

Zoning Board of Appeals Calendar July 2021

Dear Applicants,

As a result of State of Emergency having been rescinded by the State of New York, the Zoning Board is no longer able to conduct the virtual hearings that had been scheduled for the month of July. This occurred without advance notice to any Town.

The Zoning Board has added a hearing date of August 10th to our hearing calendar in an effort to reschedule the July hearings with the least disruption to applicants. The mailings and required publication will be handled by the Town at no cost to the applicants. We anticipate having updated agendas added to the Town website shortly.

We appreciate your patience at this time.

Chairman Posillico
