Suffolk County Department of Public Works

HUNTINGTON HUB WASTEWATER
CONVEYANCE AND COLLECTION SYSTEM
Capital Project 8195

NOTICE OF CONSTRUCTION WORK

WORK AREA: NEW YORK AVE, HUNTINGTON STA.
(BETWEEN E 2nd ST AND JERICHO TPKE)

Construction for new sanitary sewer structures and pipe is scheduled to begin **July 2, 2025** and continue for the next 30 months.

This notice is to update you that the above project, for Suffolk County Department of Public Works, is scheduled to begin on **New York Ave** and progress south resulting in various detours. Contract Work Zone Traffic Control Plans allow for travel lanes to be reduced to one lane providing alternating traffic for north and south bound local traffic and emergency vehicles. However, it may be necessary to close the road for short durations during construction operations. Specific detour notifications regarding road closures in your area will be made should they differ from these plans.

All work operations are scheduled to be completed during nighttime work hours, 9:00pm-6:00am, Monday to Friday. We are sorry to inconvenience you, but in order to proceed with construction for the new **HUNTINGTON HUB WASTEWATER CONVEYANCE AND COLLECTION SYSTEM** we must close and/or limit your access to your driveway and restrict on street parking in your area. As work progresses, you will be notified on a daily basis when and how your particular residence OR business will be affected. Please obey **NO PARKING** and **DETOUR** signs as they are posted, as violators will be towed or ticketed. We assure you that every effort will be made to minimize the impact to you relative to this construction.

Please note these timeframes and schedules are subject to change due to unforeseen conditions. Additional notifications with specific information, dates, and times for this work will be delivered at least twenty-four (24) hours in advance in order that you will have sufficient opportunity to plan for accessibility to your vehicles.

We appreciate your time and understanding while this work is being completed.
For any concerns during work operations, please contact our office at 631-422-3870.

For any technical concerns, please contact D&B Engineers and Architects who are managing design and construction for Suffolk County at (516)422-7421 or via email at hshconstruction@db-eng.com.
