript requests. In addition, the department also processes birth and death verifications for military, state and federal agencies. A high volume of requests continues to be received from the NYS Department of Social Services and Child Protective Services for certified birth transcripts and Acknowledgments of Parentage transcripts, mainly amendments to the child's and/or parents' names. The Registrar processes certified transcripts of live birth and death certificates and Acknowledgments of Parentage that are mandated by State law, within the time period established for issuing, recording and filing Certificates of Live Birth Registration and Death Certificates with the NYS Department of Health in Albany. In 2013, the Governor signed into Law an amendment to Article 41 of New York State Public Health Law that adds a new section which created an Electronic Death Registration System (EDRS) to electronically register all deaths in New York State. In February 2017, Huntington became part of the roll out of this new Electronic Death Registration System. This included deaths occurring in all facilities except hospital, home deaths and deaths referred to the Medical Examiner. In 2019 all deaths are able to be filed electronically. Arrangements were made in 2017 to allow funeral directors to order death transcripts over the telephone and via VitalChek Network through the Internet. As of March 2020, paper Death Certificates are no longer accepted and all deaths must be registered electronically. In addition, as of 2021, all amendments that were registered electronically since 2017 must be amended electronically. In March 2022 the Electronic Death Registration System was changed to the New York State Database Application for Vital Events (DAVE).

Town Clerk

Andrew Raia, Town Clerk

♦ Workload Indicators:

As **Licensing agent**, the Town Clerk's staff is responsible for Bingo/Games of Chance Licenses (Bell Jar, Raffle and Las Vegas Night Licenses), Marriage Licenses, Dog Licenses, Christmas Tree Sale Permits, Disability Parking Permits, Taxi, Peddler and Tow Truck Licensing, just to name a few. In 2021 the Town Clerk's Office issued approximately 2,563 various licenses and 26,917 permits. For the first six months of 2022 there were over 1,566 various licenses and over 11,408 permits issued.

Acting as **Secretary to the Town Board**, legal notices are published in two (2) separate local Town newspapers and on occasion, Newsday, Bilingual News and Minority Commerce Weekly.

Town Board Meetings and Administration reflects expenses pertaining to Town Board and Board of Trustees meetings as they specifically deal with Town Board Meetings & Administration functions. This includes verbatim stenographic transcripts of meetings, publication of legal notices, purchase of Town Code Books and Zoning Codes and associated supplements that are required by law.

The **Records Management Program** consists of two facilities; the Records Center and the Archives. The Records Center conducts a disposition of records bi-annually to remove any record that has met the required State retention period. Records are continually transmitted to the Records Center for storage and retrieved by their Departments for reference. 1206 cubic feet of records were disposed of from July 1, 2021 through June 30, 2022. 2131 cubic feet of records have been received for storage. Approximately 1108 requests for records and research have been answered during this same time frame.

♦ 2022 Achievements:

- All current Birth Certificates, Marriage Licenses and Death Certificates have been back-scanned and new records are being scanned as they are filed.
- Began licensing Collateral Loan Brokers as per Town Board Resolution 221-265 in accordance with New York State General Business law.
- Continued the program adding all Agendas, Resolutions and verbatim transcripts from all Town Board Meetings to the Town of Huntington's website shortly after the conclusion of the meeting. Agendas, resolutions and verbatim transcripts are put on Laserfiche as well, for the benefit of all Town departments.
- Continue to work with the Information Technology Department to select a program to create and track agendas and resolutions electronically allowing for multiple departments to be informed of the latest versions of these documents.
- From January 2022 to June 2022, 10 boxes of permanent records have been processed and added to the Archives database.
- Implementation of the use of Laserfiche as our database in the Records Center to track transmittals, retrievals and the disposition of records. This involves working closely with IT and General Code to convert 7,000 boxes of records from our old database into a new system. This is a huge project as the new State Retention and Disposition Schedule, LGS-1 has combined four separate schedules and many retention item numbers have changed. In addition, retention periods have changed in some cases.
- The digital project using the web-based software ContentDM continues to offer public access worldwide to a wide range of historical documents as a contribution to education and research. The materials are scanned

Town Clerk

Andrew Raia, Town Clerk

using a flatbed scanner that is capable of scanning bi-tonal images at 300 dpi producing JPEG files. Due to the fragile state of our manuscripts, the Archivist oversees the scanning process making sure that proper handling of the manuscripts is exercised. In an effort to preserve the authenticity of the documents, the original spelling is observed in the transcriptions, which must be proofread by the Archivist, and the digital images reflect the physical condition of the documents. Their digital images, therefore, show discolorations, heavy fold markings, and varying tones in the paper. Our most delicate materials are housed in clear Mylar sleeves which allow scanning without removal of the items. Although the presence of Mylar might be detected in the digital image it does not take away from the image. Our goal is to upload 250 manuscripts per year. From May 2021-June 2022 148 manuscripts have been uploaded with the appropriate metadata in Content DM- 97. 48 of them have multiple pages. From June 2021-June 2022 the collection has been viewed 3,690 times.

- The Archives page has been updated on the Town's website to include a link to the digital collections (Content DM).
- Our current exhibition is "Libraries-Read, Learn, Discover" that explores the history of libraries in our town, running from May 2022 through December 2022.
- We have a summer intern in the Archives who will work three days per week performing clerical tasks at the direction of the Archivist.
- Tracking agendas and resolutions electronically to allow conformation and correction to be accomplished electronically.
- About mid-year a new software company, OpenGov, was secured in order to replace the current MaxxClerk program that is no longer supported by the MaxxVault software company. This new program will enable certain transactions to originate on the Internet, allow Internet sales and Internet renewals for many licenses and permits. This has been a goal for many years. In July, along with the Town's IT project management group, workflows for the first modules were created in order for the software company to build the modules.
- Implemented a new system for the Disposition of records. Normally carried out twice a year, in June and December. We now have spread the dispositions out over several months. This has helped to alleviate a back log at the Resource Recovery Plant as we are sending smaller quantities which do not monopolize the pit. In addition, General Services doesn't have to pull a large crew for a day. Smaller amounts require less manpower and less time making coordination easier.
- In the Spring of 2022, the Archives hosted and coordinated a workshop for the Consider the Source project, for the Long Island Region. The full day workshop was designed to facilitate and foster collaboration between K-12 educators and those working in local museums, archives and libraries in order to develop instructional material for grades K-12 statewide.

♦ 2023 Goals:

- Continue to work with IT creating workflow for the all modules of the OpenGov program.
- By the end of 2023, begin the process of eliminating physical Commuter Parking Permits by interfacing with a program that will allow the scanning of license plates by Public Safety Code Enforcement.
- Continue the renewal by-mail program, along with new Internet renewal, for annual New York State Sporting Licenses, Dog Licenses, Resident Commuter Parking Permits and other permits and licenses.
- We will be hosting an intern from Geneseo College, through Stony Brook University. This individual will be paid with funding provided by the Gardiner Foundation. After training their task will be processing permanent records.
- In light of the pandemic, the town will continue to showcase annual exhibitions sponsored by the Archives.

Town Clerk

Andrew Raia, Town Clerk

- Continue outreach history programs for various schools, scouts and civic groups.
- Continue to work with IT to develop a procedure for the disposition of records stored that were scanned. Formulate and implement a plan for disposition of records stored in the Records Center that have been scanned in accordance with resolution 2019-665 Retention and Preservation of Electronic Records.
- The Archives, with assistance from the National Archives and Huntington Public Library, will implement an interactive maps presentation/exhibition using maps in our collection or the State Archives.
- Content DM digitization program of the Town's historical records.
- Continue the process of consolidating the registration districts of the 3 Incorporated Villages and the Village of Northport into one district by urging the Village boards to pass resolutions to forward to the Suffolk County legislature as per Public Health Law 4120 (2) (a). When all Villages' legislation is passed, the process will move to the Suffolk County Legislature. As of June 2022, this office is waiting for 2 of the 4 Villages to pass resolutions.
- Continue to scan vital records, marriage records and Town Board documents into the Laserfiche system.
- Continue to add to the New York State Department of Motor Vehicle Record Search (DIAL-IN) Account, which reviews driver licenses and vehicle registrations for applicants for various licenses/ permits issued.
- Continue to work with IT in migrating and further developing the database using Laserfiche to manage the inactive records in the Records Center.
- During Archives month we will host "A Night at Town Hall" with Town departments participating. The goal of this one of a kind events will highlight the functions of Town departments and illustrate how far the Town has come since its humble beginning in 1653.
- Our next exhibit will be "Legal History of the Town of Huntington."
- Consider the Source New York: Providing Access to the Diverse Historical Records is a project designed to bring K-12 educators and those working in cultural institutions together to contribute ideas and participate in the process. It is a grant funded collaboration between New York State Archives Partnership Trust and the New York Council for History Education and it promotes the importance of history education using primary sources. The Archives has been designated as the "Seat" of this project for the Long Island Region. In addition, documents from our collection will be used to create educational packages and used as instructional material in the classroom.

Town Council

Town Board Members: Dr. Dave Bennardo, Joan A. Cergol, Eugene Cook, Salvatore Ferro

♦ Departmental Mission:

The Town Board is the policy-making body of the Town and consists of four members and the Town Supervisor elected by the Town of Huntington residents. The Town Board's mission is to provide leadership and set policy in order to deliver effective and efficient public services. The Town Board is committed to ensuring that the Town of Huntington is an outstanding Town to live in, work in and visit.

♦ Legal Authority:

Article 3 Section 20 of Town Law of the State of New York; Town Law, Section 20.

♦ Operating Environment:

The Town Board is the legislative and executive body of the Town and consists of four members and the Town Supervisor elected by the Town of Huntington residents. Town Board members are elected to four-year terms. The Town Board enacts local laws and ordinances, adopts the Town Budget, awards contracts, sets policies, appoints department heads, deputy department heads, zoning board, planning board and assessment review committee members. The Town Board provides oversight of Town government.

♦ 2022 Achievements:

The Town Board's 2022 significant achievements include:

- Continued restoration of blighted properties throughout the Town of Huntington.

♦ 2023 Goals:

The Department's 2023 goals include the following:

- Promote economic development in Huntington.
- Enhance land use policies that meet community needs and expectations.
- Enact legislation to enhance the welfare of the Town.
- Support Town essential infrastructure projects necessary to provide Town services.

♦ Performance Measures :

The performance measures that will be used to measure progression towards departmental goals are as follows:

	2019	2020	2021	2022 As of 6/30
Restoration of Blighted Properties	57	48	50	7
Local laws enacted	60	53	67	14

Town Supervisor

Edmund J. Smyth, Town Supervisor

◆ Departmental Mission:

The mission of the Town Supervisor is to provide leadership and direction to the Town Board, Town employees, facilitate the implementation of Town Board priorities and manage the Town's functions to ensure the delivery of cost-effective, customer-responsive public services and assist residents in order to achieve the Town's mission.

◆ Legal Authority:

Town Supervisor: Article 3 Section 20 of Town Law of the State of New York; Town Law, Sections 20.

Youth Bureau: Article 19A & 19H of New York State Executive Law; Local Law 5-1988, Chapters 63-10 and 63-11; NYS Mental Hygiene Law Articles 19, 23 and 25; PL 93-415 (Title V), USC 5601, PL 98-473 Juvenile Justice Delinquency Prevention Act; Section 516 Public Service Act and Section 517 PL as amended by PL 100-690, PL 102-321.

Town Historian: NYS Arts and Cultural Affairs Law, Section 57.13.

◆ Operating Environment:

The Town Supervisor is a Town Board member, the Chief Executive Officer, Chief Financial Officer and head of the administrative branch of Town government responsible to lead, administer and manage the day-to-day operations of the Town's nineteen departments and oversee its finances. The Supervisor's Office manages the Town's Personnel Department, Civil Defense operation and Public Information functions. The Youth Bureau and Town Historian are a direct report to the Town Supervisor. The Town Supervisor is independently elected to a four-year term and chairs the meetings of the five member Town Board.

◆ 2022 Achievements:

The Town Supervisor's significant 2022 achievements include, but are not limited to, the following:

- Moody's Investors Services reaffirmed the Town's AAA bond rating for the second consecutive post-pandemic year, an impressive fiscal milestone that allowed the Town to save taxpayers \$177,808 in 2022 by refinancing \$3,446,680 in outstanding bonds.
- For the 23rd consecutive year, the Town has received a Certificate of Achievement from the national organization representing government finance professionals for transparency in financial reporting practices, the highest form of recognition in the area of governmental accounting and financial reporting, representing a significant accomplishment by a government and its management.
- Implemented a common-sense COVID return-to-work policy on January 6, reversing critical workforce staffing shortages.
- The Town achieved recognition as a leader in climate action and mitigation, earning Bronze certification status as a New York State Climate Smart Community (CSC), based on 33 actions in 9 categories for a total of 212 points.
- The Town closed a loophole in the Zoning Code to prevent the expansion of apartment building development and prevent the use of municipal parking lots to satisfy off-street parking requirements for proposed projects.

Town Supervisor

Edmund J. Smyth, Town Supervisor

- Continued the ongoing revitalization of Huntington Station, including the grand opening of the Manor Field Spray Park; investment in the renovation of Alfred J. Walker Memorial Park; the sale of Veterans affordable housing condos at Columbia Terrace; renovating the South Parking Lot at the Huntington LIRR Train Station and investing in video surveillance for the commuter parking garages to improve public safety.
- Made significant progress on modernizing the Building Department, with newly appointed department leadership initiating operational changes to eliminate redundancies and cut red tape while investing in automation software to further simplify and streamline operations.
- The Town invested in road and traffic safety, parks, waterfront facilities and other infrastructure to improve reliability and quality of life with a focus on in-house improvements to save taxpayer dollars and refurbishing vehicles and equipment to extend their useful lifespan.
- The Town launched a monthly electronic newsletter in collaboration with every Town Elected Official and Town Department to provide critical and timely information for residents and increase government transparency.
- The Town introduced the first Office of Film and Television as a new revenue source designed to promote the Town as an ideal destination for on-location and in-studio production for the television, motion picture and streaming industries. The Office of Film & Television will also highlight the economic advantages and other benefits of producing entertainment within the Town, including a wide diversity of location environment options, cost-savings, incentives, local services, and capabilities.
- The Town accepted the Crab Meadow Watershed Hydrology Study and Stewardship Plan, approved new shellfish reseeding partnerships, and invested in sewer infrastructure upgrades to enhance local water quality.
- The Town prioritized investment in cyber security upgrades to protect constituent data, operations and systems reliability from security breaches and cyber-attacks.
- Launched an initiative to increase ridership on the Town's HART Bus fixed route system to get more "Cheeks in the Seats," promote sustainable transportation, and reduce traffic congestion.
- The Town raised \$6,395 for Veterans' services from proceeds donated to the Huntington Human Services Institute commemorating the 50th anniversary of Huntington's Vietnam KIA Memorial.
- The Town raised over \$9,500 in private donations for Give A Dog A Dream during the Betty White Challenge; the charity funds medically necessary surgeries, treatments, and behavior modification training for the Town's shelter dogs.

The Youth Bureau's 2022 achievements included the following:

- Project Excel implemented a Career Day at Stimson Middle School. Youth are administered a career interest inventory and guided through options of college or vocational school. The group is then broken up into smaller breakout groups where their own career choices are explored. 249 youth participated in Career Day.
- Tri CYA's Community and Schools Together (CAST) program implemented Family Events programming to give caretakers the opportunity to spend time with their children. Specific events included a paint night, LI Ducks Game, pumpkin picking, apple picking, Cinco De Mayo Night and Bingo Night. A Total of 117 youth and family members participated in these family strengthening events.

Town Supervisor

Edmund J. Smyth, Town Supervisor

- Huntington Drug and Alcohol Prevention Services provided 1,628 middle school youth with Too Good for Drugs. This evidence-based program that puts social and emotional learning to work through fun and interactive lessons, building the skills needed to make healthy decisions and achieve success. The program promotes positive, pro-social attitudes and behavior, while fostering healthy relationships, resistance to substance abuse and conflict, and resistance to negative peer pressure and influence.
- Sanctuary partnered with Project Excel to implement the Summer at Excel program during July and August of 2021. This partnership included Craft Your Care, Improvisational theatre workshop, Mindful Journaling, and Team Building and served a total of 14 youth.
- Grandfriends, a cornerstone Youth Directions and Alternatives (YDA) program, provides intergenerational socialization opportunities between high school students and senior citizen residents of The Atria, an assisted living community. Specific activities included pumpkin painting, outdoor caroling with the Northport High School Choir, and safe outdoor interactions. Seventy-two youth participated in Grandfriends.
- REACH CYA provided 15 trips and served 135 unduplicated youth. Trips offered included: Adventureland, Zip-lining, Kayak & Paddle Boarding, Horseback Riding, Go-Carts, Miniature Golf, I Fly Trapeze, Fishing, 2 Hour Sail aboard the Christeen, Nail Salon, Whale Watch Cruise and Surf Camp at Bunger-Gilgo Beach. Also offered were (2) 3-day Teen Enrichment Experiences at Otsego Park which included social, recreational and community service activities.
- Soccer Clinic- Tri Community and Youth Agency (Tri CYA) hosted an 8-week soccer clinic at Breezy Park over the summer. This was a new program for which over 20 youth attended. Volunteers and staff acted as coaches.
- Huntington Youth Court offered a new Spring Training workshop series for 28 youth volunteer members. Workshops included topics to train participants to handle real-life cases involving their peers, offering a restorative response to misbehavior. Topics included delivering opening statements, direct and cross examinations, closing statements, objections and evidence submissions.
- Youth Bureau Community and Youth Agencies and Projects developed 61 new programs to meet the emerging the needs of youth and families. Examples include: Anti Bias Concert, Art Mural, Northport Historical Society Scavenger Hunt, Beach Clean Up, Voices on Vinyl, Marine Educational Trip, Video game Design, National Kindness Day, Surf Clinic, Improvisational theatre workshop, Girls Who Code Ambassador program and Valentine's for Seniors.

The Town Historian's 2022 Achievements include the following:

- The Historian continued to provide administrative support for the Historic Preservation Commission including recommendation of historic sites for landmark designation by the Town Board, including the creation of the South Village Historic District.
- Worked with various historical organizations through the Town of Huntington Historic Partnership.
- Made several online and in person presentations on a variety of historical topics, including walking tours of Huntington village and tours of the Van Wyck-Lefferts Tide mill.
- Oversaw maintenance and restoration of the Town's historic cemeteries.
- Continued to work with the African American Historic Designation Council, including work to preserve the Peter Crippen House and organize a new not-for-profit group to form an African American Museum.

Town Supervisor

Edmund J. Smyth, Town Supervisor

♦ 2023 Goals:

The Town Supervisor's 2023 goals include the following:

- Maintain the Town's strong financial position.
- Encourage new economic investment throughout the Town, with a focus on making Huntington a destination for the production of film and television, to drive revenue for Town services and feed our local economy.
- Preserve the suburban integrity of the Town, prevent land-use abuse, which negatively impacts quality of life and overburdens our infrastructure.
- Modernize Town services, with a focus on the Building Department, making services available online.
- Revitalize Huntington Station, including the James D. Conte Community Center; the renovation of Alfred J. Walker Memorial Park, and progress on the Huntington Station sewer system.
- Preserve open space and invest in park improvements, including the pursuit of grants and intergovernmental partnerships to achieve these goals.
- Find cost-savings by making improvements in-house, refurbishing equipment, vehicles, and floating docks to extend their lifespan, cutting red tape and finding creative ways to take the burden off the taxpayer, including interdepartmental sharing and collaboration, and expanding the use of shared services.
- Maintain the Town's leadership role in climate-smart initiatives as a Bronze-certified Climate Smart Community to increase the Town's energy efficiency and decrease its carbon footprint in the Town's quest to achieve Silver certification status.
- Improve maritime infrastructure in the Huntington Harbor Complex, specifically bulkheads and marinas, to revitalize our waterfront-driven economy.
- Implement an "Apples to Apples" neighborhood revitalization program, giving property owners a tax incentive for energy-efficient home improvements, encouraging investment in single-family homes to create jobs and reduce neighborhood blight (this is a long shot).
- Increase ridership and put more "Cheeks in the Seats" on the Town's HART Bus fixed route transit system to offset Huntington Area Rapid Transit's fixed operational costs, promote sustainable transportation, and reduce traffic congestion.
- Expand the Town's Affordable Housing Program to establish an Affordable Housing Trust Fund with a down payment program to help far more people achieve homeownership.
- Continue a focus on recycling initiatives as part of a plan to address the solid waste disposal crisis.

The Youth Bureau's 2022 Goals include the following:

- Provide community impact programs and services for youth as per contractual agreement.
- Develop new youth programs to meet the emerging needs of the community as per contractual agreement.
- Plan and implement youth development services and initiatives for youth as per contractual agreement.

Town Supervisor

Edmund J. Smyth, Town Supervisor

The Town Historian's 2022 Goals include the following:

- Continue the clean-up and determine the dimensions of the Lloyd Family Cemetery.
- Research and write the text for the installation of one or more additional historical marker.
- Secure funding to replace missing historical markers.
- Continue to coordinate efforts to reconstruct the historic Peter Crippen House and assist community members interested in forming an African American History museum.
- Oversee the construction of a pavilion to display the Town's reproduction Revolutionary War whaleboat.

◆ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Monitor and track the number of community impact programs and track attendance

Description	2020	2021	2022 (estimated)
# of community impact programs	62	97	75
Attendance at community impact programs	8,188	11,176	9,000

- Monitor and track the number of Youth Development programs and track attendance

Description	2020	2021	2022 (estimated)
# of Youth Development programs	184	236	200
Attendance at Youth Development programs	2,574	2,486	2,000

- Monitor the number of overall youth services and programs offered and track attendance

Description	2020	2021	2022 (estimated)
# of overall Youth Bureau programs	482	547	500
Attendance at Youth Bureau programs	13,979	19,412	18,000

Town Supervisor

Edmund J. Smyth, Town Supervisor

The performance measures for the Town Historian used to measure progress towards departmental goals are as follows:

Transportation & Traffic Safety

Scott R. Spittal, PE, Director

♦ Departmental Mission:

The Transportation and Traffic Safety Department is comprised of three divisions. The mission of the department is to promote safe transportation and mobility services for the Town of Huntington residents. The HART Bus Division is responsible for administering and operating the Huntington Area Rapid Transit (HART) bus system that provides public transportation throughout the Town of Huntington. The Traffic Safety Division is responsible for the installation and maintenance of the town's traffic control devices, which includes traffic signals, stop signs and pavement markings. The Street Lighting Division is charged with the safe and efficient operation and maintenance of the Town's streetlights. Effective administration of these divisions supports the Town's strategic goal of investing in the Town's assets and enhancing the long-term quality of life within the Town.

♦ Legal Authority:

The Town Board via resolution #2007-713 created the Department of Transportation and Traffic Safety in December 2007. Chapter 65 establishes the Department of Transportation and Traffic Safety and defines its powers and duties. Local Law No. 44-2007 amended Local Law No. 39-2007, amending the code of the Town of Huntington to add Chapter 65 Department of Transportation and Traffic Safety.

♦ Operating Environment:

Traffic Safety Division: The Traffic Safety Division currently responds to issues raised by town residents regarding traffic and traffic safety. Resolutions of these issues require traffic studies, field investigations and design. Traffic studies are performed to improve motorist and pedestrian safety. Typically the studies include a review of crash data, collection of vehicle speed, volume and classification data and a field investigation of existing conditions including signs and pavement markings. The purpose of the traffic study is to improve safety. This is accomplished by making improvements to traffic signals, installing regulatory and warning signs, pavement markings and implementing various traffic calming measures.

Huntington Area Rapid Transit (HART) Bus System: HART operates and maintains twenty-six passenger vehicles used in the town's fixed-route and paratransit transportation services.

HART passenger transportation services include:

- Four regularly scheduled fixed routes for the general public.
- A town-wide American Disabilities Act (ADA) compliant paratransit program that provides both ADA-mandated and non-ADA services to disabled and/or elderly persons who are unable to utilize regularly scheduled bus routes.
- Various special event transportation services.
- Evacuation/emergency support services as needed.

The increase in the senior population in the Town will continue to necessitate the expansion of paratransit services in order for the Town to meet the demand and remain ADA compliant. HART also assists the Town's Division of Senior Citizens Services by delivering meals to those residents who qualify for the Home Delivered Meal program.

Transportation & Traffic Safety

Scott R. Spittal, PE, Director

Street Lighting Division: The Street Lighting Division maintains approximately 20,000 streetlights within the Town of Huntington. These include streetlights on Town, County and New York State roadways. This division is also responsible for the maintenance of lighting in all municipal parking areas and garages. The division also reviews exterior lighting designs submitted with new commercial site plan applications.

♦ Workload Indicators:

The workload of the Department includes, but is not limited to:

Traffic Safety Division

- Installing new traffic control signals at various locations.
- Maintaining approximately 287 traffic control devices including traffic signals, flashing signals, school speed zone flashing beacons, driver feedback signs and fire/emergency preemption signals.
- Conducting traffic studies to help assess traffic calming, turning movement and volume studies.
- Apply for grant funds from the Federal, State and County levels of government.
- Review Town wide traffic signs and pavement markings for compliance with the Federal MUTCD and State supplement and for traffic safety.
- Review site plan applications with an emphasis on motorized and non-motorized traffic and pedestrian flow conditions.

HART Bus System [The information below does not represent a typical year as they were influenced by factors relating to the COVID-19 Pandemic]

- Provide approximately 39,000 vehicle hours per year of public transportation service.
- Supply approximately 53,000 rides to the public with regularly scheduled buses.
- Supply approximately 24,700 trips for the almost 2,650 disabled persons and senior residents currently registered for the paratransit program as well as their traveling companions and personal care attendants.
- Due to the pandemic, the need for home bound meals increased. HART delivered approximately 36,100 meals to homebound seniors in need.
- Maintain revenue and non-revenue vehicle fleet.

Street Lighting Division

- Maintain and repair defective streetlights, including underground wiring, throughout the Town of Huntington in an efficient and timely manner.
- Upgrade the Town of Huntington streetlights to more energy efficient LED fixtures.
- Identify and install new streetlights as necessary to maintain security and motorist and pedestrian safety.

Transportation & Traffic Safety

Scott R. Spittal, PE, Director

♦ 2022 Achievements:

Significant achievements made by the Department of Transportation and Traffic in 2021 include the following:

Traffic Safety Division

- Upgraded traffic signals at Carlls Straight Path and Otsego Road, Laurel Road at Dickinson Avenue, Melville Road at Deepdale Drive, East Rogues Path at Whitson Road and Melville Road at Greenhills Road.
- Installed rectangular rapid flashing beacons on Clay Pitts Road and Main Street Rt. 25A to improve pedestrian safety.
- Installed wireless communications interconnect along New York Avenue and Old Country Road to integrate traffic signals into the Town's traffic signal central management system.
- Continued maintenance of the GIS inventory system for Town owned traffic control devices.
- Advance the effort with support from the IT Department to implement the Town's work order management system Municipality to maintain traffic sign assets.
- Continued expanding the Speed Awareness and Enforcement Program that is a joint effort between the Town of Huntington Department of Transportation and Traffic Safety and the Suffolk County Police Department (SCPD). The goal of this program is to make drivers aware of their speed by installing portable Driver Feedback Devices at locations, followed by enforcement by the SCPD. Driver Feedback Devices (DFDs) are placed at locations within the Town that have known speeding problems for approximately 2 weeks.
- Upgrade traffic signals from incandescent to energy saving LED fixtures.
- Completed draft policy on speed table selection for residential roads in the Town that experience high vehicle speeding conditions.

Huntington Area Rapid Transit (HART) Bus System

- Maintained the bus fleet in a state of good repair.
- Initiate an evaluation of the ridership using the fixed route service.
- Began to implement a new Farebox system in the Fixed Route Buses.
- Awarded a contract to a consulting firm to initiate the design phase to install a fuel pump at the HART Bus Facility.
- Awarded a contract to a new vendor to maintain and advertise on the Bus Shelters and to implement an advertising commercial bench program.
- Assembled an RFP to bring on a new vendor to advertise on the HART Buses.

Street Lighting Division

- The Department is continuing to install energy efficient induction fixtures to upgrade its inventory. By replacing old inefficient high-pressure sodium streetlights with energy efficient LED technology streetlights. To date the department has installed more than 20,000 energy efficient fixtures throughout the Town of Huntington.
- We have had a GIS inventory System installed to efficiently track our inventory of lighting fixtures and their locations. Mechanics utilize handheld computers to update changes to the inventory (additions, deletions and

Transportation & Traffic Safety

Scott R. Spittal, PE, Director

fixture updates) and information is downloaded, reviews and added to GIS Inventory Program. We also use the system to track work done on fixtures.

- Evaluate lighting requirements within the Town of Huntington. Also, additional lighting installed in response to resident and safety requirements.
- More effectively responding to QAlert entries, phone calls and e-mails directed to by the Department.

♦ 2023 Goals:

The Department's 2023 goals include the following:

Traffic Safety Division:

- Dependent on available funding, design and upgrade traffic signals at the intersections of Woodbury Road at High Street, Vernon Valley Road at Bellecrest Avenue.
- Upgrade traffic signals from incandescent to energy saving LED fixtures.
- Implement the Town's work order management system Muncity to maintain traffic signal assets and have the Town's traffic signal maintenance contractor utilize it for work orders and routine maintenance.
- Purchase additional portable Driver Feedback Devices to expand the Speed Awareness Program.

Huntington Area Rapid Transit (HART):

- Work with Public Safety to implement a security camera system in the North and South LIRR Parking Garages.
- Develop a program of projects for FTA 5307 Grant applications.
- Install new fareboxes to the entire fleet of fixed route vehicles.
- Purchase buses for fixed route and paratransit to expand the fleet and increase spare margin.
- Place newly designed HART Route Stop Signs along their designated stops.
- Coordinated with a consulting firm to advance the design phase to install a fuel pump at the HART Bus facility.
- Awarded a contract to a new vendor to advertise on the HART Buses.
- Start design and research phases to implement a seasonal route for the Summer of 2023.

Street Lighting Division:

- Continue to replace light fixtures with energy efficient LED fixtures that are dark skies compliant that will save electricity costs and reduce carbon footprint.
- Continue updating Arcmap to locate lighting location and changes and underground wire locations
- In coordination with the IT department, implement a work order process utilizing computer tablets and the Town's QAlert service request system.

Transportation & Traffic Safety

Scott R. Spittal, PE, Director

◆ Performance Measures :

The performance measures that will be used to measure progress towards departmental goals are as follows:

- Monitor and track the number of traffic improvements:

Description	2020	2021	2022 (estimated)
# Traffic Control Devices Installed or Upgraded	18	17	8

- Monitor and track the number of changes to Huntington Area Rapid Transit (HART) bus system routes in accordance with the recommendations made by the Modernization Study. This initiative was implemented in 2013 and will continue to be monitored.

- Monitor and track the number of riders using the HART bus system.

Description	2020	2021	2022 (estimated)
# Bus riders	76,405	77,386	82,500

- Track the number of buses placed in service.

Description	2020	2021	2022 (estimated)
# Buses in fleet	26	26	26

- Monitor and track the number of energy efficient fixtures.

Description	2020	2021	2022 (estimated)
Total Number of fixtures	20,822	20,922	20,922
# Energy Efficient fixtures	19,400	20,100	20,300

- Monitor and track number of street light locations entered into the Town's GIS System.

Description	2020	2021	2022 (estimated)
Total Number of Streetlight locations	20,822	20,922	20,922
# Streetlight locations entered in GIS	20,000	20,922	20,922

Authorized Debt

The Town of Huntington takes a planned and programmed approach to the management of its outstanding debt. General Obligation Bonds are issued to finance capital improvements or capital assets and will not be issued to finance current operations or normal maintenance. Effectively managing debt preserves the Town's credit rating, provides flexibility in current and future operating budgets and provides funding for long-term assets that maintain and improve quality of life.

The Town's Debt Policy may be found in the "Financial Policies" section of this document. The Town has the authority to issue debt in all taxing districts and is backed by the full faith and credit of the Town.

Debt must be kept within 7% of the average full valuation of taxable real estate within the Town as prescribed by Local Finance Law §104. Debt Service is limited to 15% of the aggregate budgetary appropriations.

Financial Policies

Town of Huntington

Financial Policies

The Town of Huntington's financial policies below set forth the basic framework for the overall fiscal management of the Town. Budgets are adopted and financial statements are issued on the basis of Generally Accepted Accounting Principles (GAAP). These policies provide guidelines for sound financial management and establishes clear parameters for the operation of government that are reviewed annually. The Town complies with all Federal, State and Local laws and regulations for financial management and such laws have been incorporated into the Town's policies.

Fund Balance and Reserve Policy

1. Purpose

This policy establishes guidelines to maintain the General Fund unreserved, undesignated fund balance at a level sufficient to provide the required resources to meet unforeseen operating cost needs and to absorb fluctuations of revenue sources. Fund Balance is defined as the difference between a fund's assets and liabilities and is necessary for expenses related to emergencies, unexpected events and to enhance the Town's financial position and bond ratings. The financial community, and especially the credit rating agencies, attaches considerable importance to adequate fund balances and policies to monitor and manage those fund balances.

Town Law §107(1) permits municipalities to retain up to a reasonable amount of any remaining estimated unappropriated unreserved fund balance for each fund, consistent with prudent budgeting practices, necessary to ensure the orderly operation of its government and the continued provision of services.

The New York State Comptroller and the Government Finance Officer's Association ("GFOA") and the major credit rating agencies all recommend that governments adopt and adhere to a fund balance policy.

2. Policy

The Town Board will make all reasonable efforts to maintain an unreserved, undesignated fund balance in the General Fund at the end of each fiscal year equal to 10% of its total operating budget. Ten percent is prudent, reasonable and adequate to provide sufficient cash flow to offset certain volatile revenues and expenses and unexpected capital needs. The calculation will be based on the General Fund's Annual Operating Expenses exclusive of the Open Space Budgeted Expenditures.

The Town Board may, by resolution, appropriate funds from the fund balance that would result in reducing the balance below 10% for emergencies or other requirements that the Town Board believes is in the best interest of the Town. Subsequent to such appropriation, the Town would immediately begin the process of reducing expenditures or raising revenues in order to restore the unreserved fund balance to 10%. Such unreserved fund balance will be exclusive of any reserve funds maintained by the Town.

Undesignated, unreserved fund balance above 10% may be appropriated for the following purposes such as:

- A. Stabilizing subsequent year's property taxes.
- B. One-time capital expenditures.
- C. Emergencies caused by natural occurrences such as hurricanes or blizzards.
- D. Unforeseen operating expenditures.

The Town of Huntington has established a number of formal reserve funds for a variety of purposes pursuant to New York State General Municipal Law §6 ("GML"). The Town has established the following operating reserve accounts by Town Board resolution: Employee Benefit Reserve, Pension Contribution Reserve, Debt Reserve, Snow & Ice Reserve and a Judgment & Claims Reserve. These reserve funds can be utilized to smooth out future expense increases. The Town Board has established the following capital reserve accounts by resolution: Parks & Recreation Reserve, Technology Replacement Reserve and a Miscellaneous Capital Reserve that will be utilized for capital purchases.

Town Board Resolution pursuant to GML must establish all reserve accounts and Town Board resolutions are required to spend money from these reserve accounts.

3. Procedures

The Department of Audit & Control will be responsible for reviewing, monitoring and projecting fund balances and reserves on a regular basis throughout the year. Fund Balance and reserve projections will be revised and reported on each Tri-Sectional report issued during the year.

Budget Policy

1. Purpose

This policy establishes guidelines to develop, prepare and maintain the Town's annual budget and to promote sound fiscal planning based on comprehensive historical and current economic data.

2. Policy

A. Balanced Budget

The Town shall prepare an itemized annual operating budget for each fund. The annual operating budget will be balanced with current revenues equal to or greater than current expenditures. In any fund in which expenditures exceed revenue, fund balance and reserve balances may be used to meet shortfalls to the extent available. The annual operating budget process and format shall be performance based and focused on goals, objectives and performance indicators.

In accordance with §106 of Town Law, a tentative budget must be submitted to the Town Clerk on or before September 30th of each year. The content of the preliminary budget shall be in the format prescribed by the State Comptroller in accordance with §107 of Town Law. The Town Board adopts an annual budget for each fund based on budget requests submitted by each Department Director who have accurately identified and justified their fiscal needs as part of the annual budget process. A notice of hearing that states the time and date where the public hearing will be held, the purpose thereof must be posted no later than five days before the day of the hearing. The budget must be adopted by resolution of the Town Board no later than November 20th of each year.

B. Operating Budget Transfers

Budget transfers are a useful and necessary management tool that permits reallocation of funds within the budget in order to respond to changing circumstances, unanticipated needs and price increases.

Department Directors are authorized to request the Comptroller to transfer operating budget appropriations from one line item to another within the same fund.

Department Directors are not authorized to request transfers from full-time salaries, part-time salaries, benefits, or utilities.

The Comptroller, after reviewing the necessity of the transfer and will insure the funds are available, is authorized to complete transfers in the operating budget of up to \$5,000 from one line item to another.

Town Board approval is required for transfers of \$5,000 or more in the operating budget except for year-end transfers that are required to close the Town's accounting records. Year-end transfers require the Comptroller's electronic approval.

C. Capital Budget Transfers

Department Directors are authorized to request the Comptroller to transfer Capital Budget appropriations from one object code to another for the same project.

The Comptroller, after reviewing the necessity of each transfer and that the funds are available, is authorized to complete transfers from one object code to another for the same project or purpose.

The Comptroller is authorized to transfer up to \$20,000 of remaining Capital Budget appropriations for completed projects funded with the Town's reserves to other projects requiring funding. Remaining balances will be returned to the original funding source.

Any portion of bond proceeds, inclusive of premiums, that is not expended for the purpose for which the bond was issued must be applied only to the payment of the principal and interest on such obligations respectively and cannot be transferred to a different project in accordance with §165.00 of the Local Finance Law.

D. Budget Amendments

Amendments to the Town's adopted operating budget require an approval by Town Board resolution and the Comptroller's electronic approval.

E. Personal Services Budget

An approval by Town Board resolution amending the operational budget is required to abolish, create and upgrade positions.

3. Procedures

A. Budget Development Calendar

Annual budget preparation for the ensuing fiscal year is performed in accordance with §106 of Town Law as follows:

<u>Months</u>	<u>Action</u>
January to April	<ul style="list-style-type: none">• Comptroller closes the books on the prior fiscal year
May	<ul style="list-style-type: none">• Issuance of Annual Comprehensive Financial Report (ACFR)• Submit ACFR to GFOA
June	<ul style="list-style-type: none">• Budget preparation for the ensuing fiscal year begins• Budget materials distributed to Town Departments
July to August	<ul style="list-style-type: none">• Town Departments budget submissions are evaluated• Supervisor and Comptroller review budget submissions with the Department Heads.
September	<ul style="list-style-type: none">• Town Supervisor submits Tentative Budget to the Town Board and files with the Town Clerk no later than September 30th
October	<ul style="list-style-type: none">• The Town Clerk presents the Tentative budget to the Town Board no later October 5th
October/November	<ul style="list-style-type: none">• Town Board holds public hearings and reviews preliminary budget for ensuing fiscal year
November	<ul style="list-style-type: none">• Town Board adopts budget for ensuing year no later than November 20th

B. Budget Transfer Requests

For internal control purposes, budget transfers of \$5,000 or less require the following approval process:

All transfer requests must be entered electronically into the accounting software by the requester.

Department Director or Assistant Department Director must approve the transfer by releasing the transfer electronically.

The Comptroller or the Deputy Comptroller must approve each transfer by releasing the transfer electronically.

Budget transfer requests of more than \$5,000 require an approved Town Board resolution:

1. Department Directors must submit a draft resolution and sponsor's memo for budget transfers of more than \$5,000 to the Comptroller for fiscal review and to the Supervisor's office for inclusion on the Town Board Agenda.

2. Upon Town Board approval, the Comptroller's office will enter the transfer electronically, release and post it in accordance with the approved resolution.

C. Personal Services Budget

Full time positions require an approval from the Supervisor:

1. The Department Director may submit an Employee Action Form (EAF) to the Comptroller.
2. The approved EAF will be submitted to the Supervisor's Office for final approval.
3. The Supervisor will submit the approved EAF to Personnel for processing.

D. Post Budget Adoption Monitoring

Department Directors are responsible for effectively monitoring their operations to ensure that actual results meet budget expectations. Department Directors should immediately take all necessary actions to address and remedy negative budget variances, including requesting budget transfers.

The Comptroller's office will meet with all Department Heads and perform a comprehensive review of the budget on a quarterly basis.

Tri-Sectional Budget reports are issued by the Comptroller's Office quarterly reporting variances to the adopted budget.

Investment Policy

1. Purpose

This policy establishes guidelines for investing, monitoring and reporting Town of Huntington funds while maximizing the return on the taxpayer dollar being entrusted to its care. This policy applies to all moneys and other financial resources available for investment on its own behalf or on behalf of any other entity associated with the Town which it has oversight authority. The basic objectives of this policy is to conform investments to all applicable federal, state and other legal requirements, schedule investments to meet the Town's cash requirements, timely deposit of funds, invest surplus funds to maximize returns as allowed by law and minimize risk.

Authority

The Town Supervisor (Chief Fiscal Officer) has delegated responsibility for administration of the investment program to the Director of Audit and Control/Comptroller who has established procedures for the operation of the investment program consistent with this policy. Such procedures include a strict internal control structure to provide a satisfactory level of accountability based on records incorporating description and amounts of investments, transaction dates, and other relevant information, and to regulate the activities of subordinate employees.

The primary State statutes that establish the legal authority governing the deposit and investment of public monies are:

General Municipal Law:

- §10 – Deposits of Money
- §11 – Temporary Investments
- §39 – Investment Policies for Local Governments
- Art. 5G – Municipal Cooperation

Banking Law:

- §107-a – Security for Public Deposits

2. Policy

Investment Types:

Pursuant to General Municipal Law §11, the Town of Huntington is authorized to invest monies not required for immediate expenditure for terms not to exceed its projected cash flow needs limited to the following types of investments:

- A. Time deposit accounts (NOW and Money Market) that are fully collateralized in a bank authorized by the Town Board to do business with the Town.
- B. Certificates of Deposit that are fully collateralized and issued by a bank authorized by the Town Board to do business with the Town.
- C. Obligations of the United States of America
- D. Obligations of the State of New York
- E. Obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America
- F. Repurchase agreements are authorized subject to the following restrictions:
 - 1. All repurchase agreements must be subject to a Master Repurchase Agreement.
 - 2. Trading partners are limited to banks or trust companies authorized to do business in New York State and primary reporting dealers.
 - 3. Obligations are limited to obligations of the United States of America and obligations of agencies of the United States of America where principal and interest are guaranteed by the United States of America.
 - 4. No substitution of securities will be allowed.
 - 5. The custodian shall be a party other than the trading partner.

All investments shall be redeemable at the option of the Town of Huntington within such times as the proceeds will be needed to meet expenditures for purposes that the monies were provided and, in the case of obligations purchased with the proceeds of serial bonds or notes, shall be payable or redeemable at the option of the Town of Huntington within two years of the date of purchase.

Diversification:

It is the policy of the Town of Huntington to diversify its deposits and investments by financial institution when appropriate, by investment instrument and by maturity scheduling in the best interest of the Town.

Arbitrage and Derivatives:

The Town cannot issue bonds to borrow at a low interest rate and invest at a higher interest rate. The Town will comply with the New York State Comptroller's position that borrowing for the sole

purpose of investing is contrary to public policy and an abuse of the tax-exempt feature of local government borrowings.

The Town of Huntington does not and will not engage in the use of any derivative products.

Internal Controls:

The Town of Huntington has established and maintains an internal control structure to provide reasonable but not absolute assurance that all deposits and investments are safeguarded against loss. These transactions are executed in accordance with management's authorization and recorded properly and are managed in compliance with applicable laws and regulations.

Designation of Depositories:

Authorized financial institutions and the appropriate limits that can be made with each financial institution must be approved by a Town Board resolution. All financial institutions must be authorized to do business within the State of New York. All financial institutions with which the Town of Huntington conducts business must be credit worthy.

All banks doing business with the Town do so on a free service charge basis (except for paying agent fees for debt service). In addition, the Town uses an electronic cash management system to wire monies to various town accounts and to make payments. These wires are free of service charges and meet the State's objective of minimizing service charges.

All banks doing business with the Town must collateralize all amounts held by them in excess of the Federal Deposit Insurance Act (FDIC) amount.

Collateralizing of Deposits:

In accordance with General Municipal Law §10 all deposits of the Town of Huntington, including certificates of deposit, in excess of the amount insured under the provision of the Federal Deposit Insurance Act shall be secured:

- A. As provided by GML §10, a pledge of "eligible securities having in the aggregate a market value at least equal to the aggregate amount of public deposits" from the categories designated as follows:
 1. Obligations issued, or fully insured or guaranteed as to the payment of principal and interest, by the United States of America, an agency thereof or a United States government sponsored corporation.
 2. Obligations partially insured or guaranteed by any agency of the United States of America, at a proportion of the Market Value of the obligation that represents the amount of the insurance or guaranty.
 3. Obligations issued or fully insured or guaranteed by the State of New York, obligations issued by a municipal corporation, school district or district corporation of New York or obligations of any public benefit corporation, which under a specific State statute may be accepted as security for a deposit of public monies.
 4. Obligations issued by states other than New York of the United States rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.
 5. Eligible surety bond payable to the Town of Huntington executed by an insurance company authorized to do business in New York State, whose claims paying ability is

rated in the highest rating category by at least two nationally recognized statistical rating organizations.

6. Commercial paper and/or bankers acceptances issued by a bank (other than the bank with which the money is deposited) rated in the highest short-term category by at least one nationally recognized statistical rating organization and having maturities of not longer than sixty days from the date they are pledged.
- B. Irrevocable letter of credit in the amount of 140% of the aggregate total of deposits issued in favor of the local government by a bank whose commercial paper/unsecured short-term debt is rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.
- C. Irrevocable letter of credit in the amount of 100% of the aggregate total of public deposits issued in favor of the local government by a Federal Home Loan Bank whose commercial paper/unsecured short-term debt is rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

Eligible securities used for collateralizing deposits shall be held by the depository and/or a third party bank or trust subject to security and custodial agreements. The security agreement shall provide that the eligible securities are being pledged to secure Town of Huntington deposits and state any agreed upon interest or costs. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events that will enable the local government to exercise its rights against the pledged securities.

Collateral is monitored by the Comptroller's Office, a division of the Department of Audit and Control.

3. Procedures

The Director of Audit & Control/Comptroller is responsible for evaluating the financial position and maintaining a list of proposed depositories, trading partners and custodians. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the Town of Huntington. Security dealers not affiliated with the bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary broker-dealers. Such listing shall be evaluated on an ongoing basis.

Cash Flow:

All bank balances are confirmed daily and a bank balance schedule is prepared showing both the balances in depositories and investments currently held, with their respective maturity dates.

The bank balance schedule is then expanded into a cash flow projection schedule. The balances are used as a guide to which anticipated revenues are added and expected disbursements are subtracted.

Unanticipated revenues or disbursements affect investments and the balances are adjusted accordingly. Additional input may be solicited from various departments with direct knowledge of particular revenues and disbursements as seasonal revenues and disbursements must be considered to maximize the Town's investments.

Available balances are used as the fiscal year draws to a close, a sufficient level of cash in money market or "NOW" checking accounts must be maintained to meet the operating needs of the Town.

Purchase of Investments:

The Director of Audit & Control/Comptroller is authorized to contract for the purchase of investments and an investment schedule is maintained on a weekly basis and reconciled to investment statements:

- A. Directly, including through a repurchase agreement, from an authorized trading partner.
- B. By participating in a cooperative investment program with another authorized governmental entity pursuant to Article 5G of the General Municipal Law where such program meets all the requirements set forth in the Office of the State Comptroller Opinion No. 88-46 and the specific program has been authorized by the governing board.
- C. By utilizing an ongoing investment program with an authorized trading partner pursuant to a contract authorized by the governing board.

Certificate of Deposit:

When CD's are purchased, a determination is made regarding the amount and the length of time for which the investment will be made.

In order to determine current market rates, rate quotations are obtained from at least three banks authorized to do business with the Town of Huntington.

Funds are generally invested with the bank paying the highest rate of interest, providing that there is sufficient collateral pledged to cover the investment.

A bid sheet is prepared containing the total amount of the investment as well as the individual component parts. A bank can bid on either the total or on any combination of pieces. The bid sheet states the issue date, maturity date, number of days until maturity and date and time the bid is to be received. The banks being canvassed are checked off and the person making the bid for the bank is noted.

Bids received are entered on the bid sheet exactly as received and the winning bid is highlighted.

The bank to which the CD is being awarded is called to confirm the bid. Information as to their cover or spread and other bids are given verbally. All other participants in the bid are then called with the results. A follow up copy of the bid sheet is sent to each participant in the bidding process.

Electronically transmitted wire transfers are used to transfer money to the winning bank. This is done on a fee-waived basis and confirmed in writing to both the bank transferring the money and the bank receiving the wire transfer.

While principal is rolled over from one investment to the next, interest is always returned on the maturity date to the fund investing the money based on its percentage of participation.

Journal entries are set up to record any adjustments to the temporary investment account resulting from the CD transaction and verified.

Upon maturity or roll over, principal and interest is returned to the originating fund. Follow up debit and credit memos are attached to the CD bid sheet and filed.

Repurchase Agreements:

A Repurchase Agreement (REPO) is a transaction in which a local government purchases authorized securities from a trading partner. Simultaneously the local government agrees to resell and the trading partner agrees to repurchase the securities at a future date. The Town of Huntington agrees upon prices and dates for the sale and resale at the time of the initial purchase. The securities purchased under a repurchase agreement are limited to federal securities authorized by General Municipal Law §11. The purchase price shall be the present market value plus any accrued interest not reflected in the market value of the securities as opposed to the face value. The Town of Huntington will only invest in repurchase agreements to buy and sell securities and shall not be the Town's main investment.

A repurchase agreement shall comply with the following requirements:

- A. The securities, unless registered or inscribed in the name of the Town of Huntington, are purchased through banks or trust companies authorized to do business in the State of New York.
- B. After ascertaining which bank will give the most favorable rate of interest, directs the custodial bank to purchase specified securities from a designated institution. The custodial bank is the bank or trust company that acts for the Town of Huntington in connection with repurchase agreements involving the investment of funds by the Town of Huntington. The custodial bank shall not be the seller of securities to the Town of Huntington.
- C. A custodial bank must be a member of the Federal Reserve Bank or maintain accounts with member banks. Usually, U.S. government securities are maintained in book-entry form in the computer system of one of the Federal Reserve Banks. All transfers of book-entry securities must be accomplished on a Reserve Bank computer record through a member of the Federal Reserve System. These securities must be credited to the Town of Huntington on the records of the custodial bank and the transaction must be confirmed in writing to the Town of Huntington by the custodial bank.
- D. Trading partners are limited to banks or trust companies authorized to do business in New York State or to registered primary reporting dealers.
- E. The Town of Huntington must have a written master repurchase agreement that outlines the basic responsibilities and liabilities of the Town of Huntington (buyer), seller and custodial bank.
- F. Agreements may be made for short periods of time, generally 1 to 14 days, and not exceed 30 days. Other more appropriate investments will be used for longer periods.
- G. Specific guidelines regarding margin maintenance have been established. Generally, the Town of Huntington will require a 1% - 2% margin requirement, meaning the security will have collateralization of 101% - 102% or more.
- H. The custodial bank then takes delivery of and maintains the securities in its custody for the account of the Town of Huntington and confirms the transaction in writing.
- I. The custodial bank shall take possession of the securities exclusively for the local government; that the securities are free of any claims against the trading partner; and any

claims by the custodian are subordinate to the Town of Huntington's claim to rights to those securities.

J. The obligations purchased by the Town of Huntington may only be sold or presented for redemption or payment by the fiscal agent bank or trust company holding the obligations upon the written instruction of the Town of Huntington.

K. No substitution of securities is allowed.

Debt Management Policy

1. Purpose

This policy establishes the parameters for issuing debt as a low cost source of capital while striving to minimize the Town's debt service and issuance costs. Defining debt limits, retaining the highest practical credit rating, meeting or exceeding all financial disclosure and reporting requirements are guidelines set forth in this policy. This policy applies to all general obligation debt issued by the Town of Huntington, debt guaranteed by the Town, and any other forms of obligation of indebtedness. Adherence to a debt management policy helps to ensure that government maintains a sound debt position and that credit quality is protected.

2. Policy

Debt will be issued to finance significant capital construction and renovation projects, land and building acquisitions and capitalizable equipment purchases when pay-as-you-go options such as capital grants, contributions from other governments or reserve and fund balances are not available or sufficient. Debt issuance will not be used to finance current operations or normal maintenance.

The Town of Huntington will manage its debt and sustain its financial position in order to seek and maintain the highest credit ratings possible for all categories of short- and long-term General Obligation debt that can be achieved without compromising delivery of basic Town services and achievement of Town policy objectives.

In addition to long-term debt obligations, short-term obligations (such as bond anticipation notes) may be issued to finance projects or portions of projects or to provide interim financing for projects for which the Town may ultimately intend to issue long-term debt.

Debt will be structured as follows:

- A. Net cost to the Town will be minimized given market conditions and the urgency of the capital project.
- B. Debt will be issued for the shortest period consistent with a fair allocation of costs to current and future beneficiaries or users.
- C. Debt will not be issued for periods exceeding the useful life or average useful lives of the project or projects to be financed, pursuant to applicable law and as recommended by the Town's Bond Counsel and Financial Advisor.
- D. Outstanding debt must be kept within the limits prescribed by Local Finance Law Section 104 (7% of average full valuation of taxable real estate) and at levels consistent with its

creditworthiness objectives. Currently full valuation is approximately \$40.4 billion. This allows for total bonded debt of \$2.68 billion.

- E. Debt service expenditures will be limited and supported by local real property taxes to no more than 15% of the aggregate budgetary appropriations in any given year in order to maintain appropriate budgetary controls and to prevent imposing excessive burdens on taxpayers of the Town.
- F. Payment of overall debt service will be budgeted and paid when due in order to maintain the highest possible credit rating to the extent possible.
- G. Annual capital debt will be issued through a competitive bidding process in order to achieve the lowest cost and most favorable terms given the financial structure and market conditions. Bond refinancing and/or revenue debt is not subject to the competitive bidding process.
- H. Debt will be issued in the best interest of the Town and its citizens, ensuring that actions within the Town Board's control are prudent and beneficial.

Use of Bond and Note Proceeds

Bond and note proceeds shall be used only for the purpose for which the bonds were authorized by the Town Board, pursuant to the applicable bond resolution. All bond-financed projects will be reviewed continuously for compliance with applicable laws regarding use of proceeds, including provisions of the Internal Revenue Code of 1986, as amended, and the Regulations promulgated thereunder (the "Code") relating to the private use of bond-financed facilities.

Arbitrage Rebate

The Town will comply with all arbitrage rebate requirements as established by the Code. Arbitrage will be calculated at the end of each applicable period, pursuant to the Code and any arbitrage interest earned on the investment of bond or installment purchase proceeds will be reserved to any tax, interest or penalties due. Any such tax, interest, penalties or other amounts due shall be paid in accordance with applicable provisions of the Code and the advice of the Town's Bond Counsel.

3. Procedures

Debt Issuance Approval

To enhance creditworthiness and provide prudent financial planning, the Town Board will adopt a five-year Capital Budget annually. Significant capital projects that do not have sufficient funding will be funded through the issuance of debt.

Certain bond resolutions (e.g., under current law, those providing for a maximum maturity in excess of five years) are subject to a permissive referendum. Bond resolutions authorizing the issuance of debt to finance improvements for Special Districts are subject to a public hearing and other proceedings under existing provisions of the Town Law and such Special District bond resolutions are not subject to a permissive referendum. Certain bond resolutions may be subjected to a mandatory referendum on the Town Board's motion, under existing law. In general, bond resolutions must be adopted by at least a two-thirds majority vote of the entire membership of the Town Board (regardless of any temporary vacancies on the Town Board). However, for bond resolutions subject to a mandatory referendum, a three-fifths majority vote is sufficient.

Debt Issuance:

The Town will retain an external financial advisor selected by the Town Board who will issue the official statements, provide financial guidance and conduct the competitive bid process. The utilization of the financial advisor for particular bond sale will be at the discretion of the Town Board on a case-by-case basis and pursuant to the financial advisory services contract. The selection process for financial advisors will require comprehensive municipal debt experience, experience with diverse financial structuring requirements and pricing of municipal securities.

The Town will seek the highest rating possible from at least one rating agency for each debt issue in accordance with the financial advisor's recommendations. In order to achieve the highest rating possible, the Town will provide complete and accurate financial information to rating agencies, institutional and individual investors. The Town will meet secondary disclosure requirements on a timely and comprehensive basis.

The Town will retain external bond counsel for all debt issues. All debt issued by the Town will include a written opinion by bond counsel affirming that the Town is authorized to issue the debt, stating that the Town has met all state constitutional and statutory requirements necessary for issuance, and determining the debt's federal income tax status. Bond counsel will be selected by the Town Board and shall coordinate efforts with the Town Comptroller for the preparation of bond authorizations.

Capital Asset Policy

1. Purpose

This policy establishes guidelines to capitalize and depreciate long-term assets in compliance with Government Accounting Standards Board (GASB) Statement No. 34 and Government Accounting, Auditing and Financial Reporting (GAAFR). The recording of capital assets is required to provide control of and accountability of capital assets, provide a record for insurance valuation and to provide a basis for a capital replacement plan.

2. Policy

Capital assets are inventoried, safeguarded, maintained, and controlled. A Capital Asset is an asset that has an initial life extending beyond one reporting period. Capital assets of \$5,000 or more will be depreciated over the useful life of the asset and those between \$500 and \$5,000 will be expensed and recorded in the inventory system. All Capital Assets must be tagged to facilitate the tracking of all assets. The Comptroller maintains accountability over all tangible asset records and such records will be verified by a physical inventory by each department once a year.

3. Procedures

A. Internal Controls

1. Capital asset responsibilities must be distributed among several positions to maintain and control assets. Each department must have procedures in place to adequately safeguard assets from loss, waste or misuse.
2. The Town Comptroller has the custodial and supervisory duties of the capital asset system and designates one staff member in Audit and Control as the Capital Asset

Manager. The Capital Asset Manager receives all invoices for the purchase of capital assets and creates an asset in the inventory system. An asset tag is assigned and recorded in the inventory system. The tags are sent to the department who purchased and/or received the asset. The receiving department affixes the tag to the asset.

3. Each department will receive a list of their current inventory and will be required to confirm the list to their physical assets annually and provide any changes to the Internal Auditor. The Internal Auditor will perform periodic physical inventories and will resolve any discrepancies.

B. Asset Valuation

1. Capital assets- including infrastructure are reported at historical cost or fair market value on the date of donation, including ancillary charges to place the asset in its intended location, installation and capitalized interest, net of depreciation. If the cost is not available, an estimate may be used to record the capital asset. All costs should be documented, including methods and sources used to establish estimated costs.
2. Self-constructed Assets- All direct costs including Town labor associated with the construction project that meets the capitalization criteria of over \$5,000 is included in the cost of the asset.
3. Donated Assets- Assets acquired by gift, donation or payment of a nominal sum not reflective of the asset's market value shall be assigned cost equal to the fair market value at the time of acquisition. Fair market value represents the price actually given in current market dealings.
4. Asset System – Many assets consist of multiple components that make up the asset. This is particularly true for Personal Computer systems. The Town of Huntington has decided to value all Personal Computers as a system (CPU plus monitor). A system has the following characteristics:
 - a. Consists of multiple property sub-units which function together as a single unit.
 - b. Individual sub-unit costs are generally not significant in comparison to the total cost of the entire system.
 - c. Normally, individual sub-units would not meet the capitalization criteria. The grouping as a whole, however, qualifies as a Controlled Asset (\$500 acquisition cost).
 - d. When a sub-unit is replaced, it generally does not extend the life of the larger asset. Therefore, replacement would generally be treated as maintenance expense.
 - e. Each sub-unit is integrated and configured in such a way as to make identification of individual components difficult. Therefore, it is impractical to tag, track, and inventory each sub-unit.

C. Asset Classification

There are three types of capital assets that are maintained in the Town's asset inventory system:

1. Depreciable Capital Assets- Capital assets that benefits more than one fiscal period with a cost of \$5,000 or greater.
2. Non-Depreciable Capital Assets- Capital assets that benefit more than one fiscal period with a cost of more than \$500 but less than \$5,000. Land is considered a non-depreciable capital asset at any cost.
3. Depreciable Intangible Capital Assets- Identifiable assets that cannot be seen, touched or physically present that benefits more than one fiscal period with a cost of \$5,000 or greater such as computer software, patents or copyrights.

Capital assets are classified in one of the following categories:

1. Land- Expenditures for the contracted cost of the land purchase and related expenses such as closing costs, broker's commission, legal fees for examining and recording ownership, cost of ownership guarantee insurance policies, cost of real estate surveys, cost of razing old buildings, structures or other improvements acquired with the property, draining, clearing, landscaping, land filling, and grading costs. **Excluded** are fees for ownership searches, expenditures in connection with disposal of refuse, costs of utility easements, and repairs to other improvements.
2. Building and Building Improvements- Expenditures for the purchase price of acquiring an existing building, contracted construction of permanent structures not including land. Expenses incurred in remodeling, reconditioning, or altering a purchased building to make it suitable for the purpose for which it was acquired, cost of excavation, grading or filling of land as part of the construction of a specific building; expenses incurred for the preparation of plans, specifications, blueprints, etc., cost of building permits, architects' and engineers' fees for design and supervision, other costs such as temporary buildings used during the construction period that are not moveable or reusable and are razed at the end of construction. Other depreciable building expenditures include but are not limited to shelving, bleachers, bathroom accessories, carpet, plumbing, sprinkler, heating, ventilating, and air conditioning systems, emergency generator systems for building support, built in public address systems, intrusion alarm systems, fire alarm systems, and emergency lighting systems. **Excluded** are extraordinary costs that are merely incidental to the erection of the building (e.g., those due to strike, flood, fire, or other casualty), and the cost of abandoned construction. If a building is purchased, an allocation must be made between the land, improvements other than buildings, and the buildings.
3. Land Improvements- Expenditures for acquiring improvements, to land or property, whether a building exists or not, including paving, fencing, playground, tennis courts, concrete walks and steps, outside lighting, outside plumbing, irrigation systems, signs, flagpoles, outdoor bleachers, miscellaneous sheds, ball diamonds, swimming pools, retaining walls, fountains and memorials. The amount to be capitalized is the actual dollar cost of installation or acquisition of these assets at the acquisition date, including any labor and installation fees.
4. Machinery and Equipment- Expenditures related to the acquisition of vehicles and equipment including freight and storage charges, installation costs, and costs for testing and preparation for use. All costs incurred after acquisition but prior to placing

in service such as installation of ancillary equipment like communication devices and painting/application of logos and signage to make a fixed asset ready for use should be capitalized as part of the cost of the asset. **Excluded** is any trade in allowance.

5. Construction in Progress- Expenditures for construction work project, but not yet completed. As construction progresses, the cumulative expenditures are capitalized as Construction in Progress (CIP). Upon completion of the capital asset, the balance in the Construction in Progress account is transferred to the appropriate account (buildings, machinery & equipment, etc.). Projects that have not reached 100% completion will continue to be tracked as Construction in Progress. Interest cost incurred during the construction period is subject to capitalization as part of the cost of construction when conditions identified by Financial Accounting Standards Board (FASB)-34 – Capitalization of Interest Costs exist (for Proprietary funds only).
6. Infrastructure- Expenditures for construction of major renovation to long-lived capital assets that are normally stationary in nature and can be preserved for a significantly greater number of years than most capital assets. These include roadways, bridges, drainage systems and the cost of associated demolition.

D. Other Assets

1. Capital Leases – The National Council on Governmental Accounting (NCGA) requires that a lease agreement that satisfies the criteria established by FASB-13 be capitalized. FASB-13 states that non-cancelable leases that meet **ANY ONE** of the following criteria must be capitalized:
 - a. The lease transfers ownership of the property to the lessee at the end of the lease term.
 - b. The lease contains a bargain purchase option.
 - c. The lease term is equal to 75% or more of the estimated economic life of the leased property.
 - d. The present value of the minimum lease payments at the inception of the lease equals at least 90% of the fair value of the leased property.
2. Repairs, Improvements or Betterments – Major repairs are expenditures that increase the future service potential of the asset. If a major repair will extend the life of the asset several years it should be handled as an improvement. If the expenditure is a replacement, a retirement must be made to the items being replaced, **only** if the replacement substantially increases the value, the capacity/capability, or useful life of an asset system. Otherwise, the replacement is treated as a maintenance expense. This includes both a reduction in Historical Cost and Accumulated Depreciation. Expenditures to repair and maintain a fixed asset in efficient operating condition without extending the asset's normal accounting life should be expensed.

E. Departmental Responsibilities and Asset Acquisition Procedures

Departments will be responsible for purchasing capital assets, tracking the assets under their custody and disposing of assets in accordance with this policy. Department Heads or a designated representative will assign and advise the Capital Asset Manager of the individual(s) to be designated as the asset custodian(s), who will have the responsibility for the maintenance of the assets in that department.

Departments are responsible for:

1. Safeguarding and maintaining control over all assets in their custody.
2. Maintaining up-to-date records on asset property including the description, user, location, tag number, purchase order number, purchased cost and, if applicable, Grant number.
3. Attaching identification tags to asset property.
4. Returning the completed Fixed Asset Record Form to the Capital Asset Manager.
5. Notifying the Capital Asset Manager in the event that an asset is added, transferred, moved or sold.
6. Notifying the Capital Asset Manager when surplus assets are identified for disposal.
7. Supplying the Inventory Capital Asset Manager with appropriate police reports, if assets have been stolen.
8. Properly dispose of any assets that are no longer operable.
9. Designate surplus assets and notify the Purchasing Director for auction.
10. Conduct departmental physical inventories and audit on a periodic basis but no less than once per year.

F. Asset Acquisitions

Requisitions and purchase orders for Capital Assets are acquired in accordance with the Town's procurement procedures as outlined below:

1. The Department will electronically enter a purchase requisition. Acquisitions are appropriated against the approved budget line based on the object code.
2. The Purchasing department will review and confirm all requisition details and issue a purchase order to the vendor.
3. Upon receipt and acceptance of the ordered item, the Department sends the voucher copy of the purchase order and the invoice to Audit & Control for processing payment.
4. A Capital Asset form is prepared and submitted with the invoices for all assets with a cost basis of \$500 or more and charged to an object code beginning with a 2. The Capital Asset form must include all asset information including the description of the asset, serial number, original cost and other related account/funding information.
5. Audit & Control will record the asset in the inventory system and assign an asset tag number to the asset. The tag will be sent to the appropriate Asset Custodian.
6. The Asset Custodian will be responsible for placing the inventory tag on the equipment in a safe and conspicuous location (**NOTE: Vehicles should have the bar code tag applied inside of the glove compartment**). Unused identification tags must be returned to the

Inventory Control Supervisor along with a memo explaining why the tag was not used.

G. Audit & Control Responsibilities and Procedures

Audit & Control Department is responsible to:

1. Maintain the centralized database records regarding identified asset property, which the Town has in its possession.
2. Identify all requisitions, including change orders, for assets under the scope of this procedure and record asset information in the inventory system.
3. Track and control assets and assign identification tags.
4. Schedule and provide assistance in periodic departmental audits.
5. Ensure that the policy, procedures, guidelines, and regulations governing equipment under inventory control management are followed.
6. Conduct periodic audits and physical inventories of all Town assets.
7. Provide property management reports of all assets exceeding \$500 to department heads, Comptroller and the Town Board.
8. Report any unresolved discrepancies in departmental asset property records to the Town Board.
9. Provide an annual report of all assets exceeding \$5,000 in purchase cost to the auditors.

H. Transfer of an Asset

When an asset is transferred from one department to another, the original department is responsible for notifying the Capital Asset Manager of the transfer using the Capital Asset Record Form. All transfers must include both sending and receiving Department Director approval. Assets will keep the original tag; custodial responsibility will be updated on the Asset Record. Notification will include all necessary information as shown on the Capital Asset Record Form.

I. Retirement of an Asset

Assets under this procedure that have been identified for disposal by a custodial department and confirmed by the Capital Asset Manager will be disposed of according to the procedure allowed under New York State law. **NO PROPERTY SHALL BE DISPOSED OF WITHOUT THE KNOWLEDGE AND WRITTEN APPROVAL OF THE CAPITAL ASSET MANAGER.**

No property with intrinsic value may be sold, disposed of or given to any person or organization without specific approval of the Town Board. Property to be disposed of may be offered for trade-in on new purchases, destroyed and disposed of, sold by sealed bid or auctioned. Property may be transferred between departments by mutual department head agreement and or by Town Board resolution. Each department will be responsible, for the movement and the disposition of asset property in its custodial care. The custodial department will incur all costs associated with asset property disposal.

Department Directors are responsible for notifying the Capital Asset Manager of the retirement of an asset. Notification will include all necessary information on the Capital Asset Record Form, including stolen (police report), destroyed (department head approval), lost (written explanation), trade-in information. When multiple assets of the same kind and value are retired, a list of asset tag numbers may be attached to the Capital

Asset Record Form and “See Attached List” must be written in the Town Fixed Asset ID Number field.

J. Depreciation

Both Generally Accepted Accounting Principles (GAAP) and Government Accounting Standards Board (GASB) Statement No. 34 require that capital assets be depreciated. Depreciation is the systematic and rational allocation of the historical cost of a capital asset over its useful life other than Land.

Depreciation will be calculated based on the acquisition cost using the straight-line method and assumes that the asset will depreciate at the same rate each year of its useful life. Annual depreciation is calculated by dividing the acquisition cost by the useful life. One full month’s depreciation in the month in which the asset is placed in service, regardless of when it was actually placed in service, during the month and each month thereafter. The total amount depreciated can never exceed the acquired cost, less any salvage value if applicable.

The table reflects useful lives of various categories of capital assets that the Town uses for calculating depreciation.

K. Inventory Procedures

1. A physical inventory of all capital assets will be conducted at least annually. In addition, random spot checks will be made by printing several tag numbers from the inventory system and physically verifying that the assets correspond to the tag numbers. This is called “Record to Floor” verification. At the same time, several tag numbers of other assets in the audited area will be verified to the inventory system. This is called “Floor to Record” verification. Emphasis should be placed on identifying newer assets to ensure that they are properly recorded in the inventory system.
2. The physical inventory audit will be completed by December 31 each year.
3. The bar code tags of all assets at each location will be scanned along with an indication of the property, and building. The date the asset was sighted and who performed the inventory will also be recorded.
4. Any Capital Assets found at the location without a bar coded tag will be entered into the inventory system as a new asset. If the inventory audit determines that an asset was formally acquired and is properly in the custody of the Town, but has not been recorded in the inventory system, the Capital Asset Manager will enter the asset as an “addition”. An asset that has previously been entered into the inventory system but the tag has been removed, a new bar coded tag will be affixed to the asset and the system subsequently updated to reflect the new bar coded tag number.
5. The Town of Huntington may retain the services of an outside firm to re-evaluate the Town’s insurable values on an as needed basis.

Glossary

Glossary

–A–

ACCRUAL BASIS ACCOUNTING

Most commonly used accounting method. Reports income when earned and expenses when incurred as opposed to cash basis accounting, which reports income when received and expenses when paid.

ACTIVITY

A program effort that contributes to the attainment of a specific set of performance objectives.

ACTUAL

Actual (as opposed to budgeted) revenues and expenses for the fiscal year indicated.

AD VALOREM

A tax, duty or fee that varies based on the value of the product, service, or property on which it is levied.

AD VALOREM TAXES

Commonly referred to as property taxes levied on both real and personal property according to the property's valuation and the tax rate.

ADOPTED BUDGET

The financial plan for the fiscal year beginning January 1 as amended and adopted by resolution by the Town Board. The budget, once adopted, is the legal authorization to expend Town funds during the fiscal year identified.

AMERICANS WITH DISABILITIES ACT (ADA)

Federal Law passed in 1990 that prohibits discrimination in employment of the provision of services and facilities on the basis of disability.

ANNUAL COMPREHENSIVE FINANCIAL REPORT (ACFR)

A full disclosure financial statement for state and local government finances. The Governmental Accounting Standards Board (GASB) provides the generally accepted accounting standards (GAAP) for governments to follow in their accounting.

APPROPRIATION

A legal authorization or allocation that permits officials to incur obligations against and to make expenses for defined purposes.

ARBITRAGE

The simultaneous purchase and sale of the same or an equivalent security to profit from price discrepancies. In government finance, the most common occurrence of arbitrage involves the investment of bond proceeds

in an investment that yields a higher interest rate, resulting in interest revenue in excess of interest costs.

ASSESSMENT ROLL

The official list prepared by the Assessor that contains the legal description of each parcel or item of property and its assessed valuation. This term is used to denote the total valuation of all taxable property in the Town.

ASSESSED VALUATION

The valuation set upon real estate and certain personal property by the Assessor as a basis for levying property taxes.

ASSET

Resources that have monetary value owned or held by a government.

ATTRITION

A method of achieving a reduction in personnel by not refilling the positions that have become vacant due to resignation, reassignment, transfer, retirement or means other than layoffs.

AUTHORIZED POSITIONS

Employee positions, authorized in the adopted budget, that are to be filled during the year.

–B–

BALANCED BUDGET

The amount of budgeted expenses is equal to or less than the amount of budgeted revenues and other available funding sources.

BEGINNING FUND BALANCE

The residual non-restricted funds brought forward from the previous fiscal year (ending balance).

BENCHMARKING

The process of critically evaluating a program's or service's activities, functions, operations, and processes (qualitatively and quantitatively) to achieve a desired level of performance. The objective of benchmarking is to introduce and sustain best practices by making valid comparisons with other processes or organizations, resulting in a continual improvement of performance.

BOND

A debt instrument issued for a period of more than one year for the purpose of raising capital by borrowing. The government obtaining the bond

Glossary

promises to pay a defined sum of money (principal) at a specified future date (date of maturity) along with periodic interest paid at a designated percentage of principal (rate of interest).

BOND RATINGS

A number of companies assign a risk level to the bonds or debt issued by a government. Risk means the likelihood of default or nonpayment. The lower the risk of nonpayment, the lower the interest the government must pay. Some agencies give an AAA rating to the least risky government bonds. Some of the top rating agencies are Standard & Poor's Corporation, Moody's Investor Service and Fitch Investor's Service.

BOND REFINANCING

The payoff and reissuance of bonds to obtain better interest rates and/or bond conditions.

BOND RESOLUTION

Town Board Resolution authorizing a bond issue.

BUDGET

An estimate of adopted revenues and expenses for a specific fiscal period.

BUDGETARY BASIS

This refers to the basis of accounting used to estimate the financing resources and uses in the budget. This generally tends to be accrual, modified accrual or cash basis.

BUDGET DEVELOPMENT CALENDAR

Schedule of key dates or milestones that the Town will follow to prepare and adopt the Adopted budget.

– C –

CAPITAL BUDGET

The six-year Adopted plan that includes the initial budget year and subsequent five “out-years.” The Plan is updated annually to include expanded or new capital projects. It specifies Adopted projects and an estimation of resources available to fund project expenses.

CAPITAL PROJECT

A major physical improvement such as construction, acquisition, technology enhancement, and/or infrastructure improvement that adds value to the physical assets of a government or significantly increases the useful life of an asset. Can also refer to building and construction of a new government asset.

CASH BASIS

A basis of accounting in which transactions are recognized only when cash is received or paid.

COLLECTIVE BARGAINING AGREEMENT

A legal contract between the employer and an authorized representative of a recognized bargaining unit for specific terms and conditions of employment.

CONSUMER PRICE INDEX (CPI)

A statistical measure of change, over time, in the prices of goods and services in major expense groups such as food, housing, apparel, transportation, and health and recreation typically purchased by urban consumers. Essentially, it measures the purchasing power of consumers' dollars by comparing what a sample "market basket" of goods and services costs today with what the same sample market basket cost at an earlier date. The United States Department of Labor publishes the Consumer Price Index on a monthly basis.

CONTINGENCY

An appropriation of funds to cover unforeseen events that occur during a fiscal crisis to address unfunded mandates, revenue shortfalls and other similar events. In addition, funding for vacant positions are placed in the contingency account throughout the year.

CONTRACTUAL SERVICES

Services rendered to a government by private firms, individuals or other governmental agencies.

– D –

DEBT

Liability or obligation in the form of bonds, loan notes, or mortgages owed to another person(s) or government and required to be paid by a specific date (maturity).

DEBT LIMIT

A statutory limitation whereby a government's net GO Bond debt cannot exceed a specified percentage of the appraised value of property subject to taxation.

DEBT SERVICE

Payment of principal and interest on borrowed money (i.e. bond issuance) according to a predetermined payment schedule.

DEBT SERVICE FUND

A fund established to account for the accumulation of resources for the payment of principal and interest on long-term debt.

Glossary

DEDICATED TAX

A tax levied to support a specific government program or purpose.

DEFEASANCE

A provision in an instrument that nullifies it if specific acts are performed. Example: Discharge old, low-rate debt without repaying it prior to maturity. Then, use newly purchased securities with lower face values but that pays higher interest. The objective is a cleaner (more debt free) balance sheet and increased earnings in the amount by which the face amount of the old debt exceeds the cost of the new securities.

DEFICIT (NEGATIVE FUND BALANCE)

The excess of an entity's liabilities over its assets or the excess expenses over revenues during a single accounting period.

DEPARTMENT

A component of the Town that provides a unique program or service within it. A department may be sub-divided into divisions (responsibility centers).

DEPARTMENT REQUEST

The budget requested by each Department for annual operations.

DEPRECIATION

Expiration in the service life of capital assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

– E –

ENDING FUND BALANCE

Funds carried over at the end of the fiscal year to the new fiscal year. Within a fund, the revenue on hand at the beginning of the fiscal year, plus revenues received during the year, minus expenses equals the ending fund balance.

ENTERPRISE FUND

Fund type established to finance and account for the total costs of selected government facilities and services that is predominantly self-supporting by user charges. This type of fund uses the accrual basis of accounting.

EQUALIZATION RATE

At its simplest, an equalization rate is the state's measure of a municipality's level of assessment (LOA). This is the ratio of total assessed value (AV)

to the municipality's total market value (MV). The municipality determines the AV; the MV is estimated by the state.

ESTIMATED EXPENSES/REVENUE

Annualized projection of an expense or revenue.

EXPENSE

The cost for goods or services.

– F –

FEES

A charge imposed on the beneficiary or recipient of a service provided by the Town. Its purpose is to help recover some or all of the costs incurred by the Town in providing the service.

FISCAL POLICY

A government's policies with respect to revenues, expenses and debt management as these relate to government services, programs and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and related funding.

FISCAL YEAR

A government's twelve-month period designated as the operating year for accounting and budgeting purposes. The Town of Huntington's fiscal year is January 1 through December 31.

FIXED ASSETS

Assets of long-term nature intended to continue to be held or used. Examples are: buildings, land, machinery, furniture and other equipment.

FRINGE BENEFITS

Contributions made by a government to meet obligations for employee benefits such as health insurance, pension plans, FICA, etc.

FULL FAITH AND CREDIT

A pledge of a government's taxing power to repay debt obligations.

FULL-TIME EQUIVALENT (FTE) POSITION

A full-time position or a part-time position converted to the equivalent of a full-time position based on 2,080 hours per year (or a variation relative to the contract agreed upon for that classification). For example, a part-time employee working for 20 hours

Glossary

per week would be the equivalent to .5 of a full-time position.

FUNCTIONS

A component/department of the Town that provides a unique program or service within it. A Department may be sub-divided into divisions (responsibility centers).

FUND

An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves and equities that are segregated to carry out a specific activity or purpose. Each fund is separate and maintains individual records of income and expenses. By law, expenses cannot exceed revenues.

FUND BALANCE

The excess of the assets of a fund over its liabilities, reserves and carryover.

FUND TYPE

In governmental accounting, there are three broad *types* of funds with specific funds within each. These are:

- Governmental
 - General
 - Special Revenue
 - Debt Service
 - Capital Projects
- Proprietary
 - Enterprise
 - Internal Service
- Fiduciary
 - Expendable Trust
 - Non-Expendable Trust
 - Agency

– G –

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)

A widely accepted set of rules, standards, conventions and procedures for reporting financial information as established by the Financial Accounting Standards Board.

GENERAL FUND

The primary fund used by the Town for which revenues and expenses are not legally restricted for use. Examples of departments operating within the General Fund include the Department of

Engineering, Department of Audit & Control, and the Town Supervisor's Office.

GENERAL OBLIGATION BOND (GO BOND)

Type of Municipal Bond where principal and interest are secured by the full faith and credit of the issuer and usually supported by either the issuer's unlimited or limited taxing power.

GOAL

A broad operational statement of what a program expects to achieve sometime in the future, thus providing a general description of the desired end state.

GOVERNMENT ACCOUNTING STANDARDS BOARD – STATEMENT 34 (GASB 34)

A Government Accounting Standards Board statement that requires two financial statements of governmental funds: a balance sheet and a statement of revenues, expenses and changes in fund balances. Of note, Statement 34 also requires that the value of infrastructure assets be shown on the balance sheet. In addition, Management's Discussion and Analysis (MD&A) is required.

GRANT

A contribution by a government or other organization to support a particular function and/or purpose. Grants may come from other governments (Federal, State) or from private donors.

– H –

HOURLY

Refers to an employee who fills a temporary or short-term position. Such employees provide contingency staffing for government operations during peak workloads or to fill temporary staffing needs. Hourly employees are paid on a per-hour basis and receive limited benefits.

– I –

IMPACT FEES

A type of charge for services imposed on new construction in order to support specific new demands on a given service (e.g., parks and fire protection).

Glossary

INDIRECT COST

A cost necessary for the functioning of the government as a whole but which cannot be directly assigned to one service or program area.

INFRASTRUCTURE

Government facilities on which the continuance and growth of a community depend such as roads, bridges and similar assets that are immovable.

INTEREST

The fee charged by a lender to a borrower for the use of borrowed money, usually expressed as an annual percentage of the principal; the rate is dependent on the time value of money, the credit risk of the borrower, and the inflation rate.

INTEREST INCOME

Revenues earned on investments.

INVESTMENT

The purchase of a financial product with the expectation of favorable future returns.

ISSUE

A bond offered for sale by a government.

– J –

JUDGMENT

An amount to be paid or collected by a government as the result of a court decision.

– L –

LEVY

A fixed rate for services that is imposed by a government to support its operations.

LIABILITY

Debt or other legal obligation arising out of a past transaction that must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

LINE ITEM BUDGET

A budget that lists each expense category (e.g., salary, equipment, travel, etc.) separately along with the dollar amount budgeted for each specified category.

LONG-TERM DEBT

Debt with a maturity of more than one year after the date of issuance.

– M –

MATURITY

The date on which the principal or stated value of an investment or debt obligations is due and may be reclaimed.

MISSION STATEMENT

A broad, high-level statement of purpose for an agency/department. A mission statement defines an agency's fundamental purpose, where there is a close relationship between the description of services provided by the divisions within the agency, and the planned outcomes.

MODIFIED ACCRUAL BASIS OF ACCOUNTING

The method of accounting under which revenues are recognized in the period that they become available and measurable. Expenses are recognized at the time a liability is incurred pursuant to appropriation authority.

MODIFIED BUDGET

The modified budget is the budget that results from the adopted budget, plus changes made in the budget after it is approved.

– N –

NYSERS

New York State and Local Retirement System.

NYSHIP

New York State Health Insurance Program.

– O –

OBJECT CODE

A code that describes a specific expense or revenue item.

OBJECTIVE

A defined method to accomplish an established goal. A true objective is identified in specific, well-defined and measurable terms that can be achieved within a specified time frame.

OPERATING BUDGET

The annual spending plan for the daily, recurring operating costs of the government.

OPERATING ENVIRONMENT

Internal and external factors that impact the Department's daily operations.

Glossary

OPERATING FUNDS

Resources derived from recurring revenue sources and used to finance on-going operating expenses and pay-as-you-go capital projects.

ORIGINAL BUDGET

The adopted budget as approved by the Town Board.

OTPS

Other than Personal Services.

– P –

PAY-AS-YOU-GO BASIS

A term used to describe a financial policy where capital outlays are financed from current revenues to avoid incurring costly debt financing or issuing new debt.

PERFORMANCE-BASED BUDGETING

The allocation of financial resources to programs and services based on their worth, overall performance, and contribution to the Town's overall mission, goals, and objectives.

PERFORMANCE MANAGEMENT

The use of performance measurement information to help set performance goals; allocate and prioritize resources; inform managers to either confirm or change current policy or program directions to achieve those goals; and report on the success of achieving those goals.

PERFORMANCE MEASURE

A specific quantitative or qualitative assessment of results obtained through a program or activity.

PERFORMANCE MEASUREMENT

A process of assessing progress toward achieving predetermined goals, including information on the efficiency with which resources are transformed into goods and services (outputs); the quality of those outputs, i.e., how well they are delivered to customers and the extent to which customers are satisfied (service quality); and the qualitative results of a program activity compared to its intended purpose (outcome).

PERIOD OF PROBABLE USEFULNESS (PPU)

Estimation of the expected life of a capital improvement project. These are generally determined by State statute.

PERSONAL SERVICES

Expenses for salaries, wages and fringe benefits of a government's employees.

POLICY

A principle used to guide a managerial, operational, or financial decision.

PRINCIPAL

The original amount borrowed through a loan, bond issue or other form of debt.

PRIOR YEAR ENCUMBRANCES

Obligations from previous fiscal years in the form of purchase orders, contracts or salary commitments that are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when the obligations are paid or otherwise terminated.

PRODUCTIVITY

Average real output per unit of input.

PROGRAM

A discrete service or group of related services provided by an organizational unit designed to achieve the government's goals and objectives.

PROJECT TITLE

A name given to a project that is used for administrative purposes in conjunction with the project number; typically captures both the nature and location of the project.

PROPRIETARY FUND

A fund used to account for operations that are financed and operate in a manner similar to business enterprises. Such a fund is established as a self-supporting operation with revenues provided principally from fees, charges or contracts for services. Measurement focus is on determination of net income, financial position, and changes in financial position.

– R –

RATE

A value describing one quantity in terms of another. Example: *Rate* of interest.

RECOMMENDED BUDGET

The Town Supervisor's recommendation for the Town's financial operations that includes an estimate

Glossary

of Adopted expenses and revenues for a given fiscal year.

REFUNDING BONDS

Bonds issued to retire outstanding bonds that have a higher interest rate. Typically done to effect net present value savings.

REMAINING MATURITY

The amount of time left until a bond becomes due.

RESERVES

A portion of fund equity (set-aside) legally restricted for a specified purpose or not available for appropriation and subsequent spending.

RESOLUTION

A formal written decision of the Town Board.

RESOURCES

Total dollars available for appropriation that includes estimated revenues, fund transfers and beginning fund balances.

RESTRUCTURING

Major organizational changes aimed at greater efficiency and adaptation to changing economies, markets and stakeholder expectations.

REVENUE

The taxes, fees, charges, special assessments, grants, and other funds collected and received by the Town to support its services and/or capital improvement projects.

RFPs

Request for proposals.

RISK

A probability estimate of loss or less-than-expected returns.

– S –

SATISFACTION OF DEBT

Document issued by a lender upon complete repayment of debt.

SCAR

Small Claims Assessment Review.

SPECIAL DISTRICT

A designated geographic area established to provide a specialized service usually petitioned by the citizenry and approved by the Legislature.

SPECIAL REVENUE FUND

Fund used to account for revenues received that have specific purposes for which they can be used.

STAR

School Tax Relief.

STRAIGHT-LINE DEPRECIATION

Depreciating an asset, minus its salvage value by the same (fixed) amount every year over its useful life. For example: If a vehicle costs \$20,000 with a salvage value of \$2,000 and useful life of three years, it will be depreciated at a cost of \$6,000 per year.

STRATEGIC PLAN

Similar to a corporate plan but not restricted to organizational boundaries. A strategic plan gives direction and cohesion to activities over a specified time frame.

SURPLUS

The amount by which the government's total revenues exceed its total outlays in a given period, usually a fiscal year.

– T –

TAX

Compulsory charge levied to finance services performed by the government for the benefit of the community (citizens, businesses, etc.).

TAX LEVY

The resultant product when the tax base multiplies the tax rate per \$100. Revenues are less than the levy because of delinquencies, tax roll errors, and court cases contesting assessed property value.

TAX RATE

The amount of tax levied for each \$100 of assessed valuations. The tax rate is applied to the assessed valuation to derive the tax levy.

TOWN SUPERVISOR'S BUDGET

TRANSMITTAL LETTER

The Town Supervisor's letter to the Town Board summarizing critical aspects of the budget including fiscal changes from the current fiscal year, strategic initiatives, goals, objectives, themes and priorities that are encompassed within the Town's budget.

Glossary

TRANSFER IN/OUT

Amount transferred from one fund to another to assist in financing the services for the recipient fund.

TRUST FUND

A trust fund consists of resources received and held by a government unit as a trustee, to be expended or invested in accordance with the conditions of the trust.

– U –

UNENCUMBERED BALANCE

The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future use.

UNRESERVED FUND BALANCE

The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

UPGRADE

A positive change in ratings for an issuing entity or a security such as a credit bureau's upgrading of a bond.

USEFUL LIFE

The length of time that a depreciable asset is expected to be useable.

– V –

VARIANCE

Compares the budget with the actual. The effort in government is to stay within budget and to avoid unfavorable variances, that is, where the actual collection or expense is out of line with the budget.

VISION

A long-term goal which indicates the intent of the government and what it wants to achieve.

– W –

WORKLOAD INDICATORS

A performance measurement category that compares output to demand (people served, transactions processed, complaints addressed).

– Y –

YEAR-END

This term is used in reference to the end of the fiscal year, for the Town, December 31st.

YEAR-TO-DATE (YTD)

For the period that starts at the beginning of the fiscal year (January 1 for the Town) to the current date.

Capital Budget

Town of Huntington 2023 Capital Budget Program Narrative

The Capital Projects Fund is used to account for financial resources allocated for the acquisition, construction or renovation of major capital facilities, road rehabilitation, infrastructure improvements or the purchase of capital assets. Capital expenditures occur periodically and are spent over multiple years. This fund also includes routine capital expenditures such as townwide fencing, furniture, computer equipment and replacement of the vehicle fleet.

Capital Assets, as they are commonly referred to, are inventoried physical assets, constructed, purchased or donated to the Town valued at \$5,000 or more with a useful life of at least five years. All Capital Assets must be tagged to facilitate tracking. The Comptroller maintains accountability over all tangible asset records and such records are verified once a year by a physical inventory conducted by the department responsible for its care and maintenance.

All capital projects are undertaken only after analysis of need, review of alternative options, and funding identification. The Town may fund the cost to acquire and maintain Capital Assets in one of several ways: the issuance of a bond, allocation from the Town's Environmental Open Space Fund for qualifying assets, operating revenue, capital reserves or fund balances. The method of funding is determined at the time the funds are required.

Historical Capital Investment

Capital expenditures tend to vary from year to year much more than operating expenses. The graph on the following page reflects the Town's capital investments as compared to the revised budgets in the past five years. Many capital projects that have approved budgets were phased in and or deferred until needed.

The 2023 Town's Capital Budget is \$24.32 million; of this amount \$3,405,000 will be funded through grants and \$20.915 million will be funded by the Town through various sources. In the 2023 Capital Budget:

- \$5.8 million or 23.85% is for highway infrastructure
- \$1.4 million or 5.76% for Veterans Park Synthetic Turf
- \$1.2 million or 4.93% for the Halesite Park Marina improvements
- \$575,000 or 2.36% for Park Improvements
- \$15.345 million or 63.1% for other needed infrastructure and equipment purchases.

Town of Huntington

2023

Capital Budget Program Narrative

Funding for any one capital project may include several different sources of funds. The Town's goal is to bond an amount that does not increase debt service in the operating budget. This has been achieved in most years by issuing debt for approximately the same amount or less of principal paid in any given year. The following chart provides the historical analysis for a five-year period.

The following Capital Projects are included in the 2023 Capital Budget. As such, there is no effect on the 2023 Operating Budgets for capital projects that are designated to be bonded other than specifically stated. The 2023 debt service budget for principal and interest is \$12,975,000. The actual 2022 debt service budget for principal and interest was \$13,254,000. Therefore, the 2023 debt service budget will decrease by \$279,000 in comparing to the actual 2022 debt service budget, resulting in a decrease because of refinancing debt at lower interest rates.

**Town of Huntington
2023 Capital Budget Program**

	Source of Funding				
	AMOUNT	FUND BALANCE	GRANT	RESERVES	BOND
General Fund - Engineering					
<u>New York Ave. Street Light Improvements</u> - Installation of new decorative street lights south of Pulaski Road.	\$ 200,000	\$ -	\$ 100,000	\$ -	\$100,000
<u>Cold Spring Harbor Streetscape Improvements</u> - Installation of new street lighting and sidewalks.	\$ 150,000	\$ -	\$ -	\$ -	\$150,000
<u>Town Hall Building Management System</u> - Upgrade of the Auto Control HVAC system in Town Hall. Project includes evaluation and design modifications necessary to upgrade the current system as well as implementation of the new system.	\$ 325,000	\$ -	\$ -	\$ -	\$ 325,000
<u>Elevator Lift at Town Hall for Veterans Plaza</u> - Modify the stairway and install a lift at the main entrance.	\$ 110,000	\$ 50,000	\$ 60,000	\$ -	\$ -

General Fund - Environmental Waste Mgmt.

<u>Compactors</u> - The Recycling Center needs to purchase and install waste compactors.	\$ 95,000	\$ -	\$ -	\$ -	\$ 95,000
---	-----------	------	------	------	-----------

General Fund - General Services

<u>Vehicle and Equipment Replacement</u> - Vehicles and Equipment that have exceeded their useful lives and are beyond repair need to be replaced on an annual basis.	\$ 500,000	\$ -	\$ -	\$ -	\$ 500,000
<u>Resurface Courts and Paving</u> - Resurfacing of athletic courts and municipal parking lots throughout the Town.	\$ 1,000,000	\$ -	\$ -	\$ -	\$ 1,000,000
<u>Townwide Fencing</u> - Ongoing capital project to replace fencing as needed throughout the Town.	\$ 100,000	\$ -	\$ -	\$ -	\$ 100,000
<u>Townwide Infrastructure</u> - Routine capital project for Townwide funding that is used on an as needed basis for improvements to various Townwide buildings and facilities.	\$ 100,000	\$ -	\$ -	\$ -	\$ 100,000
<u>Village Green -Flanagan Center Roof</u> - The roof at this major facility needs to be replaced. This is final phase III of this project.	\$ 650,000	\$ -	\$ -	\$ -	\$ 650,000
<u>Elm St. Municipal Lot</u> - This parking lot is in need of major work, including drainage, curbing, beautification and resurfacing. This lot is in the heart of Huntington and heavily used.	\$ 1,000,000	\$ -	\$ -	\$ -	\$ 1,000,000

General Fund - Information Technology

<u>Technology Infrastructure</u> - Upgrade and improve our current technology infrastructure with the purchase of servers, network switchers and storage to improve the Town's network and security.	\$ 350,000	\$ 200,000	\$ 150,000	\$ -	\$ -
---	------------	------------	------------	------	------

General Fund - Maritime

<u>Halesite Park Marina</u> - Seawall bulkhead & pier bulkhead at Halesite Park is in disrepair. This project would be the installation of bulkhead that needs replacement as well as sidewalk repair and new parking lot.	\$ 1,200,000	\$ -	\$ -	\$ -	\$ 1,200,000
<u>West Neck Beach Parking Lot</u> - Resurfacing, repaving and striping of the West Neck Beach parking lot.	\$ 320,000	\$ -	\$ -	\$ -	\$ 320,000

Town of Huntington
2023 Capital Budget Program

	Source of Funding				
	AMOUNT	FUND BALANCE	GRANT	RESERVES	BOND
General Fund - Parks and Recreation					
<u>Depot Road Park</u> - New Playground Equipment to replace an existing deteriorated playground.	\$ 300,000	\$ -	\$ -	\$ 300,000	\$ -
<u>Heckscher Park Playground</u> - Repair of deteriorated flooring at the playground.	\$ 275,000	\$ -	\$ -	\$ 275,000	\$ -
<u>Dix Hills Ice Rink</u> - In order to keep the facility in operation with the many Athletic Programs it currently houses, the main Glycol Pump and Chiller Units need immediate replacement. The 50 year old pump is original is past its useful life.	\$ 100,000	\$ -	\$ -	\$ -	\$ 100,000
<u>Veteran's Park</u> - The artificial turf on the two fields at this facility needs to be replaced for the safety of the participants. It is long past the normal life expectancy for this surface.	\$ 1,400,000	\$ -	\$ -	\$ -	\$ 1,400,000

General Fund - Public Safety

<u>Animal Control Vans</u> - Purchase of animal transport vans equipped with internal cage compartments, to replace existing high mileage vans.	\$ 50,000	\$ 50,000	\$ -	\$ -	\$ -
Total General Fund	\$ 8,225,000	\$ 300,000	\$ 310,000	\$ 575,000	\$ 7,040,000

Part Town - Transportation & Traffic Safety

<u>Traffic Signal Modernization</u> - Routine annual allocation of funding to upgrade traffic signals and implement traffic calming measures where needed. Certain intersections require replacement signals and calming measures.	\$ 500,000	\$ 500,000	\$ -	\$ -	\$ -
Total Part Town	\$ 500,000	\$ 500,000	\$ -	\$ -	\$ -

Highway Fund

<u>Roadway Rehabilitation</u> - Annual resurfacing of streets and roads throughout the Town in accordance with the Department of Highway's replacement plan. Each year, the Town's roadways require repaving and drainage improvements as a result of weather conditions and wear and tear. This project will save maintenance costs in the operating budget.	\$ 5,000,000	\$ -	\$ -	\$ -	\$ 5,000,000
<u>Drainage and Pavement</u> - Annual funding to make drainage improvements throughout the Town. Where possible, drainage systems are being installed to minimize the need for individual overflow pools. This allocation will be utilized to install drainage systems and improvements prior to paving the roads affected throughout the Town.	\$ 800,000	\$ -	\$ -	\$ -	\$ 800,000
<u>Highway Equipment</u> - Routine annual funding for the Highway Department to fund the replacement of heavy equipment vehicles in accordance with the vehicle replacement plan. The fleet of heavy equipment is aging and requires more maintenance costs as it ages. This project will save some maintenance expenses in the annual operating budget.	\$ 600,000	\$ -	\$ -	\$ -	\$ 600,000
Total Highway Fund	\$ 6,400,000	\$ -	\$ -	\$ -	\$ 6,400,000

**Town of Huntington
2023 Capital Budget Program**

	Source of Funding				
	AMOUNT	FUND BALANCE	GRANT	RESERVES	BOND
Consolidated Refuse District Fund					
<u>Garbage Trucks</u> - Two refuse collection trucks have exceeded their useful lives and in need of extensive repairs and should be replaced. The replacement trucks would be two International refuse trucks with Heil packer bodies. These trucks are in service five to six days a week and are used for residential garbage, yard waste and recycling collection.	\$ 500,000	\$ -	\$ -	\$ -	\$ 500,000
Total Consolidated Refuse Fund	\$ 500,000	\$ -	\$ -	\$ -	\$ 500,000

Huntington Sewer District Fund

<u>Sewer Lines Rehabilitation</u> - The collection system was constructed beginning in 1916. The program is in phase two which identifies problematic areas within the 33 miles of the collection system, allowing for the proper repair and maintenance of the system. Spot repairs are made of leaking joints, cracked joints and partially collapsed pipes in the sewers as determined by clean and TV work by Huntington Sewer Treatment Plant Road Crew. This is a recurring annual capital request for collection system rehabilitation.	\$ 150,000	\$ 150,000	\$ -	\$ -	\$ -
<u>Primary Clarifiers Rebuild</u> - The Huntington Sewer Treatment Plant has five Primary Clarifiers that use sedimentation to settle solids out of wastewater. These clarifiers were rebuilt in 1987. While certain physical and mechanical components have been maintained since that date, a complete rebuild is required at this time. This year the plan is to rebuild two clarifiers. This will be the third year of rebuilding.	\$ 100,000	\$ 100,000	\$ -	\$ -	\$ -
<u>Huntington Sewer Treatment Plant Upgrades</u> - Upgrades of pumps, aeration racks and headwork improvements resulting in increased capacity, thereby allowing continued development within the Sewer District and possibly allowing for sewer connections for parcels outside the District around Huntington Harbor, which would improve ground and surface water quality.	\$ 495,000		\$ 95,000		\$ 400,000
<u>Manhole Rehabilitation</u> - Ongoing program for the repair and replacement of manholes in the District. Deteriorating manholes are a safety hazard as well as a source of storm water infiltration into the sewer system.	\$ 50,000	\$ 50,000			\$ -
Total Huntington Sewer District Fund	\$ 795,000	\$ 300,000	\$ 95,000	\$ -	\$ 400,000

Dix Hills Water District

<u>Plant No. 5</u> - Recent developments in regards to water contaminants in NYS has caused the District to revisit the Plant No. 5 grant project from 2019. The project needs to be expanded to include Granular Activated Carbon vessels that allow the District to be ahead of current & future treatment requirements.	\$ 7,100,000	\$ -	\$ 3,000,000	\$ -	\$ 4,100,000
<u>Water Meter Replacement</u> - Ongoing project to replace outdated water meters throughout the District.	\$ 800,000	\$ -	\$ -	\$ -	\$ 800,000
Total Dix Hills Water District	\$ 7,900,000	\$ -	\$ 3,000,000	\$ -	\$ 4,900,000
Total Capital Projects	\$ 24,320,000	\$ 1,100,000	\$ 3,405,000	\$ 575,000	\$ 19,240,000
